WHAT DOES THE TRUMP “CONVICTION” MEAN?

Original Air Date: 06.01.24

Segment.01 Hello. I’m Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

What does the Trump conviction mean?

Biden said it sends a message that “no one is above the law”!
[Drunken Squirrel]: Except for his son, Hunter, and himself, his brother, Garland, and Blinken, and don’t forget the biggest crooks of all, Hillary and Obama. Oh, and let’s not forget about Fauci—hear about the recent FOIA-secured email correspondence between Fauci, Daszak, Collins, and Ander\$on; and don’t forget Gates and Soros.

Bongino recently observed that we’ve come to a place where our government representatives are cult leaders — well, he didn’t say that, but he observed that we have come to a place where science is embodied in a man named Fauci — I AM science,” and the Democrat Party “is” Democracy. Go against Fauci, and you are against science — go against the Democrat Party, and you are against Democracy. Reminds me of that scene in Lady Hawk, when the Bishop of Aquila extends his “holy ring” to, I think it was Cezar, his captain, and said, to break faith with me is to break faith with — [gesturing toward heaven] Him! while the captain kisses the ring of the “Church.” The new priest caste—science—that is, science FALSELY so-called.

Did you know that’s in the Bible — a warning to avoid “science falsely so called”? (1 Timothy 6:20).

They take such power over you that they decide whether or not you are black. Remember Biden: you can't even be "Black" unless you vote for Biden.

Ideals like justice are reduced to whatever the Party (or Cult) needs or wants—if it serves the Party's interests, it's justice. Truth is whatever the Party believes you should believe—whether the party leaders actually believe it themselves is irrelevant. Truth is what they want you to believe. Truth is whatever serves the party. Truth is whatever advances their wealth and power!

Well, hang on, folks. Cause you are about to get a whole boatload of genuine objective, eternal, never changing...

[TRUTH]

What does the Trump conviction mean?

As I mentioned in my opening, the liars will attempt to spin this as a win for justice, that no one is "above the law"! This is almost as big a joke as the woke idea of gender confusion and "sex reassignment surgery." You'd have to rearrange every cell in the human body, plus find a way to ensure there was no reversion to the NATURAL ORDER. It's xx or xy — there is no xyx, or yxy, or yy — it's xx or xy. It's not xyz, or zz, or — well, you get the idea. No operation changes the fundamental distinctions at the chromosome level — it's all superficial manipulation of appearance — there is no fundamental change in the biological gender possible through hormone therapy or surgery. Not even Hungarian Kariko's mRNA vaccine can do it!¹

¹ 988.17.1-.COVID Vaccine/ What Is mRNA and Who Invented the Technology? – NBC New York <https://www.nbcnewyork.com/news/coronavirus/meet-the-inventors-behind-the-mrna-covid-19-vaccine/3727311/> Dr. Malone was credited for having a hand in the creation of mRNA technology, but he has not behaved well; so the "medical establishment" recruited a couple of PARTY *faithfuls* to "take the credit." 988.17.2-PolitiFact | Who is Robert Malone? One thing is clear—the Trump conviction shows what happens when unreasonable and wicked men and women set themselves above the LAW.

Even CNN legal analysts are saying, and I quote, “Merchan violated the Constitution.”² Zelin, one of CNN’s Legal Analysts, said, and I quote: “I hate to do this, but I would be remiss if I didn’t. Whether you are driving in a Ford or a Ferrari, if someone gives you bad directions, you’re going to end up lost. And those jury instructions were just a complete, just-take-the-Constitution-throw-it-out-a-window-burn-it-shoot-it-and-hang-it.”

