THE QUESTION OF VENGEANCE! /

WHY WE MUST PUSH BACK HARD ON COCA-COLA!

Original Air Date: 09.28.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

I watched JD's speech in PA and the Q&A with reporters that followed. My takeaways might make some waves! No worries, they're navigable! I've got so much to deal with here today, I'll touch on this Saturday night during the Brain Massage® LIVE podcast — probably about 7 PM. But I'll notify you when I am able to commit to a specific time. (Go to brainmassage.net to register for notifications.)

What about vengeance? Have you noticed the wicked on the left are already suing for peace; the wicked flee when none pursue, their guilty conscience tormenting them in fear that Trump will prevail, and they fear retribution for all their offenses against his liberties. I think they are attempting to manipulate him in advance to promise no vengeance. I hear Agag crying: "Surely the bitterness of death is past."¹ President Trump, give them Samuel's answer!

Raging Heathen alert: Coca-Cola does not like Jesus or Trump!

Let's see, a couple of things I want to touch on before we start! Here you go!

There is a plot to take out Trump's jet — Trump 1 — with a shoulder-mounted surface-to-air missile called MANPADS or Stingers. Here is a little snippet from an article published back in

¹ 1 Samuel 15:32 (Read the entire story! Selah!)

2022, Where Have All the MANPADS Gone!² “The CIA ‘lost’ several hundred Stingers, SA-7s, and Blowpipes in the 1980s, and Sweden admitted to inadvertently diverting a few dozen of their MANPADs to Iran in the 1980s as well.” [IBID.] I need to give this some more indepth research; hopefully Bongino, Jones, or Tucker will look more into this.

Bongino’s information is that these shoulder-mounted missile launchers are very rare these days and hard to come by. All my research confirms this, but one source, cited here, warned that the rarity of supply makes them a cherished commodity, easily hidden, and reserved for use only in the most extreme cases — perhaps like taking out the greatest threat to the Globalist agenda to rise to power since Reagan; an even greater threat to Deep State interests and the Military Industrial Complex than JFK. Just sayin’!

I’m trying to get you to watch and pray: how far will “they” go, and what are “they” planning? Myorkas is being increasingly pressed to explain his border policies and defend them against increasing evidence the Cartels are taking advantage of his policies to increase their sex and drug trafficking operations on our soil! He sits, smugly defiant, refusing to answer: suggesting he is fully aware of this fact and his inaction raises the question of his involvement—to put it nicely! To say it plainly, it appears Myorkas may well be on the Cartel’s payroll. But be sure of this: they have SOMETHING PLANNED.

Here is a report that America’s Seaport workers are planning a major strike to begin October 1. The Biden-Kamala administration appears to be toying with the emerging disaster like cat and mouse — not a word from Kamala! She is never asked about anything like this? Why? The dispute is over wages; the Longshoreman’s union is demanding a 77% raise in pay over the next six-year contract; the

USMX (This is the U. S. Steel Mining Company; archaic, but this organization represents shipping companies' interests) considers the demand unreasonable and offered a 40% increase.³ What's putting such intense pressure on demands for pay increases? Obviously, Bidenomics, you know, what Kamala is so proud of.

Why are Biden and Kamala staying so quiet about this?—I know of no public statements. Well, it could provide serious destabilization of the economy that they can blame on “corporate greed” —! Biden's transportation Czar, Buttigeg, has been talking to port authorities, but from what I'm reading, it appears to be way too little too late — that, or it's the strategy of this administration to do a Coca-Cola glitch that isn't.

Coca-Cola offered customers an option to “personalize” their Coke cans. It's an online thing: order five personalized cans, get one free. One catch — you can use Harris — 2024, but don't try Trump — 2024. Oh, and you can dedicate your cans to Allah or Buddha but not to Jesus.⁴ Coke claimed they fixed the glitch!

Okay, my dear friends, it's time for your brain massage.

[TRUTH]

What about vengeance? It's obvious that the Left is afraid Trump might pull this off, and their guilty conscience is in full alarm mode warning them they'll face recriminations for what they've done.

I think they are attempting to manipulate him in advance to promise no vengeance. I heard Hannity try this some months ago; it made me sick to my stomach. What a weasel thing do—try to manipulate Trump into promising no vengeance. To Trump's credit,

he made it clear that the issue has nothing to do with personal vengeance, but everything to do with JUSTICE.

