Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

[TRUTH]

WHAT TIME IS IT IN AMERICA? — Is a Golden Age emerging? In some respects, it's like MAGA Americans served up microwave fast “Happy Days” — We certainly have great cause for cheer, but, beware!

Where did 20 million Democrat votes disappear to since 2020? Take a look at this chart (get my notes from brainmassage.net).

Response from the left: What happened to the Pelosi Promise to “ensure ‘that man’ Trump never steps in the White House again,”¹ and the Raskin²-Carville³ plan: Where the Democrat Representative from Maryland complained that because the SCOTUS refused to do it, it will be up to Congress to invoke the 14th Amendment that bars anyone who commits insurrection from holding office, and then we'll have to tell the “hordes” of violent

Trump Supporters he is disqualified, and then we will all need body guards and Civil War Conditions — what's that? Really? You are telling me this is not what he said because you saw a Fact Checker who told you Raskin did not say it will be up to Congress to disqualify Trump from holding office? Okay. Hear it for yourself. You tell me what he said.

[INSERT 15.RASKIN –]

And Carville has gone entirely out of his mind — claiming Trump will round up him and others into a paddy wagon, saying free speech will be gone, that men of color will be attacked — it's insane. Here is an HuffPost article titled: *James Carville Warns Trump Will Arrest Political Opponents In Expletive-Laden Rant*.⁴ Here is an article by Frank Bergman, published in SLAY, October 22, 2024 — “Clinton Strategist James Carville Claims Trump Will Arrest ‘Males of Color’ If Elected, Calls for Armed Uprising If Harris Loses.”⁵

Again, in case you think I'm exaggerating: decide for yourself.

[INSERT 26.CARVILLE IMPLIES CALL TO ARMS]

I've heard this sort of talk from bros bantering in jocular joust — (hehe) — but never have I heard any Republican leader talk like this on National media. Maybe the last time was when Thomas Jefferson said the tree of liberty must be refreshed from time to time with the blood of patriots and tyrants — but, you know, I'm just sayin'! What's that? You are right! I've quoted that quite often. What's the difference? You don't know? Really?

⁵ 1011.31.5-Clinton Strategist James Carville Claims Trump Will Arrest 'Males of Color' <https://slaynews.com/news/clinton-strategist-james-carville-trump-arrest-males-color-elected-calls-armed-uprising-harris-loses/>

Who is threatening to take away our First and Second Amendment protections? Carville's Party, that's who! Jefferson would be talking like this about the Democrat Party today!

So the Dems threaten to refuse to certify the election; predict riots in the streets, national mayhem — and Carville predicts that voters in swing states that vote for Trump will be swinging from “the end of a rope” [IBID-1011.31.2]. Got it all documented right here.

So, what happened?

It appears that the unDemocratic Party is standing down. They are going out of their way to give the appearance of accepting the election results, unlike the rubes of the MAGA movement in 2020 — for you know “they” are more civilized and cultured — “they” are above questioning the results of an election.

I know; it's enough to make you puke! Hillary Clinton never accepted the election results — the entire Democrat Party spent the entire Trump presidency trying to undo the election results of 2016. They stole 2020 in so brazen a way it exposed their hand and allowed us to see exactly how they have been rigging elections for decades—so we were able to be fully prepared this time and thank God for the diligence of Lara Trump, co-chair of the RNC, shut it down sufficiently to STOP THE STEAL! Can't wait to read that book!

But it seems quiet! Kamala copied Hillarities concession speech — why do Democrats always put up cackling female candidates? Listen to the Harris and Hillary concession speeches side by side — obviously plagiarized — but they talk about accepting the election results and supporting a smooth transition of power in the tradition of a truly Democratic and civil society.

