DAVID'S STONE?

Original Air Date: 06.22.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

We just reached 37 thousand feet on a bumpy ride from Winnipeg to Denver. Coming home!!!

Bongino boils over on O'Riley! Never trusted O'Riley. He has called Bongino a "fanatic," Bongino calls O'Riley F#)% (F#*% (F#U#&@%F#U*~!!!¹⁰. Yep, Bongino went scorched earth on O'Riley.

Blood test before the debate? If Trump had demonstrated half the half-wittedness of Biden during his term, they would have 25thed (*Twenty-Fithed*) him long ago! What's going on? Several theories are floating about trying to explain the inexplicable: why did the *Demoncrats* ever throw in with Biden? I might as well throw my theory into the mix.

Will Johnson actually "do it"? Will he "pull the trigger." Will he take the DOJ to court and insist Garland honor their authority and answer their subpoena? I can tell you how to get justice. Give Garland the "Trump" treatment. I'll explain!

Okay, my friends, it's time for your brain massage.®

[TRUTH]

Bongino boils over on — whose that guy? Oh yeah, O'Riley! I never think about him and hardly remember, wasn't he on Fox at one time? Never trusted O'Riley. Lately he has ingratiated himself with

the Left by calling Bongino a “fanatic,” So Bongino calls O’Riley #)#%(#*%)(#U)#U%)T)#)@@U\$U\$\$UU#U#!!!. Yep, it was scorched earth on O’Riley. Bongino literally called him out!

No! I mean, you know, like in a bar room when some guy wont stop hitting on your girl and takes a swing at you when you tell him to knock it off, and he goes all Biden on you and says, “you wanna piece o’ me? You wanna take this outside,” and you say, why wait for outside, and you bust his nose open, watch his eyes cross as they roll back into his head so he is looking at his own stupidity, struggling to find his balance and, finally, the lights go out, and he collapses to the floor.

O’Riley is Biden—picking a fight with the bull-dog Bongino! [Boxing Bell to launch this segment in content].

Can you believe that idiot, O’Riley; he thinks the Democrats are “reasonable” and “rational” and would not want illegals to vote, and then calls those of us who know that’s exactly what the open borders are all about “fanatics”? Like Trump, Bongino is not the “target.” You are!

No, no, no, Mr. Brain Masseur — O’Riley was talking to Bongino! Think so? Really? You have not caught on yet? You still think this is about Trump, or Bongino, or Alex Jones, or J6 “insurrectionists,” or saving “Democracy”? If so, you are almost certainly not a regular Brain Massage® listener—so, stay tuned. Allow me to help you get this right!

Biden, and “I’ve never been proud of America” Michelle with his “America is no longer a Christian nation” husband—Biden’s clean black man—yeah, that’s what Biden called him—Hillary and her little boy Billy the RAT (read year of the Rat, the story of how Bill Clinton sold America to the Chinese Communists)—Soros, who betrayed his own people during the holocaust and, driven by greed and hatred has established a reputation for being the destroyer of nations, with America in his sights — fading fast toward eternity

and his “reward” — who knows, maybe he’ll pull a death bed conversion — then there’s Gates—you know Gates is still seething against America for what they did to him and his Microsoft Company—then there are the unnamed manipulators hiding behind Oz’ curtain pulling the levers, pushing the buttons, blowing their smoke into the mirrors they set up in the so-called mainstream media (more like the Marxist-Socialist-Media) — don’t forget inside trader Pelosi, and will of the people defying Newsome, and — well, it’s a long list!

These people hate America as founded (thank you Rush). They are all about reversing the Declaration.

These people hate the “white man’s Constitution” — you know the one that brought about EMANCIPATION — the end of Slavery?

These people are bent on destroying America as founded—oh, and protecting their hold on power to control the Federal printing presses—so they can print multiple BILLIONS and syphon off hundreds of millions into their own pockets with bewildering sleight of hand tricks — who can keep track of all that? I’ll tell you who, NO ONE! And there is NO ACCOUNTING for where all that money goes — it’s happening in CA too — one example: hundreds of millions spent on the Train that goes nowhere with NO ACCOUNTING to track their spending. I want a full accounting, and I want to know if they bought materials from China — supposed to be all USA, what do you want to bet China got their hands into the taxpayer’s pockets and Newsome, et al, got their hands in China’s pockets — YOU WANT TO KNOW HOW THESE CROOKS GET RICH IN POLITICS? YOU WANT TO KNOW HOW OBAMA went into the White House worth 1.3 million and came out worth 70 million?¹ How Bush I went in at 4 mil and came out at 23 mill, how his son, Bush II, doubled his net