The question came up on Gutfield, and of the four guests, only one had enough clarity on this issue to understand you cannot apply how we react to personal affronts to how we treat criminal behavior. Jesus said, “Turn the other cheek,” but that has no application to criminal activity. I have a paper on this called War And the Christian Ethos. Call or email me, and I’ll send you a PDF copy of that manuscript for free. It’s usually 5 on sale for 3, but you’ll get it free.

Anyway, Jesus’ statement to turn the other cheek does not mean if someone assaults you and puts you in the hospital, you are obliged to give the offender a date when he can do it again! You know, one of these illegals rapes you, so you say, well, let’s get our calendars out and set a date for the next time! Now, that’s a debunk on the silly notion that it applies to criminal behavior against anyone personally — when it comes to criminal behavior — the GOVERNMENT HAS ABSOLUTELY NO RIGHT TO TURN THE OTHER CHEEK OF A VICTIM BY USING THAT AS A PRINCIPLE OF ACTION WHEN DEALING WITH CRIMINAL BEHAVIOR. It has nothing to do with any individual — it’s about the LAW and JUSTICE.

NOW, on this business of VENGEANCE. God most certainly recognizes the need we all have for vengeance. He said, “O LORD God, to whom vengeance belongeth; O God, to whom vengeance belongeth shew thyself” (Psalm 94:1); and “The righteous shall rejoice when he seeth the vengeance: he shall wash his feet in the blood of the wicked” (Psalm 58:10).

God takes up the issue of vengeance — it belongs to Him. Ekdidesis - Strong 1557, that’s the Greek word translated *vengeance* in Romans 12:19, where we are told it “belongs to God.” In Romans 13:4, the Bible warns us that the “minister of God” acting under the

ordained POWER, or authority of GOD is a *revenger* to “execute wrath upon him that doeth evil” (Romans 13:4). The word *revenger* translates Ekdikos (Strong 1558 - one who carries out the judgment or vengeance of GOD against people that do evil.)

So we don't personally take up vengeance, but we most certainly turn it over to the divinely appointed REVENGERS.

These are men appointed to this work under the authority of GOD delegated to “powers” and “principalities” (Romans 13:1-6).

It does mean we are not allowed to take it into our own hands, privately, to satisfy a personal craving to get back at someone! But it does not mean GOD will not use the hand of man to execute His vengeance upon someone.

Saul was instructed to execute GOD's vengeance against the Amalakites. They were wicked, and committed an offense against GOD's people a few generations back, and because of their increased wickedness and evil, God determined they had gone beyond their space to repent and instructed His ordained authority, the principality of Israel under the appointed power of Saul, to execute His wrath upon them.

Saul went out to obey his instructions, but he stopped short of executing the penalty GOD called for. For one thing, he kept the ruler of these wicked people alive — he let Agag, king of the Amalakites, live.

God told Samuel He was weary of Saul and decided to fire him from being God's appointed power (ruler) over God's ordained principality.

When Samuel went to inform Saul that he was going to be replaced, Saul met him all happy and saying he obeyed all God instructed him to do. Samuel corrected him and delivered God's message. Saul was very upset and begged Samuel to stay. Samuel turned to him and ordered Agag to be brought to him.

You see, the real evidence of genuine repentance would have been for Saul to call Agag to be presented before him to face the execution of GOD's wrath appointed to Saul to deliver. But Saul did not do repentance well. He was only concerned about how he "looked" to the people, not how he looked to GOD.

When Agag appeared before Samuel, he simpered: "Surely the bitterness of death is past."⁵ Samuel said in reply: "As thy sword hath made women childless, so shall thy mother be childless among women." Then Samuel "hewed Agag in pieces before the LORD in Gilgal" (1 Samuel 15:33). Although Samuel mourned for Saul, he never saw him again.

GOD FORBID that President Trump should be Saul—. Let no saint for a moment think that he should be afraid of how he looks to wicked rebels, let him keep his eye on the JUDGMENT required to restore JUSTICE. Justice cannot return to our land until JUDGMENT is meted out against these wicked traitors.

Let's we, the people, say to those who cry: "Surely, the bitterness of death is past" — what you have done will be done to you! With one difference — you will face the JUST JUDGMENT of LAW for your CRIMES.

If GOD has mercy, and puts the sword of civil justice back into the hands of the righteous — THEN IT MUST BE USED AS ORDAINED — TO EXECUTE WRATH AGAINST THESE EVIL DOERS.

