### CHRISTIAN NATIONALISM VS ISLAMIC NATIONALISM / THE NOISE OF NIMROD'S TOWER CRUMBLING

Original Air Date: 05.11.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Christian Nationalism — An Examination! Why we must return to a truly Christian nationalism, and why it must be America.

The FALL of NIMROD'S TOWER IS ALWAYS NOISY:

Biden is pulling a Ukraine against Israel —

Biden's CCP buddy is having his own troubles.

The State-sanctioned VAX Propaganda is crumbling. CDC officials already had evidence by early 2021 that the C-19 clot shot was killing people.

TRUMP: In Jack Smith's farcical classified documents case against President Trump, Judge Cannon is set to unseal a "massive trove of documents." What does Jack not want us to know?

In the made-up charges against Trump by Biden Persecution Prosecutor Alvin Bragg, Alvin the rabid chipmunk also has been caught complicit in evidence tampering.

ELECTION FRAUD: Voter GA, an election fraud watchdog, reports that 1.7 million 2020 election ballot images were destroyed in Georgia.<sup>1</sup>

It's time for your Brain Massage®:

[TRUTH]

Okay, let's do a touch-and-go on top news to keep you in-the-know:

The FALL of NIMROD'S TOWER IS ALWAYS NOISY:

Biden is pulling a Ukraine against Israel. You remember when he unlawfully interfered with Ukraine's government by threatening to withhold a billion dollars in AID the Congress had legally ordered to be delivered to Ukraine—Biden told the President of Ukraine unless they fired the prosecutor who happened at that time to be investigating Burisma, where Biden's son sat on the Board, he would not allow them to receive the money.<sup>3</sup>

He is doing it again! Congress authorized AID to Israel, but Biden is defying Congress by assuming he can use funds approved for disbursement by Congress as leverage over Israel to order them not to pursue Hamas!<sup>4</sup>

Netanyahu said Israel secured its Independence without AID from the US or anywhere else, and he said if necessary, Israel would fight with their fingernails to defend her right to her homeland. He should be impeached for this, and the impeachment should include the Burisma scandal to show this is a “pattern” with Biden.

Good news! FL Representative Cory Mills has filed articles of impeachment against Biden for usurping the powers of Congress.

Who knows where Speaker Johnson is hiding out on this issue?

Meanwhile, Biden's Chinese Communist Party buddy is having his own troubles: division within the ranks of the CCP elites is threatening Xi's power over the Party. A Mao-like purge is coming!<sup>5</sup>

One wonders what sort of "purge" Biden has in store for us. Will he launch the 87 Thousand new IRS agents to target MAGA Americans? Remember the 2013 IRS targeting controversy?<sup>6</sup> Hmmm? 2013, you know, during Obama's scandal-less second term. We already know he has drawn a target on the backs of those "God and gun-clinger" patriots that Obama despised; the MAGA Americans who are puke tired of Biden destroying their livelihoods and the bands and cords of Christian morality that were set in place by CHRIST through our Founders.

I'm doing a series on the Kingdom Parables on Wednesdays — one of them speaks to the wicked religious Whore that planted paganism in the Lord's churches bringing corruption into His Kingdom.<sup>7</sup> That leaven has gotten old and rancid, and it must be purged out. America needs the leaven of Communism, Globalism, Fascism, all this leaven must be purged out: "Purge out therefore the old leaven, that ye may be a new lump."<sup>8</sup>

VAX:

The State-sanctioned VAX Propaganda is crumbling.

Birx supports the efficacy of the vaccine but claims it was designed for the most vulnerable, the aged, and admits it was distributed wrong. She agreed that the CDC and FDA need to come clean on reported vax deaths.<sup>9</sup> They are trying to save the vax, friend! It's a first fallback position, so don't be fooled.

As early as January 2021, the CDC already had evidence that the C-19 clot-shot was killing people: "multiple deaths" were reported but hidden from the public by omission and disinformation, using propaganda to hide their malfeasance.<sup>10</sup>

By the way, did you know, I didn't, did you know that Obama made government-sanctioned propaganda legal in America?

