Brain Massage®: Show No. 1003

Haitians are doing Voodoo with Fluffy? /
Did Trump “take the bait” and let Kamala skate?

Original Air Date: 09.14.24

Segment.01 Hello. I’m Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Fetal Microchimerism (Micro-Ki’-Mer-ism) — you are in your mother, and she is in you!¹ Weird!

They’re eating our pets! Haitians are doing Voodoo with Fluffy? Bill & Hillary honeymooned in Haiti, and met with a Voodoo priest. That’s just weird!

Of course, we can’t let ABC get away with that guerrilla warfare ambush on Trump. That not-so-subtle Machiavellian assault!

It’s obvious. What they wanted was to provoke Trump into a meltdown, hoping he would become exasperated and walk off the stage or go into a rage or major rant—because, as Bongino says, it’s all about snapshots and sound bytes. They wanted at least one snapshot/soundbite of Trump going off on a tantrum they could use to discredit him for the rest of the campaign. But he kept his cool. Want proof? It’s coming!

Much of what needs to be said on this has been, but the Brain Masseur does have a few insights you’ll need to get the complete picture! Specifically, what’s with Kamala’s claim Trump invited the Taliban into Camp David; the whole pet-eating thing will be

discussed thoroughly, the crime numbers, and really, who won? Oh, and will Joe/Kamala launch a kinetic war with Russia

Okay, my friends, it's time for your Brain Massage®!

[TRUTH]

Fetal Microchimerism (Micro-Ki'-Mer-ism) — you are in your mother, and she is in you!²

A Chimera is an animal that is a mixture of different creatures.

In the Revelation we read about a creature described as a horse, wearing a breastplate of fire, jacinth, and brimstone. (Jacinth is Zircon, a highly refracting gemstone, sometimes mistaken for diamond, creating an undulating or wave-like appearance of light rising and falling, and brimstone is burning sulfur).

This lion-headed breastplated horse breathes fire and smoke and brimstone. It has a tail with a serpents head on the end.

This is a type of a Chimera. But this creature will kill millions with the fire from its mouths and the bite of their serpent-headed tails (Revelation 9:19).

However, the Fetal MichroChimera is different—it refers to the presence of living cells of the fetus (means little child) found in the body of the mother and living cells of the mother in the body of the fetus (means little child).

Apparently, these living cells are foreign to the hosts!

It was speculated that these foreign cells of the baby resident in the mother triggered autoimmune diseases. But what they have discovered is that these cells actually enhance healing. They appear in ALL MOTHERS — including those who have had abortions.

They're eating our pets! Haitians are doing Voodoo with Fluffy? It is said that Haiti is 70% Catholic, 30% Protestant, and 100% Voodoo.

Bill & Hillary honeymooned in Haiti, and met with a Voodoo priest. That's just weird!

It's even weirder than Walz purposely selecting the anniversary of the Tiananmen Square massacre for their wedding day and honeymooning in China.

The Haitians loved the Clintons until that “honeymoon” ended. Nine billion dollars in earthquake relief was raised after the Haiti quake in 2010, the one that killed over 200k Haitians, but only a small fraction of the money ever reached Haitian hands.

Here is the breakdown: 89.8% of the money, or 5.4BN, went to non-Haitian organizations; 9.6%, or 580 million, went to the Haitian government, and only 0.6% found its way into Haitian relief organizations. [IBID]

A lot of Haitians asked how much ended up in the hands of the Clintons, just sayin’.

I mean, we did find some “emails” indicating significant contracts for restoring Haiti went to FsOB — Friends of Bill.³

It's well known that Voodoo Haitians practice a ritual that involves eating cats.⁴ It's not so well known that the Clintons met a Voodoo priest on their Honeymoon in Haiti⁵—hmmm!

Of course, I have no reason to believe they participated in the Voodoo ritual involving the sacrifice of a cat, except that they did receive a wedding gift of a trip to Haiti from a guy having business

interests in Haiti, and it included attendance at a Voodoo ceremony.⁶ That was back in 1975, since then, the Clintons have developed significant personal and business interests in Haiti. [IBID]

So, I can't say whether Bill and Hillary danced around the tree till they were possessed by "the Loa" (according to National Geographic, that's "any of a pantheon of spirits" that run the universe).⁷ I don't know if Bill and/or Hillary fell to the ground convulsing in honor of the "chief god, Bondieu" (Bondye—*bon-yi*) [IBID.] But if they participated in a genuine Voodoo ritual, they definitely witnessed the sacrifice of a "sanctified chicken or other animal to the Loa." [IBID.]

By the way, the 2023 movie, *The Ritual Killer*, starring Morgan Freeman,⁸ provides an explanation of the relationship between politicians and businessmen and Voodoo—"people who pay for mooje (related to *mojo*) want power, riches, fame. I don't know if Bill and Hillary went to the Voodoo priest to buy some mooje—

But weirder things have been rumored about these two. So!

The point is rich and powerful people have had a keen interest in Haiti for many decades, and it's not all been about philanthropy—just sayin'! In fact, we can be sure the whole philanthropy thing was a cover for some other interests. Maybe greed to tap into their oil and natural gas resources, and maybe to get some mojo from the Voodoo priest? Well, we know that many have, but I don't know if the many included Bill and Hillary.