Yeah, I’d say that about covers it! First, Bragg invents a crime for which there is no clear statute. Let me explain! New York has a law that you can’t commit a crime that was done in order to commit a crime. But you don’t have to PROVE he committed the crime he was trying to commit with the crime he committed, just prove, sort of, that he committed the crime you allege he committed to commit the crime. So if you are, say, committing a crime of speeding, but. you want to convict the speeder for, say, murder, you say he committed the crime of speeding in the effort to commit the murder — but by connecting the two things together, all the jury has to do is find him guilty of speeding, and not have a unanimous verdict on the charge that he was speeding in order to commit murder. That way, you can put a guy in the electric chair by building a case that satisfies a jury that he was speeding without having to be unanimous on the charge that he committed murder in the first place.³

You understand that Bragg never proved Trump personally ordered the payment of the hush money. He never even proved that

³ 988.5.4-Alvin Bragg Made 'Factually Impossible' Accusation Against Trump—Attorney <https://www.msn.com/en-us/news/politics/alvin-bragg-made-factually-impossible-accusation-against-trump-attorney/ar-BB1nlgWi.pdf>

whatever evidence of manipulation of business records he put in front of the jury was done by Trump or under his orders. The entire case was circumstantial. But with a biased jury, he was evidently able to get a unanimous agreement that, yeah, Trump probably did that. And the Jury was not warned against rendering a guilty verdict on what they think Trump “probably did.”

But Merchan and Bragg knew they could not get a unanimous verdict on the charge that the crime of paying hush money (which is NOT A CRIME) or falsifying business records (which is NOT A CRIME) unless it can be proved it was done in order to commit an actual crime under STATUTE, in this case, to interfere with an election.

This idiot judge instructed the jury that they could render a verdict of guilty even if they were not unanimous on the charge. That would be the only actual crime in the case: election interference. Which is another thing! What Biden is doing is blatant election interference—abusing the law to remove a candidate from running for office.

Anyway, the Jury was given convoluted instructions, not written out, that were long, confusing, and a tangled mess. The Jury was led to believe they could render a guilty verdict if they believed Trump paid the hush money or manipulated business records, even if they were not so sure he did it to interfere with an election.

But the only actual crime in this case was election interference. Even if he did prove Trump paid the hush money, and even if they proved Trump personally manipulated the business records — that does not prove he did it to interfere with any New York election. By relieving the State from the burden of PROOF, the Jury was led to believe they could render a guilty verdict on all counts, even if they were not unanimous on the matter of election interference.

So now New York is primed to lay on Trump the penalty of violating their election interference statute by a jury verdict that is not in unanimous agreement on that charge. [IBID]. FoxNEW’s

legal analyst Gregg Jarrett said Bragg made “factually impossible”⁴ arguments against Trump. Friend, this is legal abuse!

This case was not done lawfully. The judge violated so many rules of law that it is almost certain to be a case study in law school examining ways the government can get it wrong for years to come. A case study on what happens when the institutions charged with dispensing justice come under the power of LAWLESS people. Bragg is a lawless man. Merchan is a lawless man. “Law is not made for a righteous man, but for the lawless and disobedient, for the ungodly and for sinners, for unholy and profane” (1 Timothy 1:9). Bragg, Biden, Merchan — repent! You are profane, disobedient, ungodly, and lawless!

Like the CNN’s legal analyst, Zelin, said: you have thrown out the Constitution — which is THE LAW OF THE LAND! Your conduct is unbecoming your office, and I call on you to resign! Haha! That’s right! A King Priest and Ambassador for the Kingdom of Jesus Christ, I call on you to resign or face being REMOVED FROM YOUR OFFICE.

It would indeed be a travesty against justice if Bragg is not disbarred and Merchan is allowed to continue on the bench after the SCOTUS decides on this.

Trump will appeal, of course, but these wicked people in New York are so vile I think the next thing will be to incarcerate Trump — WELL, IF THEY DO, MAYBE FINALLY, THERE WILL BE SOME OUTCRY AGAINST THE INJUSTICE PERPETRATED AGAINST THE J6 GRANDMAS, AND DADDY’S AND MOMMIES.

When will the SCOTUS step in and straighten this out?