¹ 991.11.2-Presidents' Net Worth, Before and After They Took Office <https://blog.cheapism.com/what-presidents-are-worth/>

worth, from 20 million to 40 million? [IBID], how Carter went in at 2.3 mill and came out with 10 mill. But these guys were pikers compared to Clinton: the Clintons went in at 1.3 million and came out with 241.5 million — yeah, how did that happen? What did these people do for this money. By the way, Trump went in at 3 Billion and came out at 2.3 Billion — a net LOSS of 700 million dollars. And he never took a salary check from the American People — that’s right, gave it all away. [IBID].

Oh yeah! It’s money, money, money, by the pound! — except for Trump, that is. He came out lighter than he went in.

What did these Presidents do to “earn” so many millions of dollars? I think the American people have a right to know what, exactly, did the Obama’s do to go from 1.3 million to 70 million in eight years while living on a Presidential salary? And, WHAT DID THE CLINTONS DO TO GO FROM 1.3 TO 241.5 MILLION?

I want a full accounting— let’s take a look at their tax records; I want full disclosure.

The Biden-Trump debates are coming soon! Should Trump demand a blood test before the debate?

If Trump had demonstrated half the half-wittedness of Biden during his term they would have 25thed him long ago! What’s going on? Several theories are floating about trying to explain what is inexplicable: why did the Demoncrats ever throw in with Biden? I might as well throw my theory into the mix.

I’ll throw that out in a moment!

Along with a related story: Will Johnson actually “do it”? Will he “pull the trigger.” Will he “light the fuse”? Will Johnson “throw David’s stone” at Goliath? Will he “thrust Phenhas’ javelin”? Will he “drop the hammer,” “fire the torpedo,” “zap the mosquito,” “zonk the Bidenistas, “El-Cabong” the Dems, “ACME rocket” the coyotes?

Okay, okay! I've run past the goal line on that one! Made the point at "throw David's stone"!

Well, will he? House Speaker Johnson said he would: "be certifying the contempt reports to the U.S. Attorney for the District of Columbia." He said, "We will also move to enforce the subpoena of Attorney General Garland in federal court."²

Brace yourself for a surge of outrage to explode like a Bongino boil — remember that the same Department of IN-Justice that prosecuted then Trump White House advisors Navarro and Bannon for refusing to testify against a legitimate President claiming executive privilege? Well, Garland has defied a Congressional Subpoena claiming "executive privilege," just like Navarro and Bannon did during Trump's presidency.

The corrupt Biden misnamed "Justice" Department has the audacity to explain why it refuses to prosecute Garland for contempt: "Consistent with ... longstanding tradition and uniform practice, the Department has determined that the responses by Attorney General Garland to the subpoenas issued by the Committees did not constitute a crime, and accordingly the Department will not bring the congressional contempt citation before a grand jury or take any other action to prosecute the Attorney General."³

The continued pressure on the Biden administration to release the audio of the Hur interview is based on the "Biden incapacity" argument, ruling that Biden is "GUILTY AS CHARGED," that, however, a jury is likely to see Biden as a "doddering, forgetful old man incapable of criminal intent."⁴ The increasing pressure on this

point is going to invariably push (actually, prepare the Bidenistas) for the inevitable: it is going to result in 25th Biden out.

It appears they are tooling up to bring Michelle Obama forward as the candidate to replace Biden. Or, some say, Kamala! You did notice she made some very public and very “political” moves lately!

While her office denies any intention to enter the race for President,⁵ she is sure busy going public with her political views weighing in heavily into this election cycle. She gives the keynote speech on the first night of the Democratic National Convention, opining on America in a speech the Democrats are hailing as oratorically powerful as her husband’s “iconic 2016 DNC convention address.”⁶ She is pleading for a “peaceful transfer of power,” and the importance that we preserve our “democratic traditions.”⁷ Her late foray into the public eye belies her 2022 statement insisting that “once our time is up, we move on.” [IBID] She is insisting it’s fantasy to say Democrats will replace Joe Biden,⁸ — but me thinks she doth protest too much!

The way these guys work, it would not surprise me if they were setting us up for Michelle to replace Kamala as a way of shoring up their base against the landslide of support leaving the Democratic Party and moving to Trump.