Obama and Biden extended their obligatory congratulations — but the talking heads of MSM are the only incendiary GLOBALIST devices that are exploding. Yet, from Harris supporters in general,

have you noticed we are not seeing the examples of extreme distress we saw when Hillary lost—supporters stabbing themselves in their

bellies, or falling on their knees in agonizing, torturous primal screams

All we get this time is a whimpering Kimmel —

What's that? The woman who stabbed herself did that later, in 2019? Let's see! Yep, you are right! Here is one of many articles reporting on that story: "Florida woman stabs self, tells police she was 'tired of living in Trump's country.'" She told police, "I'm tired of Trump being president."^{6 7} TDS is a real psychological disorder—it's the Devil's delusion — no question about it in my mind! These people demonstrate the truth that Satan is the prince of the power of the air, THE SPIRIT THAT NOW WORKS IN THE CHILDREN OF DISOBEDIENCE" (Ephesians 2:1-2). One primary evidence of demon possession is the inexplicable impulse to self-harm! Yep! It's in the book!

But beware! Remember what happened in 2016. Same pattern! All conciliatory and nice, with only some murmurings and complaining, but when he was inaugurated, they went into total attack mode.

And remember 2020, the obvious use of ANTIFA/BLM to encourage civil unrest and riots in the streets while the Democrat leadership congratulated them and supported them — it was outrageous! It is not beyond the pale to suggest what I heard, and I think it was Lara Logan — that they'll wait till Trump is inaugurated because if they launch the nationwide attack on America now—if they trigger their terrorist cell groups now, if they signal their CCP troops embedded in camps on property owned by the CCP, some of it near and even next to Military installations — if they do that now it will be the Biden/Harris administration's responsibility to quell it — and they can't blame it on MAGA

because Trump won — if Harris won, that would be different, you see! But now they'll have to wait until Trump is officially in office — then they can blame it on Trump and make it his problem.

They can get some really great pictures of Trump jack-booted “Storm Troopers” beating up helpless protestors.

First, the election was a full sweep, a complete route — no way their leader, Xi, approves the use of his embedded troops for any operation that will bring the wrath of the “Sword of the LORD and of Trump” down on the CCP — and be careful about the rumors of Russian and CCP military superiority — and to make that clear, a Minute Man III ICBM Hypersonic missile launched from Vandenberg after polls closed here in California — yep, missile test on election night — and man, did that dude book! Woah. We watch missiles launch from Vandenberg regularly, and I usually have plenty of time to get outside to enjoy the spectacle — but this thing was already a tiny dot in the western sky by the time I got out my front door.

So, the win was not only too big to rig, but it was also too big jig — don't let them bait you into acting outside the law and so justify their ridiculous accusations and, quite literally, the trumped up expectations of Carville, Raskin, et al. Carville said he is sunk into a deep and dark tunnel — you make sure the only light he sees at the end of that tunnel is the TRUMP TRAIN coming to RESCUE HIM from HIS Depression.

It looks really good! Praise GOD! Raskin's plan won't work, the House is decidedly in the hands of MAGA, and so is the Senate! The Court, as Raskin observed, is safe from Deep State corruption. And right now, the Deep State is afraid that their “jig” is up! I think they will have to go into full retreat, sink down into their dark holes, and assemble in secret to “take counsel together, against the LORD, and against his anointed” to continue their plot to “break their bands asunder, and cast away their cords” —

Just, don't get too relaxed. Stay in "watch and pray" mode! Be ready for anything!

Hold On Through the Break; I'll be right back!

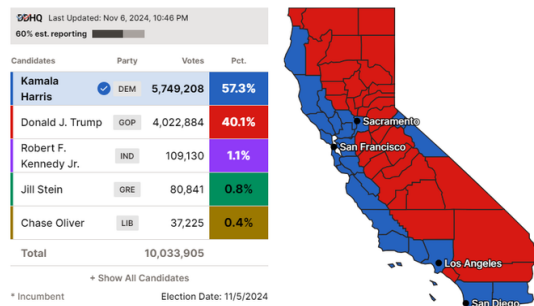

Segment.02 Hello, I'm Dr. Scheidbach, your Brain Masseur — let's stimulate the electrolytes in the gray matter and get the LIGHTS ON out there.