If it comes out to be confirmed that Myorkas, Biden, Harris, et al., have the blood of the innocent who are sex trafficked under their watch while they looked the other way, and those children who were killed by the traffickers of Fentanyl — let them face full judgment for their crimes, they must receive the full measure of

⁵ 1 Samuel 15:32 (Read the entire story! Selah!)

GOD's WRATH executed upon them by His ministers appointed to this business.

Okay, that's a lot to chew on! No more talk about tempering the wrath these wicked people have provoked by their outrageous treason and treachery and wanton disregard for the law of righteousness.

Someone, get this to Trump!

When Agag simpers, and whines, or attempts to chide, withhold not the sword of justice: be forewarned: "Cursed be he that doeth the work of the LORD deceitfully, and cursed be he that keepeth back his sword from blood" (Jeremiah 48:10).

Gather all who participated either directly or knowingly facilitated the abuse of our women and children, be executed to the fullest extent of the LAW. And the LAW for such should be DEATH!

Hold on! I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Why does Brain Masseur think this thing with Coca-Cola and the personalization of Coke cans is important for us to engage?

Coke claimed they fixed the "glitch." A glitch? Yiddish, *glitsh*. Adapted from a German verb that means *to slip*.⁶ We all use it; it refers to an unplanned, unexpected malfunction. Curious! Coca-Cola's algorithm filtered for political or religious figures and the only ones it screened were Jesus and Trump? Friend, that's not a

⁶ 1005.0.1-Glitch – Yiddish Warmth <https://www.yiddishwarmth.com/blogs/yiddish-jewish-dictionary/glitch> (Used in the 40s as radio jargon for a minor technical malfunction, in the 60s for a sudden electrical surge in astronomical equipment.)

“glitch,” that’s a program! I did not say *pro*-gram. I said *pro*-grom.⁷ No, Coke! This was not merely a glitch in a software program. This is nothing else but Naziesque soft-programing. This is how it started in Germany. The Jews were fully integrated into German society, and because they lived many decades in peace and friendship with their German neighbors, they dismissed the constant drone of Nazi propaganda that cast the Jews as enemies of the State. Even when Jews would suddenly and inexplicably disappear and began to be looked at askance by some, they blew it off as a passing bit of nonsense. Zvi Bacharach, a Holocaust survivor, remembered his parents blowing off the increasing insults from fellow citizens, the yellow armbands, and the demeaning Nazi propaganda, saying, “There’s no way the Germans we live with will continue to do these things. It’s only an episode.”⁸ But then it blew up on November 9-10 in 1938 — known as the *November Program* — we refer to it as *Kristallnacht* — the night the glass was broken. Very soon it was apparent that the attack had been planned in secret for many months — in only a few hours, the glass was shattered in hundreds of Jewish shops, 1400 synagogues were torched, Torah scrolls burned, Jews targeted, beaten: 30,000 Jewish men were rounded up and sent to the concentration camps, 91 resisted and were murdered. [IBID-<https://www.yadvashem.org/yv/en/exhibitions/kristallnacht/index.asp>]

You’ve heard this stuff, but I need to remind you that Obama’s Department of Homeland Security funded studies that identify conservative, patriotic, and politically active Christians as fitting a profile of potential domestic terrorists.⁹ This is the handbook

Myorkas uses, with the exception that he targets MAGA patriots. Here are two of these studies that have served as material taught to the FBI and the US Attorney's Office.¹⁰ & ¹¹. These Obama-era policies have permeated our FBI, the entire DOJ, and much of the DoD (Department of Defense); it has filtered down into virtually all our Bureaucracies and has shaped the current propaganda narrative of the government-controlled media.

No one can forget Biden's eerily threatening speech given against the Naziesque-Military-themed backdrop, calling MAGA Americans the single greatest threat to Democracy, and we've all heard the repeated and vicious attacks on conservatives who question the 2020 election, going so far as to collude with Russia to get FISA warrants to spy on an American citizen on American soil, making Watergate look like a Kindergarten project, and government intruding upon social media to censor our freedom of speech—claiming we only accept results we like—Hah! coming from the same people who questioned the 2016 election, refused to accept the results, and went so far as to attempt a coup against a sitting President.

If Americans, especially Christian conservative Americans, don't see that these people are preparing a program, you are "blind, and cannot see afar off."¹² In fact, these people can't even see what is immediately in front of them.