It was made illegal in 1948 by passage of the Smith-Mundt Act of 1948, which "banned the use of domestic propaganda." Congress passed and Obama signed HR 4310,<sup>11</sup> which effectively repealed the Smith-Mundt Act of 1948.<sup>12</sup> The Smith-Mundt Act "banned the use of domestic propaganda."<sup>13</sup> These vile people were setting us up for the OBiden regime at least from the beginning of Obama's

Now, according to the trusted fact-checkers, Obama did not target the American people for US government propaganda.<sup>16 17 18</sup> — So let's all rest assured that our government does not use propaganda on the American people. Right! So, okay! Let's go with that. NOW ROUND UP THESE LIARS AND CHARGE THEM WITH VIOLATION OF THE SMITH-MUNDT ACT AND THROW THEM IN JAIL. I recommend we replace the present political prisoners in violation of 1st, 4th, and 5th, Amendment protections, strip them of any political office, ban them from ever holding any political office in the US, fine them, I don't know, how about 450 million dollars, that sounds like a nice round number, and put them in jail, for, well, how about 100 years? Think that will about do it? Let them swing on the Haman's gallows they are building for — I was going to say Trump — let me correct that — US! You and me! God fearing America as founded loving, Constitution defending AMERICANS! Talking about the banished President!

Obama, I think he still resides in Manhattan, right? Yeah, make some room there for Obama, too.

TRUMP: Judge Cannon set to unseal a “massive trove of documents” that Jack the TRUMP RIPPER does not want open to public view in the Mar-a-Lago case because the truth exposes Jack Smith to be colluding with the corrupt FBI to frame Trump! — FBI corrupted evidence, literally tampering with evidence.<sup>20</sup> You’ve seen that pic of documents taken from Mar-a-Lago scattered on the floor with ominous cover sheets identifying the content as TOP SECRET — those cover sheets were placed there by FBI agents — yeah, they were not found in the boxes, they were placed there by FBI.<sup>21</sup>

And Alvin the rabid chipmunk Bragg prosecuting the Daniel’s Hush-Money case got caught complicit in deleting call records between Michael Cohen and Keith Davidson from evidence that he presented to the court without informing the Judge his office had “tampered with the evidence” that he submitted to the court.<sup>22</sup> Evidence tampering is a serious offense, and it’s especially egregious when an agent of the State tampers with evidence to prop up its case against a defendant, and then it’s especially aggravated when

All of this takes us to our concerns about ELECTION FRAUD. We've got to get these bums under the wheel of justice; we must restore LAW and ORDER in this country. And that starts with restoring election integrity.

Christian Nationalism — An Examination! Why we must return to a truly Christian nationalism.

Joseph Story (1779-1845) believed Christianity to be the basis for Common Law and considered “Christianity deeply entangled with the Constitution.”<sup>26</sup>

David Brewer (1844-1931) famous 1892 decision for the court’s unanimous ruling in *Church of the Holy Trinity vs. U.S.*, and flatly stated: “This is a Christian nation.”<sup>27</sup>

Obama is probably rightly called the pivot point in the debate over whether America is a Christian or a purely Secular nation. In one of his campaign speeches, he declared: “Whatever we once were, America is no longer a Christian nation.”<sup>28</sup> In one speech where he delivered this statement, he paused long and very dramatically and then followed up with, “at least not just.” And proceeded to absurdly say we are a Jewish nation, a Muslim nation, a Buddhist nation, a Hindu nation, and a nation of non-believers. [IBID]

That statement is ridiculous. First of all, America was not founded on Judaism, even though Christianity did indeed come from the Jews. It’s arguable America could be called Judaeo-Christian, but the Jews, at the time of our founding, until today, reject Jesus as Christ, their promised Messiah.

We are certainly not a Muslim, Buddhist, or Hindu nation. None of those religious systems contributed anything to our founding or the culture out of which this nation sprung. It was distinctively shaped by Christianity.

Sharia is certainly not the foundation for our laws or customs. Although, as I’ll show in a moment, that’s the plan!

<sup>28</sup> <https://www.youtube.com/watch?v=tmC3levZiik> View one of the speeches in which he made this statement.

Obama got closer when he said we are a nation of unbelievers—but secularism did not begin taking significant hold in this country until the repeal of the 13th Amendment in 1933, making the distribution and sale of alcohol legal across all state lines. (Prohibition was NEVER about outlawing the consumption of alcoholic beverages. It was about prohibiting the sale and profiting from the sale of alcoholic beverages.)