We need Texas or Florida to demand New York extradite Trump into their custody! And put him before a jury of HIS PEERS — not

⁴ 988.5.5-Alvin Bragg Made 'Factually Impossible' Accusation Against Trump—Attorney <https://www.msn.com/en-us/news/politics/alvin-bragg-made-factually-impossible-accusation-against-trump-attorney/ar-BB1nlqWi>

Biden's peers, not Bragg's peers, not Merchan's peers — but true Americans who BELIEVE IN THE CONSTITUTION AND THE RULE OF LAW.

I don't know; maybe we need to kick New York out of the Union —they clearly want nothing to do with the Constitution or the rule of law. Get that foul State out of the Union. You REEK New York. The stench of your rot is enough to choke Lenin, Hitler, Stalin. Xi would not do what you have done!

And take CA, too, while you are at it. Kick New York out of the Union and demand our citizen, Donald J. Trump, be extradited to an AMERICAN STATE, one that respects the Constitution and the rule of law. Not these vipers that rule with law, but who believe they must rule UNDER THE LAW. These people have arrogated to themselves the idea that they are the LAW.

We've got an ideological pandemic — where men think they are SCIENCE, and so, therefore, whatever they say is science, and if you disagree, you are a science denier. Political parties that think they are DEMOCRACY, so protecting Democracy means protecting their PARTY's interests. And we have Bragg and Merchan and many others in our legal system, including Garland and Wray, who think they ARE THE LAW, so whatever they do is lawful, and therefore just, and if you disagree with what they do, you are a justice denier.

Well, you are not fooling me with that nonsense.

We need to reform the Union around the Constitution—we don't need a new one.

I'm sorry, Levin. I love Mark Levin, but I don't agree with him on this! If we refuse to follow our Constitution, what makes anyone think this foul, wicked crowd will follow a new one?

This is not fixed by re-writing the Constitution. It's fixed when we reform the CHARACTER of the PEOPLE — or, at the very least,

put the power of our Constitutional institutions in the hands of
LAWFUL, AMERICA AS FOUNDED LOVING PATRIOTS.

Call for TRUMP and the J6 political prisoners to be released
NOW! Surround that cursed State of New York like Joab
surrounded Bethel — demand Trump's extradition from the
LAWLESS government of New York!

New York is of the Devil! So is California. The PEOPLE of New
York and of California must rise up and take their respective states
back under GOD.

A representative in Oregon said he believed Christians should vote
for Christians, and the antichrist crowd in Oregon is trying to bring
him up on ethics violations. John Jay, our first Chief Justice of the
Supreme Court, said the same thing. George Washington said as
much, our Founders believed this government was not framed for
the ungodly.

We already fought this war back in 1776 — a king named George
ignored the rights of Englishmen on these shores, and we said no
thanks. These people are ignoring our RIGHTS as endowed to us
by GOD, and they are using LAW just like the Devil uses it—to
entrap the righteous.

And, you know what? Come to think of it, King Georgie had a
friend in New York, and apparently, New York wants to go back to
the rule of kings and the lie of the divine right of kings—but you
know what, that's your business, New York. If you want to kiss the
feet of your master Bidenistas, you want to kiss the ring of your
cult leader, Obama, go ahead!

But you have unjustly and unlawfully convicted a free citizen, and
Texas, or Florida, or maybe TN, or who else out there, oh, how
about Arkansas — Huckabee-Sanders, how about you step up. I
understand the Atty General of Texas has said he's going to do
whatever he can — file for extradition.

Begin a petition to remove New York from the Union. Start a petition from WE THE PEOPLE to remove Biden from office. I know; let's round up the entire Democrat Party and send them to China. They want to govern like Xi—let them be governed by Xi. Hey, Xi, how about we send all your puppets to you — we don't want them here.

Look, justice is not fluid! It's a FIXED mark! It's not a Sparrow compass that points only in the direction of what DEMONCRATS want!

I'm hopping mad — that's what oppression does — it makes a wise man mad! Ecclesiastes 7:7 ¶ “Surely oppression maketh a wise man mad”

AND, BY THEY WAY, “a gift destroyeth the heart”; that's the rest of that verse.

