DNC TDS — Evidence of panic within the DNC? Obama dissed by Biden and Harris? What's that about?

The Democrat's convention is an example of all the exuberance and enthusiasm that money can buy!

Let's take a look at Biden's farewell and the Harris launch!

My friends, it's time for your Brain Massage®:

[TRUTH]

DNC TDS — Evidence of panic within the DNC? Obama dissed by Biden and Harris? What's that about?

Biden was kept waiting to speak until well after his bedtime—he was supposed to take the stage at 10 PM Eastern but did not get to the podium until 11:25.<sup>1</sup> Variety reported that “attendees started

clearing out well before President [alleged] Joe Biden’s address,”<sup>2</sup> and many “delegates began leaving the hall as his speech continued.”<sup>3</sup>

Kamala was present for Biden’s speech,<sup>4</sup> but neither Biden<sup>5</sup> nor Harris<sup>6</sup> were present for Obama’s speech. Harris leaves her own convention to attend a rally elsewhere during Obama’s speech. What is that about? Obama dissed?

The DNC spent all their time attacking Trump. What’s that? Did I hear you say, “not *all* their time”? Well, let’s check! Hmmm. You are right. Always willing to receive correction when I’m wrong. Here are the facts. During Nights 1 and 2, Trump was mentioned 204 times. Immigration, including references to the border and fentanyl, 14 times. Crime was mentioned 16 times.<sup>7</sup> Ever use rounding when dealing with numbers? This rounds up to “all their time.”

[EXPLOSION: Point made!]

Then came the long-awaited Biden swan song.<sup>8</sup> I'll be careful and not say all he did was lie or say something like I heard a Harris campaign worker say. It went something like this: *I never heard a single truth statement come out of Donald Trump's mouth!*

They are always accusing Trump of lying! This started in 2015 during his first campaign. I asked, okay, tell me what he said that was a lie and show the receipts! The libs almost always muttered and huffed and puffed and walked away! Some boldly claimed he lied when he denied that he lied! And when I would press them for a specific example, they muttered, harumphed, and sputtered something; I sometimes thought they went into speaking tongues or something and walked away! I searched the Internet for any lie Trump told and found articles purporting to provide a list of his lies. I went over every single one, and not one checked out. Most were themselves outright lies. Most were premised on something Trump did, in fact, say — but it's not a lie to express an opinion based on the observation of factual data; it's a lie to assert something that is provably untrue. Like Biden, insisting Trump said White Supremacists are “very fine people.”

We've rarely seen a political personality half as truthful, and consistently truthful, as President Donald J. Trump!

Here is an article regurgitating a PolitiFact fact-checking hit piece on Trump.<sup>9</sup> In the opening paragraphs, PolitiFact tips its hand: they are willing to say Trump expressing an opinion that virtually every unbiased and reasonable person would agree is consistent with all

the facts we know about the event is a lie! But not challenge Biden and his entire entourage a pass when he spouts these ridiculous lies about Trump and MAGA Americans—the contrast could not be starker. It's the difference between the cliched “night and day,” “apples and oranges,” and “chalk and cheese” — hmmm, it must be a Wisconsin thing.

We have what Trump said on record, and we can all hear it and view the video of when he said it. The questions, doubts, and suspicions about COVID-19 and the 2020 election abound in the teeming umpteen—it's only slight hyperbole to say the doubts about COVID-19 and the 2020 election are innumerable!

So read the best compilation of Trump “lies” right here.<sup>10</sup>

Here is what you'll notice: 1. they confuse expressing an opinion based on observable or known facts with declaring an untruth with the specific intention of deceiving the people. For example, the article says Trump lied when he said, “The Democrats used the COVID-19 pandemic to ‘cheat’ in the 2020 presidential election” because they disagree with the opinion. So, in the liberal mindset, if they disagree with your opinion, you are a liar. And if you disagree with their opinion, you are a liar. It's heads I win and tails you lose. Want to flip for lunch? How about we flip for the presidency? Think about it!

The difference between Biden saying Trump called WWII fallen heroes “losers and suckers” based on an idle report of a Trump hater, without one shred of evidence, without one single corroborating witness, against the well-known fact of Trump's love and deep respect for the military, far surpassing anything we've seen from Obama, Biden, or Harris — makes it absurd to conclude it proves Trump is a liar.

<sup>10</sup> 1000.27.9-What PolitiFact learned in 1,000 fact-checks of Donald Trump - Poynter <https://www.poynter.org/reporting-editing/2024/what-politifact-learned-in-1000-fact-checks-of-donald-trump/>

It's evident that the man who is the liar is the plagiarist traitor who told us he never talked to Hunter about his business dealings when, in FACT, we have proof in recorded meetings and witnessed in-person meetings in which Biden participated in some of the deal-making Hunter facilitated peddling "Daddy's" influence. Oh, and we should include the proof that CCP-connected businesses funneled 27 million dollars into the pockets of Biden's family and associates. These are not lies — these are facts! These facts provide firm support for calling Biden a stinking liar — the Liar in Chief. And it's sufficient to refer Biden to the Department of Justice to be charged for Treason.