Jack Smith closed up shop, and is worming his way back into his hole. Yeah, dropped all his phony cases.⁸ Letitia James is pouting, and has been warned by Trump's attorney on that phony case she had better back off, or she'll end up in prison.⁹

So, where is Madonna¹⁰ screaming about envisioning bombs blowing up the White House?¹¹ In fact, where are the "stars"—It appears Harris' sky is empty! Oprah, Springfield, Beyonce, Roberts, and not-so-swift Taylor — maybe they'll join the "protest" planned for J6 or J20. I wonder if they'll all be staying low, though; I mean, Diddy ain't done dealin' — we prayed for full exposure, and we got it! All the perverts are outed! Well, at least those who interact regularly with the public! You can run, but you can't hide.

What do you think will be Trump's primary focus when he enters the Oval Office? He advertised it during his campaign: restore the economy, close the border, and deport the illegals. Don't mistake these campaign promises as indicating he has forgotten his 2020 pledge:

[INSERT TRUMP: 30.TRUMP - THE FINAL BATTLE]

He reposted this on his Truth platform in the week before November 5. "They" know Trump keeps his promises. I am concerned with the J6 protestors unjustly imprisoned and the drug, human, and sex trafficking facilitated by Biden-Myorkas—the pedo-network in America. I'll lay out what I'm calling the Alex Plan,¹³ although Jones said General Flynn has assured him this is the plan being put before Trump and assures us it is a priority issue for him.

It's all exposed to the point that we know it's happening. Even MSM has reported on the Cartels running drugs across our borders right under the noses of Biden and his "border Czar" Harris. A Senate report exposing the human, sex, and pedophile networks operating across our borders with the full knowledge and consent of the Biden-Harris administration—the Senate report includes testimony from whistleblowers working inside the Biden-Harris administration begging for someone to help them because they are being required to look the other way, required even to destroy records and make thousands of children disappear — many of them into the hands of traffickers.

¹² <https://x.com/Postcardstopa/status/1854372473262809172>

¹³ <https://x.com/RealAlexJones/status/1854595243888312797>

Jones has video of some of these perverts coming to collect their booty — the entendre is intentional — saying I'm here for my children, give them to me! We know drug trafficking is facilitated by secret agreements between key government officials and Cartel leaders, and we know who are the chief players — but they are shielded, at present, so Alex has outlined his proposed plan.

First, he is calling on the Trump administration to make it a top priority to attack the pedo-ring of power in DC. The CIA, the FBI, and intelligence operations in other Western countries have, for many years, worked with people like Epstein to seduce and entrap public figures into their control by blackmail — I would not be a bit surprised to find out Diddy is one of them! These people are so evil — and don't dismiss the adrenochrome thing as fantasy — Denzel Washington has added his voice to others in the "Industry" who are blowing the whistle on this evil! It's all coming out!

They've crossed a line — they are hurting the "little ones," JESUS THE KING IS COMING FOR THEM.

Get your rope and millstones ready!

This is something that provokes CHRIST THE KING to WRATH. Read what He says about those that offend the "little ones."¹⁴ Jesus warned that their angels constantly behold the face of the Father, that He watches over them, and would not that one of them should perish, He warns that any who offend one "of these little ones" would be better off with a millstone hanged on their neck and cast into the sea. [IBID.]

¹⁴ Matthew 18:10 Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven.

Matthew 18:14 Even so it is not the will of your Father which is in heaven, that one of these little ones should perish.

Mark 9:42 And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea.

Luke 17:2 It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.

God warned these evil rulers who mock Christ, His anointed, who deny Him and try to break His bands and cords — His restraints against these evil doers — He warned them — “KISS THE SON, LEST HE BE ANGRY, AND YE PERISH FROM THE WAY WHEN HIS WRATH IS KINDLED” — I see the fire kindled in His eyes as a flame of fire — I see them searching the hearts of these vile perverts, I see them fixed upon them and His countenance flaring to the strength of the noonday sun at the equator — I see the countenance of the KING flare — your judgment is coming —

TRUTH has been reset upon its pillar, JUDGMENT has been turned to the hand of the RIGHTEOUS, and is set upon the necks of the WICKED perverts who OFFEND THE LITTLE ONES — Justice is moving toward the Epstein clients, and the Diddy clients, and those that served themselves preying on young women and children are going to FACE THE JUDGMENT OF THE ALMIGHTY.