Okay, so here is my take on this!

First, I've been saying for months that Biden's doddering old man schtick was a ruse to prepare a soft landing for Biden's removal from office—if he loses the protection of the presidency, he wants assurance he will not be indicted on his crimes against America and his treasonous ties to the Chinese Communists.

We are watching as even the Democratic propaganda organization, called the MSM, is beginning to chip away at Biden's credibility as a viable candidate.

Is this their gambit—turn the “King” into a weak and worthless pawn, then sacrifice him. That's how DEMONcrats (the word means the rule of devils, by the way, and devils are, above every other evil thing, LIARS) but this is like Demoncrat political chess—weaken the King to the status of a sacrificial pawn—then retire him from the board. Total CHEATERS, and TRAITORS to our Republic.

Remember, the argument that was used to take the barbs out of the hook of justice and give that PIKER-Biden a fighting chance to wriggle off the hook, to slip the hook of justice was the doddering old man defense. This was the setup: Hur, the “special investigator” appointed to dig up the truth about Biden's gross violations of laws against absconding with top secret documents right under the nose of Obama, was the doddering old man defense. It's a new thing the Dems have invented.

Why? Biden has the Demoncrat Party in a pickle! They can't win with him; at least not legally! And cheating as outrageously as they did in 2020 is going to be a problem. Too many people are watching too closely — and Trump's popularity has grown exponentially as Biden's popularity continues to tank.

If Biden loses the protections of the Presidency, he needs someone to get in that will be motivated to protect him from indictment and prosecution. Are they creating a doddering old man defense for Biden. I think that's what is going on. Just in case he loses, they

can't afford to have him indicted on the very crimes they have attempted to manufacture and put on Trump. They are setting up an escape route. I wonder, what does Biden have on these people? Did they also benefit personally from the Biden crime family enterprise? Does he have something on them? What else explains why they even elevated him to the position of VP in the first place. The guy has always been a loser—and yet he keeps winning? How?

Remember, special prosecutor Hur concluded: “Our investigation uncovered evidence that President (alleged) Biden willfully retained and disclosed classified materials after his vice presidency when he was a private citizen.” However, because, “Mr. Biden will likely present himself to the jury, as he did during his interview with our office, as a sympathetic, well-meaning, elderly man with a poor memory, it would be difficult to convince a jury they should convict him — by then a former president who will be at least well into his eighties — of a serious felony that requires a mental state of willfulness.”

Okay, let's look at that for a moment.

FIRST, it may be demonstrated with irrefutable evidence that Joe was perfectly competent at the time he committed his crimes. And if they can juice him up to give a State of the Union speech, or his Naziesque speech threatening MAGA Patriots, or to debate Trump —they can juice him up to stand TRIAL FOR HIS CRIMES!

SECOND, since when did JUSTICE remove it's blindfold and bow to political pressure, and “appearances” — Jesus, the KING, said “judge not according to appearance, but judge righteous judgment” (John 7:24).

I can tell you how to get justice. Give Biden the “Trump” treatment. In Biden's case, you would try him in a MAGA friendly court, with a MAGA friendly JUDGE, in a MAGA friendly State with a MAGA friendly Jury.

That's all—folks! That's all! DONE! Biden is cooked. And not because I'm talking about tit for tat! I'm talking about what is becoming more clear every day. Democrats are diseased with corruption. They, as a Party, as a class, have none! Democrats today are sold to satan, sold to lies, deception, and perversity. It's true! Either as perpetrators of lies, and perversity, or as enablers of liars and perverts. I'm talking about behavior that for decades was understood as evidence of mental disorders because it was so obviously contrary to nature itself. Look, NO ONE WHO ACCEPTS THE IDEA THAT A MAN CAN HAVE A BABY IS SANE, THEY ARE MANIFESTLY DEMENTED; AND ANYONE WHO SUPPORTS THIS NONSENSE IS WICKED, AND BY DEFINITION PERVERSE. ANYONE THAT WOULD MUTILATE A YOUNG BOY TO ACCOMMODATE THIS SICKNESS IS SICK IN THEIR MIND AND DAMNED IN THEIR SOUL — AND IT TURNS OUT THAT IT'S ALL COMING FROM THE SAME ROOT THAT HAS PERVERTED DEMOCRAT POLITICS — THE LOVE OF MONEY!