Our Founders were not Deists as has been supposed, they were Christians who believed GOD created us all equal and endowed each person with inalienable rights. They all signed on to this proposition.

According to Heidi, this is what defines a Christian nationalist, and she is in good measure correct. This truth does indeed separate us from them.

You noticed how much difficulty Obama had reciting this portion of the Declaration correctly. He consistently left out the word “Creator.” Biden also stumbles on it—fumbling around in search of the saying ended up chuckling and saying dismissively, “you know, the thing.”

So by the time we came to Obama, virtually all of academia and most of Christianity accepted the idea that we were a secular nation. This was by design!

First published in 1864, Benjamin Morris wrote a 1060 page book documenting the Christian life and character of the civil institutions of the United States.<sup>29</sup> He shows through documents and statements from our Founders through the 1800s irrefutable proof that what Justices Joseph Story and later David Brewer declared: America is a Christian nation.

---

<sup>29</sup> I have the American Vision edition published in 2007. Morris, Benjamin, *The Christian Life and Character of the Civil Institutions of the United States*, 2007, American Vision, Powder Springs, GA

Another very important book documenting the Christian character and influence over our laws and customs was compiled by Schweikart and Allen in their 932 page tome titled: *A Patriot's History of the United States*.<sup>30</sup> Another good resource for documentation of Christian influence in our laws, customs, and founding is Dr. Bill Grady's book, "What Hath God Wrought!"<sup>31</sup>

Leaf through my book, *God's War*, and consider the plates presenting quotations from our Founders as only a sample of the thousands of statements that may be gathered testifying to the Christian influence that permeated the period leading up to and including the founding of America, continuing in force for more than 100 years from our Declaration to the beginning of our decline during the Modernist debates that came close on the heels of the repeal!

I don't have time to explain the significance of the repeal and the Modernist debates relative to the secularization of America, when the spirit of most Americans, including Christians, decided God had no place in the culture and politics of our nation.

Along the way, Americans were conditioned to embrace Obama's statement that we are no longer a Christian nation as if he was affirming a secularist vision for America. But did Obama really have a secularist vision for America?

We all know that Obama was a Muslim. He did not lead with that, but he never denied it and said and did many things to affirm it. His deep bow to the king of Saudi Arabia was telling; his childhood indoctrination into Sharia, and his policies regarding the Middle East always greatly favored Islam.

<sup>31</sup> Grady, William, *What Hath God Wrought!*, 1996, Grady Publications, Schererville, IN. 668 pages.

The rise of ISIS is directly attributable to his policies, both in providing billions of American taxpayer dollars to prop up Iran and literally provided the war chest they used to advance their anti-semitic, anti-American agenda. Biden's late gift of billions in arms surrendered to Jihadi terrorists in his alleged bungled retreat from Afghanistan was almost certainly directed behind the scenes by Obama. The present accommodation of the Palestinian "from the river to the sea" agenda is an obvious signal of the OBiden penchant for favoring Islam over the US and over Israel — including the most recent effort on the part of Biden to shield Hamas from Israel's forces.

You are concerned about "Christian nationalism"? What about Islamic nationalism? You think "Christian nationalism" is a threat to our country? Here, listen to this preacher of Islam, identified here as a British Islamic scholar,<sup>32</sup> is considered the face of Muslim extremism in Britain, where he was put in prison for terror offenses.<sup>33</sup> I don't have the name of the person interviewing this Jihadi, but it was put out by CBN News—that's the Christian Broadcasting Network. You can check them out here.<sup>34</sup>

Listen to this beloved teacher of Islam explain the goals and mission of Islam.

[INSERT 131 seconds — Cut to fit!]

The OBiden administration is protecting, funding, and encouraging Islamic nationalism — Obama is arguably the greatest friend, protector, and contributor to the cause of Islam in the world today.

And yet, I dare say some of you think Christian nationalism is the Christian version of what this man is saying. The fact is, Christianity is the only “religion” that framed a system of governance that enforces the fundamental tenets of free will, acknowledges all men are created in God’s image, and endowed with inalienable rights. You won’t get that ANYWHERE ELSE; not even in a purely secular, atheistic society.