But almost every fact-check operation on the Internet is heavy on scrutinizing everything Trump says and very easy on Harris and company. They give Biden a pass on his lies, a pass on Hillary's Russian Collusion hoax—and, let's talk about the rude thing — they pounce on every sarcastic statement Trump makes, which are always true, by the way, and give Obama a pass when he describes God-fearing patriots as "God and gun clingers," or when Hillary calls us "deplorables," or when Biden describes MAGA patriots as domestic terrorists, or when they repeat ad nauseam that Trump intends to "destroy Democracy."

But Biden could not avoid using his favorite lies to attack Trump! Charlottesville hoax, even Snopes admits it's a lie.<sup>11</sup> The absurd accusation that Trump called our WWII fallen heroes losers and suckers, another myth perpetrated by Biden and debunked by the facts<sup>12</sup> — what a vile and filthy man — a LIAR — what an ignorant crowd — how evil do you have to be as a Party to knowingly support this continued deceit? I hold Biden, Harris, Obama, Pelosi,

Jill, Hillary, and everyone supporting this vile man responsible for these LIES.

The claim that 81 million American voters cast their ballot for Biden—LIE. Look at this illustration and see that nearly 90% of the country, in terms of counties, voted TRUMP!<sup>13</sup> Think about it! In 2020, Trump won 16 of 17 bellwether counties and lost the election. That has not happened in 36 years. Trump won in 2016 and received 12 million more votes in 2020 — more than any sitting president in US history; yet Biden came up with more votes than Hillary and more than Obama? Biden's campaign during 2020 was conducted almost entirely from his basement behind a mask while Trump was out engaging voters in masses of 10-20 thousand patriots. Biden inspired more Americans to vote than ever in US elections.<sup>14</sup>

If you think Biden and his 2020 campaign inspired that kind of voter turnout and 81 million votes for him in the context of all the shenanigans that we saw happen right before our eyes, I have to question either your sincerity or your sanity.

Only people conditioned to believe what the Party tells you, even when it flatly contradicts what you can see with your own eyes and understand with your own sound mind, must have had the same common sense lobotomy that it appears Don Lemon had. He can't find anyone in deep blue New Jersey and then Atlantic City who will vote for Harris. He talked to one man who told him he was voting for Trump and, when asked why, explained that he was making a lot more money under Trump. Lemon corrected him. "Lemon pushed back and said, "I know you feel that way, but that's not actually what the record shows; the economy was better under

Biden.” The voter laughed at this idiot while Lemon stammered, “No, I’m serious.” The voter then shot back, “Do you watch CNN?”<sup>15</sup>

There is a time to question what you see. Anyone who has followed Kamala’s career path and knows her reputation as a woman of ill repute—something Trump has never and probably should never bring up, by the way — but it’s a fact that we Californians all know only too well, her only claim to competence was aggressively locking up pot smokers and then later admitted, openly, that she took a toke or two over the line, and “I inhaled,” she said — with that trademark witchy cackle, waving her hands around, leaning forward and back and side to side like some stoner chic in a bar—you know, the easy type! Biden said she is a woman of “high integrity.” Ask Willy Brown’s wife! (By the way, Willie and his wife had been separated for ten years before.<sup>16</sup> They dated during his campaign but ended it in 1995. When Willy won the election to become San Francisco’s Mayor on December 12, 1995, and was sworn in on January 8, 1996<sup>17</sup> — Willy had at least enough sensitivity to have his wife hold the Bible on which he was sworn in.<sup>18</sup>)

Willy was 60, Kamala 29.<sup>19</sup> There is no sin in the age spread, whatever questions might be raised about what she was “digging for.” She did get her first political appointments from Brown — you could say he gave her a leg up in California politics.

Now, Kamala is running for President of the United States. She ran for the Presidential nomination against Biden, and, as Bill Maher said, you could count the number of delegates she obtained on one hand if it had no fingers.

She is cringy, and no one likes her. Her employees run from her — call her a bully, a tyrant — hmmm. She is India-Indian; I think her mother is Hindu; they believe in reincarnation, right? Or, wait, no, that’s transmigration, which is pretty much the same thing. Kamala is all for transgenderism! Hmmm! Is she a transmigrated transgender? Haha! Kidding! But, really, do you suppose she secretly self-identifies as a transmigrated transgendered Captain Bligh? Only Kamala “beats” her “slaves” when she appears in public unprepared and blames her staff when she is embarrassed when the fact is they attempted to brief her, but she could not be bothered with it.<sup>20</sup> But now, suddenly, she is a superstar beloved by all! Why, if Bligh had the magic Kamala possess, or is possessed of [?], he could have become King of England—and might have been more formidable than George.