It does raise a question, though! Why has the left reacted so violently to reports that Haitians are doing Voodoo with Fluffy? Watch for this to be added to the free speech hit list—equivalent to misgenderism — hehe.

Why did Kamala's debate guard dogs lash out at Trump when he mentioned the concern? I've learned to pay attention to what riles the demons in the swamp creatures.

That takes me to the guerrilla warfare ambush on Trump by ABC News: that not-so-subtle Machiavellian assault!

Several times during the debate, I thought, "They sent these questions to Kamala in advance."

Well, what do you know? A whistleblower came forward testifying that ABC sent the debate questions to Kamala's campaign in advance—and also promised they would "fact-check" Trump. Mark Penn, a former advisor for the Clintons, is calling for an independent investigation into ABC News for rigging a debate.⁹ Why would he do this? Surely, he has seen the long list of mysteriously deceased FOBs — Foes of Bill! (Hmmm! Better watch your six on this one! Always "watch and pray" when dealing with snakes.)

Did you notice how quickly David Muir was on it when Trump mentioned the Haitian pet-eating story? He was anticipating this. Not only did the ABC News anchors for World News Tonight, David Muir and Linsey Davis,¹⁰ collude with the Kamala campaign to provide the questions up front, actually, it's more likely her team helped craft the questions, but I think they also had intel from

Trump's debate prep team. I mean, it's not like the DNC have never spied on Trump before! (Hehe!)

Oh yeah! Someone tipped off the moderators about what Trump intended to use and gave them a heads-up on Trump's intention to mention the Haitian pet-eating story.

Why else would David call the city manager's office in Springfield, Ohio, unless it was to find an "official" government source to deny the story?

But wow, what a major fail! Check out this testimony from someone who lived in Haiti.¹¹ Once again, these yahoos fall into their own pit.¹²

And look at this story out of Canton, Ohio.¹³ The reports of Haitians playing voodoo with "Fluffy" are coming mostly out of Springfield, OH, and I think this story out of Canton got confused with those coming from Springfield.

The establishment politicians and media claim the woman in this video (see here: <https://x.com/geotechwar/status/1833180978321170760>) is not Haitian. But is that the point? She ate the neighbor's cat! Look, we don't expect a lady who watches a crazy woman killing and eating her cat on her front walkway and who looks like this — see the video — she looks like a Haitian to me — I mean, if I heard the reports coming out of Springfield and

¹² Proverbs 28:10, "Whoso causeth the righteous to go astray in an evil way, he shall fall himself into his own pit: but the upright shall have good things in possession." Ecclesiastes 10:8 He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him.

saw this going on in my front yard, I would very likely make the same assumptions.

So, who do I believe? How many times has PolitiFact or Snopes got it wrong because they depended on the establishment narrative, the political “authorities,” and believed them above eyewitness reports or failed to follow up aggressively on those reports to get their stories right?

PolitiFact and Snopes, et al, deny the “Haitis eating Fido” reports are legitimate and, as per usual, they depend on the “authorities” rather than the testimony of the citizens in these communities.^{14 15} So, it’s about who do you believe.

Do you believe Democrat “government” authorities or citizen reports? Who do you believe is more likely to be motivated by political bias? You begin to understand.

But, if you want “authorities,” here is the Attorney General of the State of Ohio, Dave Yost,¹⁶ who made a public statement accusing the media of ignoring evidence surrounding those claims in Springfield that they are having their pets abducted and eaten.¹⁷ (You should watch this clip!)

So, there you go! The difference between the gang of three, Kamala, David Muir, and Linsey Davis, and our President, Donald Trump.

They don't believe the people; Trump does. They don't trust the people; Trump does.

I don't trust lying, cheating, and FAKE ABC News, but I do trust the President, who has never lied to the American People about his positions, policies, or promises. So, who are you going to believe?

For example, are you going to believe the lying politicians who claim the open borders are about compassion for pitiful illegal migrants who simply want a better life, or are you going to believe the multiple hundreds of reports from citizens being abused by these people, raped, robbed, assaulted—just today I picked up a story of truckers in CO being accosted by Venezuelan gang members shaking them down for protection money to park their rigs at Truck stops—add that to the apartment complexes being pirated by these people. And, yeah, that's happening too!¹⁸

Here is another example. Do you believe this missionary to Mexico¹⁹ who tells us he and his missionary family have first-hand knowledge that the Mexican Cartels are servicing some corrupt American politicians who are supporting their sex and drug-trafficking operations across our border? Or do you believe the “authorities” who deny these reports?

So you wonder, how is it possible the anchors for ABC's World News Tonight would pull this stuff and, when it is exposed, show zero remorse or even embarrassment?

Two things! First, their conscience is seared as with a hot iron. And second, they think they control the news, that, in fact, they ARE the news. Truth simply does not mean to them what it means to us.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Let's talk about scoring the debate!