IT DESTROYS JUSTICE TOO! Yeah! It destroys justice — hey, you wicked evil lover of darkness Merchan, how much are they paying you? Did you get your retirement funded? Well, you are going to need it.

I'm getting weary of this business that these people hate Trump, that it's some strange phenomenon called TDS — listen! This is about lovers of darkness, lovers of MONEY, this is about corrupt souls feeding their lust for power — this is what DEMON POSSESSED people do — this is what you get from leaders who bow the knee to the god of mammon — these are devil worshipping, lovers of the father of the lie — they are bought and paid for by Satan — how much, Merchan? How much did your daughter rack up with your racket?

What did they offer you? What was your price?

Barack Obama went into office worth 1.3 million; he ended his second term worth 70 million. I DEMAND TO KNOW THAT HE DID TO EARN THAT MONEY!

George Bush went in at 20 million and left with 40.

Bill Clinton went in with what Obama did: 1.3 million. Only Clinton left office with 241.5 million. What??? I know you were selling the Lincoln Bedroom for campaign donations — but now I wonder what was China paying you for the access you provided to China to our military secrets — during the YEAR OF THE RAT. Yeah! Got that book. A WWII war hero, a five Bronze Star recipient, sick to his heart at what Clinton was doing to this country, gave me the book — YEAR OF THE RAT!

What did China PAY the Clintons for access to our military secrets? He came into office with 1.3 million and left with 241 Million. I want an audit. I want to know exactly what the Clintons did to turn 1.3 million into 241 million in eight years.

George H.W. Bush, aka Daddy Bush, entered office with 4 million and left with 23 million.

Jimmy Carter went in with 2.3 million and left office with 10 million.

I WANT TO KNOW WHAT THESE PRESIDENTS DID TO INCREASE THEIR NET WORTH 100-FOLD WHILE SERVING THE PEOPLE —

Trump never took a check from the American people; he donated his salary every payday to some American cause—and he is the ONLY one who left office with less than he had when he took the oath: 3 billion going in, 2.3 billion going out.⁵ What is that, a 700 million dollar loss? In four years?

Who said, the only way anyone makes money in politics is if they are crooked! Here is it, Harry S. Truman, “You can’t get rich in politics unless you’re a crook.”⁶

⁵ <https://x.com/SteveLovesAmmo/status/1796217513216561183>

⁶ 988.0.1-Harry S. Truman ‘You Can’t Get Rich in Politics Unless You’re a Crook’ Meme – Truth or Fiction? <https://www.truthorfiction.com/harry-s-truman-you-cant-get-rich-in-politics-unless-youre-a-crook-meme/>

POLITICS HAS BECOME A MONEY MAKING RACKET, AND THEY DON'T LIKE TRUMP BECAUSE HE IS ABOUT TO BUST UP THEIR RACKET, AND HE HAS ENOUGH MONEY TO DEFEND HIMSELF.

It's not about IDEOLOGY — it's about MONEY. These people are not dedicated to any ideology. They use it to MAKE MONEY! They manipulate people with nonsense ideology if they can turn a buck with it!

It's not about anything so “noble” as belief in Democracy, or protecting Democracy, or defending the little guy — it's about MONEY and the political power they need to protect their god.

IT'S TIME TO CHOOSE THIS DAY WHO YOU WILL SERVE! MAMMON, OR THE GOD OF OUR FATHERS. You can't serve both.

Matthew 6:24 “No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.”

We need a new GOD in Washington Town! We need the GOD of our FATHERS — we need to tear down the idols to Mammon, beat down his altars, and destroy his worshippers.

It's a war between the gods! The gods of money-grubbing power lusting sycophants to Satan — against the MIGHTY GOD and FATHER of our LORD JESUS CHRIST.

WHEN WILL THE CHURCH BECOME SO EXERCISED ABOUT THIS THEY WILL “PRAY WITHOUT CEASING” — ACTS 12:5?

DO SOMETHING!

So, what does the Trump conviction mean?

It certainly means we cannot trust the justice “system” in the hands of unbelievers—in the hands of mammon worshippers.