The reason all you need to do to get justice is try Garland and the DOJ and Biden in a MAGA state, with a MAGA jury is because then you'll get an honest, just trial! MAGA folk will judge RIGHTEOUS judgment!

Yeah! THAT'S HOW YOU GET A FAIR AND HONEST TRIAL—GET SANE PEOPLE WITH A CHRISTIAN CONSCIENCE taking care of the trial — that's when you'll get a FAIR TRIAL agreeable to the CONSTITUTION.

You can go ahead and give a jury that's TRUE TO LAW, TRUE TO CONSTITUTION, TRUE TO COURT PROCEEDING PRECEDENT—YOU CAN GIVE THEM GENUINE, LAWFUL INSTRUCTIONS. You wont have a wicked, hell-bound hound, a vomit licking, muck rooting, money grubbing fiend of hell controlled attorney general making up laws, and a judge

disallowing valid testimony, and given convoluted self-contradicting instructions to a biased, I mean an OPENLY BIASED jury — that's what you get in a DEMOCRAT STATE, FROM A DEMOCRAT JUDGE. AND A DEMOCRAT JURY!

YOU CAN LET A MAGA JURY DELIBERATE FREELY, KNOWING THEY WILL OBEY HONEST INSTRUCTIONS AND WILL NOT COLLABORATE WITH THEIR MAGA FRIENDLY FAMILY, BY THE WAY! Remember, the New York Jury was given a long recess and I knew they were collaborating to shore up a certainty of conviction, and it came out that at least one of the Jurors violated the rules and talked to family about the case.

BUT TO GET JUSTICE, WE WON'T NEED TO WORRY ABOUT THAT, BECAUSE MAGA IS ABOUT THE CONSTITUTION, AMERICA AS FOUNDED, TRUTH AND JUSTICE AND THE GOOD OLE AMERICAN WAY — THAT'S WHAT MAGA AMERICANS BELIEVED...

Hold on through the break. I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Some of you might wonder where did Jerry's sense of humor go? I'll tell you where it went. It has become absurd to laugh at this any longer. Favor shown to the wicked only increases their boldness, and making light of it, at this point, becomes itself a sort of enabling of their wickedness. No! It's time that we got very serious about this situation and got focused on taking CA out of the hands of these unreasonable and wicked people and, after CA, taking the NATION from them. It's time for Christians to use their influence as salt and light to bring a piece of the peace on earth GOD offered to this world through His SON, Jesus the CHRIST of GOD — the KING of kings and LORD of Lords.

It's time we awake to righteousness — and right this ship before it sinks into HELL, where every nation goes that forgets God!

Now I'm on my flight from Denver to LAX and another layover before I get to Santa Barbara, and FINALLY HOME, where I'll produce this show and post it!

I want to know how Obama entered the White House with a net worth of 1.3 million and came out with a net worth of 70 million.

I want an audit! I want his taxes brought out for public scrutiny.

I want the Biden crime family investigated by MAGA Americans who will look honestly at his payola from Communist China. I want to know what he did for that money. I want that done NOW!

The World Economic Forum is hard at work, and Trudeau is a faithful servant to the Globalists. As you know, I was in Canada all week. I did not see any 15-minute cities on the Winnipeg River (Pointe Du Bois) while pulling out of that river a 28-inch Pike, but I understand “15-minute cities are now being rolled out in Canada — the city of Edmonton is about to be divided into fifteen “districts” as part of the “globalist push to roll out 15-minute cities” worldwide.⁹

Meanwhile, Muslim immigrants threaten Canadians: “Soon we will be in the majority because we have many children, and we will impose Sharia. We don’t want homosexuals in Islam.” Don’t you find it interesting that Trudeau and Biden et al. posture like they are all pro-Queering Canada and America, and yet at the same time, they cow-tow to the radical queer-hating Muslims? Do you think Muslims are leaving Sharia-controlled countries to find freedom in the West? Think again, friend!

The objective is focused on destroying Christian America and replacing it with their “secularist vision of utopia.” The only way to break America is to break Christianity.

Create an environment that will — use Queers and Abortion to break the spiritual power of Christianity, then the Muslims to destroy them all — the queers and the Christians. Wipe them all out to make way for the “Western powers” in the hands of secularists to rise up and destroy them all — the Muslims, the Christians, and American institutions of liberty and freedom.

They want to push America into hell to get her out of their way!