There is Handicapping! Trump's a golfer; he understands handicapping. It allows inferior golfers to play competitively with superior players. But a Presidential debate is not a sports event, and besides, when you go to the majors, there is no handicapping. The Presidential Debate is the Majors, baby, and you don't get to play your handicap.

But then there is Handicapping of another kind — more like kneecapping.

Outright cheating: giving Kamala the questions in advance.

Fact-checking Trump when, at best, while a few of his statements might be said to be questioned by the LEFT, there is no excuse whatever for ignoring her outright and blatant lies.

Yes, Kamala did push to force CA taxpayers to pay for sex change operations for prison inmates.²⁰

²⁰ 1003.2.1-(3) Elon Musk on X/ "It's literally on video on the Internet 🤖" / X <https://x.com/elonmusk/status/1834102713208258793>

Yes, Kamala answered the question if she would ban fracking on the first day she was in office by shaking her head yes while saying, “There is no question that I am in favor of banning fracking.”²¹

And, Yes, crime has climbed precipitously under Biden/Harris.²² The DOJ crime report just released shows that from 2020-2024, violent crime is up nearly 40%, rape up 42%, aggravated assaults up 55%, violent crime with a weapon up 56%, violent attacks on strangers up 61%, car theft, up 42%, overall, the most serious forms of violent crime is up 55%. THIS DOES NOT INCLUDE THE MIGRANT CRIME AND RAPE that has overwhelmed our cities, especially DEMOCRATIC cities in recent months.

And there are more.

As for the Kamalies — they are legion! Can you believe these devils did not check Kamala on the Charlottesville hoax — what a witch. This “fine people on both sides” hoax has been debunked even by the LEFT fact-checkers.

The bloodbath comment — a total LIE! Trump’s stance on IVF — another COMMIE-LIE.

But, I must say, her insistence that Trump is going to implement the Heritage Foundation Project 2025,²³ without qualifying two things: one, he has flatly denied he has even read the think tank report, and two that Trump has laid out his own platform in detail, certainly justifies Trump saying she will ban fracking and go for our guns without mentioning that she denies that intention. Yet, Trump did mention Kamalie is now

denying these things. Now, who do you believe? Has Trump done or said anything justifying suspicion he is going to ban IVF, or implement Project 2025? Actually, no! Has Harris done or said anything that suggests she will support gun confiscation

Yes, Democratic Virginia Governor DID advocate for abortion to occur after the child is born.²⁴ And YES, babies are being left to DIE after a botched abortion in defiance of the LAW.

And, yes, some voodoo-practicing Haitians who are here illegally are absconding and eating their neighbor's pets. (Documented above.)

Rumors that the pearl earrings Kamalie wore during the debate look an awful lot like those worn as earpieces connected to the internet and by Bluetooth to an audio source are TRUE! Take a look for yourself.²⁵ You know these people! And you know Trump! What do you think?

Here is another report, an “inside report” from Matt Wallace: “ABC allegedly set up distractive lighting aimed at Trump’s podium to make him look left to right repeatedly during the debate and artificially increase his heartbeat.”²⁶

I’m done letting these people lead us about with their constant lies to make us equivocate over believing what we see. They can no longer hide the truth behind their smoke and mirrors games.

Put it together! Trump totally TRUMPED her. He beat back every one of their efforts to steal that debate, and GOD HELPING US, we will beat back their every effort to STEAL ANOTHER ELECTION.

Be wary of so-called CON-servatives that say TRUMP lost the debate but won the voters. All post-debate polls give the WIN to Trump! Come On! Excuse me! What is the PRIZE that goes to the WINNER of any PRESIDENTIAL DEBATE? VOTES! Did the voters move toward Trump or toward Kamalie? The momentum went to TRUMP! Even Biden proudly donned a TRUMP hat, you saw what happened when Biden-Kamalie walked into a group of firefighters after the debate. No one even NOTICED when Kamalie walked in, and the whole room erupted in cheers when TRUMP WALKED INTO THE ROOM.

Don't give me this bit about Trump taking the bait and missing opportunities to take it to Kamalie! Trump "took the bait" and let Kamala skate? No way! He eviscerated her! Kamalie won the debate? No way! He left her begging for a "re-match." The loser always wants a rematch. Trump is right! He already beat her on her turf, and against every machination they could come up with, every effort to kneecap TRUMP—FAILED!

They have only one play left—steal the election with illegals voting. Johnson, it's up to you to SHUT DOWN THIS WICKED GOVERNMENT UNLESS THEY ACCEPT THE SAVE-ACT.

Why should the American people keep PAYING for a government that DOES NOT REPRESENT THE PEOPLE? Shut it down! Not another DIME until they agree to save the integrity of the voice of the people! NO ONE WHO IS HERE ILLEGALLY SHOULD BE ALLOWED TO REGISTER OR TO VOTE IN THIS ELECTION, OR ANY ELECTION — do it! Stop the STEAL! Don't BETRAY the most fundamental principle of DEMOCRACY! SAVE THE VOTE or withdraw funding for this corrupt government!

What will they do if they lose? More on that Saturday night during the Brain Massage® LIVE this Saturday night — 7 PM.