¹² 2 Peter 1:9 — "But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old sins." What is "lacked" is stipulated in verses 5-7: virtue, knowledge, temperance, patience, godliness, brotherly kindness, and charity.

Did you not SEE the state-approved riots during the “summer-of-love.” State-sanctioned mob rule!¹³ And can you not contrast that to the J6 riots? Now we know the J6 riot was instigated by Pelosi/ Department of Justice and their FBI operatives—there is no other reason explaining why “they” refuse to release the video or identify the agents who perpetrated this false flag to justify the wholesale rounding up and prosecution of perfectly innocent attendees—look how aggressively the Pelosi-Biden goons prosecuted grandmothers who prayed in the Capitol and how hard they worked to justify and protect the violent rioters in Seattle and Portland and LA, and in Walz’s Minnesota: beginning to get the picture?

The regime currently in power has tried everything it can to intimidate the normals and make them cow-tow to them in fear. The message is clear! Riot and create mayhem against normal, everyday Americans, and they will use the power of the government they’ve usurped to defend and protect you. Resist this devil, and they will deploy the full force of government power to squash you—like a bug, aye Whoopie? You like that, huh? Bzzzz, Bzzz — Splat!¹⁴ Hehehe! Wasn’t that cute how Whoopie represented Trump as an annoying bug and Biden slapped the table to the delight of all Lefties everywhere? Well timed, too, right Whoopi Goldbrick!¹⁵ Only a week after the second assassination attempt!¹⁶

¹⁵ The term is used to describe someone who is lazy, but the actual meaning is someone who is presented as something they are not—e.g., a “brick” (usually a bar of metal) painted to look like gold. <https://idioms.thefreedictionary.com/the+gold+brick>

(By the way, Biden sure looked “together,” didn’t he? No problems keeping his train of thought, just as “clever and quick” as “ever.” You are going to remember that the Brain Masseur told you Biden is a Devil, and the one thing he is good at is lying and grifting people in power. He is full of hate, just like Obama! These people would rather see America burned to the ground than face the consequences for what they have done.)

Look, let’s get serious! Be PREPARED for the planned November Proqram! I’m telling you that I think their last ditch effort will be to launch as many of the gang members, Chinese military, Islamo-terrorists, their Soros funded Antifa & BLM armies, and every lunatic lib they can to “go into the streets.” They are already running trial operations with illegals committing gross violence against our women and our small communities. I hope our city officials are paying attention and prepping.

Let me tell you what makes the American Christian patriot different from the hapless Jews of Kristallnacht: “In 2024, the number of firearms in America is likely over 466 million.”¹⁷ But California is one of the least armed citizenry in the Union. It ranks 43rd out of the fifty states in terms of percent of population armed: 28.3% for a total of 344,622 guns. Conservative patriots know why the Second Amendment was deemed critical by our Founders.

Jesus Christ is KING of this earth: the chief ruler over all earthly kings, prime ministers, or presidents.¹⁸ Every knee is commanded to bow to Him, and every tongue to confess that JESUS CHRIST IS

One of their own, once a favorite of Democrats, said, “The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants.”²⁰ Alas, Jefferson has fallen from “Democratic” grace, and Marx is elevated into his place.

I tremble for my country when I reflect on the question that troubled Jefferson then; although the context of the question has changed, the concerns expressed remain: "Can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are of the gift of God? That they are not to be violated but with His wrath? Indeed I tremble for my country when I reflect that God is just; that his justice cannot sleep forever.”²¹

Remember what it cost us to secure these divinely granted liberties — stand now for liberties under CHRIST your KING, or bow in fear to the dictatorship of Evil.

Will America continue to ignore the “Silent Scream” and the “Sound of Freedom”? Will America refuse to face the truth about our Federal government being coopted by sex trafficking Cartels—that Myorkas and Kamala, the Border Czar, have presided over the greatest increase in sex trafficking profit and product in history — that more than 300,000 children are missing, that it has been discovered that pedophiles have worked their way into child services and are facilitating the delivery of children to feed the

America must bravely stand up and REPROVE these works of DARKNESS, else become servants of the child trafficking elites and face your judgment. Write upon the stone: Treason! Treason against the great KING!

When the bands and cords of Christ are broken and cast off, it is the women and children and weak-minded and effeminate men that are delivered to the appetites of the Beast.