Okay, I need to take a short break, and I’ll be right back!

The Democrat's convention is an example of all the exuberance and enthusiasm that money can buy! Did you hear the roar of the crowd receiving Kamala? Only people who can believe men can become pregnant, give natural birth, and breastfeed their babies believe Kamala earned the enthusiasm they put on display at the Convention. The "stage" at that Convention was extended to the back walls of that auditorium—a hoard of actors. How many were hired from Casting Networks Casting Billboard advertising for "Real People for Democratic Event"?<sup>21</sup> This appears to be a thing! Check it out!

Alas, they tried to do what they always do and accuse Trump of doing what they do!<sup>22</sup>

Back in the day, the left claimed Trump hired actors to cheer his announcement speech in 2015.<sup>23</sup> But the fact is it's a lie. And once again, you only need one eye and half a brain to know it's a lie.

We've all watched Trump rallies, and it beggars belief, clobbers the credulity out of the gullible but sensible, and strains the credulity of even the truest blue Dem that you know — even these insane people who deny reality surely would strain and choke, at accepting the idea that the 10s of thousands that flock to every one of the last

55 Trump rallies were hired supporters.<sup>24</sup> The idea that Trump needs to hire a cheering section is absurd. The idea that Harris would fill an arena with one is equally ridiculous.

I've cataloged all the lies Biden told during his speech, with Kamala nodding in approval, and the lies he has said and that Walz has told — and it becomes very clear that the Democrat Party is sitting four square on a foundation of LIES.

I have a word from GOD to Biden, his Border Czar, and Tampon Tim — Revelation 21:8 “All liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.”

And I also have a word of caution to all God-fearing patriots: DON'T UNDERESTIMATE THE POWER OF DECEIT — Matthew 24:24 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they should deceive the very elect.

And there is a prophecy that GOD will send “them strong delusion that they should believe a lie.”

The Bible says Satan wants a one-world government ruled by him through his human servant, with a worldwide controlled economy in which only those who pledge their loyalty to him irrevocably by receiving his mark in their right hand or forehead will be allowed to buy or sell. [IBID] Those who refuse his mark, name, or number will be killed.

He will go on a rampage, destroying one-third of the population of the planet.<sup>25</sup>

<sup>24</sup> 1000.27.8-Trump Rally Schedule | Events | 2024 - Election Central <https://www.uspresidentialelectionnews.com/donald-trump-rally-schedule/>

<sup>25</sup> Revelation 9:15 And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.  
Revelation 9:18 By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

That's presently 8 billion people, so one-third would be over 2.5 billion people.

John said the spirit of iniquity is already in the world (1 John 4:3); Paul called it the "mystery of iniquity" (2 Thessalonians 2:7). He explained that it's the spirit of the prince of the power of the air and that's Satan. His spirit works in this world through the children of disobedience.

Jesus came into the world and set in the world the bands and cords of CHRIST - the Messiah, the KING sent into the world to bring peace and GOD's good will toward men. His Spirit works in this world through the children of obedience.

Jesus set in the world His BANDS and CORDS which restrain the spirit of antichrist — it's His Holy Spirit resisting the activity of the unholy spirit of Satan.

The children of disobedience reject Christ and refuse to call Him LORD and submit to His rule. The children of obedience, of course, acknowledge He is Lord, that He died for our sins according to the Scriptures, was buried, and rose from the dead according to the Scriptures, defeating death and hell — and took the power of death from Satan freeing all mankind.

However, the wicked give themselves to the power of Satan, and so fight against the bands and cords of Christ.

My point is that we are to "try the spirits" to see which are of GOD and which are of Satan.

We can discern what spirit is at work by the direction it is moving nations in. Does the spirit of the Democrat Party move us toward submission to Christ's rule on earth or toward Satan's rule on earth? I think it's very obvious.

But here is the thing, my friend! We had best pay heed. We have never been so close, as a nation, to being cast into hell (Psalm 9:17), released to the power of Satan.

And we must not underestimate the power of lies to take control of men and women and blind them to the truth. When you watched that convention, you got a taste of it. Imagine for a moment just how utterly deceived those people have to be to be so caught up in obvious LIES in mindless worship of these liars!

When people worship the LIE, they worship SATAN, for he is a Liar and the Father of it (John 8:44).

You might have noticed, as I did, that Trump and Vance were a bit shaken by the Convention. I think GOD let them, and all of us, see what we are up against. This battle is a SPIRITUAL one — with the hordes of hell aligned behind the children of disobedience and the hosts of heaven WAITING FOR THE CHURCH TO GET ITS ACT TOGETHER!

I'll be in my pulpit this Sunday — please accept my humble invitation to come on out and learn about the relationship between the BIBLE and our BILL OF RIGHTS. It starts with the right knowledge guiding RIGHT ACTION!