Unbelievers are “no good.” That’s what the Bible says: Psalm 57:1. Well, let’s balance that out. There are “good and honest hearts” that have not yet embraced the Truth of the Gospel of the Kingdom, but they are truth-doers. Those who love darkness are certainly worthless, but there are some whose hearts sincerely “do truth”— John 3:17-21 and see Luke 8:15 (“But that on the good ground are they, which in an honest and good heart, having heard the word, keep it, and bring forth fruit with patience.”).

These will at least be honest and may be reasoned with. Lovers of darkness are beyond reasoning. I think they are rather like the Cretans — “One of themselves, even a prophet of their own, said, The Cretians are always liars, evil beasts, slow bellies” (Titus 1:12). The only thing to do with these folks is to “rebuke” them “sharply” (Titus 1:13). We are being run by Cretians (Cretan — Kree-tn). What is a Cretan?

Some are saying “justice has died” in America! I understand feeling that way, but I’ll explain why that is never true. So, be encouraged, patriots. Justice might be standing far off from us, but she is most definitely NOT DEAD! I’ll explain what we must do to get her attention!

Hold on through the break! I’ll be right back!

Friend, I blew a fight on through my usual break; I’ll address this some more Saturday Night at about 8 pm for the Brain Massage LIVE and in my Pulpit Sunday morning!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Some are saying the Trump conviction means “justice has died” in America!

I understand feeling that way, but I'll explain why that is never true. When we see what's going on with the J6 political prisoners and Trump, we wonder, where is Justice. I can answer that!

Isaiah 59:14 And judgment is turned away backward, and justice standeth afar off: for truth is fallen in the street, and equity cannot enter.

Justice might be standing far off from us, but she is most definitely NOT DEAD! I'll explain what we must do to get her attention!

First, TRUTH must be taken up out of the street and set back on it's Pillar.

Second, judgment must turn its face toward us and not its back.

Third, justice must move back in to our culture.

How do we get TRUTH up out of the street where it has fallen?

Learning brings knowledge, but not TRUTH. Pilate asked Jesus, "what is truth?" He had asked Jesus whether or not He was a King. Jesus answered: "Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice" (John 18:37). That's when Pilate said, "What is truth?"

He was not asking a question; Pilate was making a statement.

Where do you go to get TRUTH? Jesus came to "bear witness to the truth" — what did He say about it?

He made two very important declarations that together answer this question.

First, He said, "I AM THE WAY, THE TRUTH, AND THE LIFE, NO AN COMETH UNTO THE FATHER BUT BY ME" (John 14:6). Jesus said He was the Truth! Get Him right, and you've got the TRUTH.

The second thing He said about truth He said toward the conclusion of His physical presence in the world. When praying

for His disciples then, and future, He asked the Father to “Sanctify them through thy TRUTH, THY WORD IS TRUTH” (John 17:17).

Jesus is the WORD, the WORD WAS MADE FLESH AND DWELT AMONG US, AND WE BEHELD HIS GLORY, THE GLORY AS OF THE ONLY BEGOTTEN OF THE FATHER — HERE YOU GO — FULL OF GRACE AND TRUTH” (John 1:1, 14).

So, JESUS bore witness of the TRUTH, He told us that He is the TRUTH, His SPIRIT, or His BREATH, is the SPIRIT OF TRUTH (John 14:17; 15:26; 16:13), His SPIRIT breathed into the Scripture (the BIBLE) the words that reveal the TRUTH — 2 Timothy 3:16 — this is the WORD OF TRUTH — and the WORD OF TRUTH declares the GOSPEL of YOUR SALVATION (Ephesians 1:13).

Pilate could not figure out what TRUTH was because he refused the testimony that Jesus gave him.

This is the reason men can be “ever learning but never able to come to the knowledge of the TRUTH (2 Timothy 3:7).

TRUTH begins with CHRIST, and proceeds from there into His WORD — and the beginning of truth is when you receive the “word of truth, the gospel of your salvation.”