Myorkas was a former UN NGO official over “open border operations,” made head of the DHS by baby-eating Biden — oh, friend, the fire of hell is blazing and hungry for these vile traitors, not merely of America, but traitors against the HIGH KING — Christ!

We know that 325k were released into sex slavery; the Senate Report includes the names, the numbers, and where many of these children were taken. Schumer has been fired; Nancy cannot help them, Biden is removed, Harris lost, and no one can protect the PEDOPHILES anymore.

Trump’s priorities were declared back in 2020, reasserted in 2024 — he is coming after the perverts: Children, we are coming to liberate you from your slavers. It’s a second great Emancipation!

I say round them up, arraign them, indict them, try them, sentence them to be taken out to sea, within American waters, lined up at the edge of the Gerald Ford, set a millstone next to each one, tether

each one to their millstone, have their victims there, those who desire to do so, or their loved ones, let them push the millstone off the deck—make it a long rope, put it all on camera, watch suspensefully as the rope runs off the deck till — JERK — and the jerks are jerked to hell where they belong!

There is NO JUSTICE without JUDGMENT. Justice cannot be restored to our land until JUDGMENT is executed.

Okay, that's pretty heavy!

I'll lighten it up a bit — American style!

The Pelosi Poop monument was set up on the National Mall. It's a replica of Pelosi's desk, with a huge turd sitting right in the middle of her desk — her name tag if prominently displayed — I thought this was a joke. But after some research, at least as much as I've had time to devote to this, here it is, apparently someone got a permit to present this monument to former Speaker Pelousy. Check it out. Here!¹⁵ And Here!¹⁶ It's possible they secured the permit by presenting it as a hit on Trump — but they don't understand MAGA's sophisticated sense of humor. We “get it”! Trump dumped on Pelosi's desk and legacy! Exposed her for what she really is!

THEY CALLED US GARBAGE WITH THREE FINGERS POINTING BACK THE THEM. ALWAYS PROJECTING! ALWAYS DEFLECTING! BUT TRUMP IS GOING TO TAKE OUT THE TRASH AND FLUSH THE TOILET.

Why is Putin enthusiastically declaring the imminent emergence of a “New World Order”?

Putin approved a new foreign policy doctrine based on ‘Russian World.’¹⁷ Reuters explains it is “A notion that conservative ideologues have used to justify intervention abroad IN SUPPORT OF RUSSIAN-SPEAKERS.” What does that mean? Who are “Russian-speakers,” and what about Putin's doctrine inspires conservatives to intervene “in support” of it, or them? According to

¹⁷ 1011.6.1-Putin approves new foreign policy doctrine based on 'Russian World' | Reuters <https://www.reuters.com/world/putin-approves-new-foreign-policy-doctrine-based-russian-world-2022-09-05/>

Reuters, according to a 31-page Russian publication outlining and detailing Russia's "Humanitarian policy," Russia should "protect, safeguard and advance the traditions and ideals of the Russian World." [IBID] According to Reuters, it's a "kind of soft power strategy" that includes political and religious strategies that "some hardliners have used to justify Moscow's occupation of parts of Ukraine and support for breakaway pro-Russian entities." [IBID] Xi also talks about a New World Order and together they have forged BRICS (Brazil, Russia, India, China, and South Africa). In their latest conference, they added a + with plans to include Egypt, Ethiopia, Iran, and the United Arab Emirates, with applications coming in from Turkey, Azerbaijan, and Malaysia. They already represent more than 45% of the world's population, and 35% of global economic output. China is the gorilla in that room.¹⁸ What appears to be driving this is disaffection with America [IBID.]. However, there are tensions between these nations, most notably between India and China, and some of Russia's closest trade partners are not keen on Russia's invasion into Ukraine [IBID.].

The Vladimir policy statement justifies Russia's intervention in support of "compatriots" living abroad "to ensure the protection of their interests and preservation of their Russian cultural identity" [IBID.] The policy statement asserts Russia's interest in strengthening its "image as a democratic country striving for the creating of a multi-polar world" [IBID.]. This comes from Putin's angst about the 25 million ethnic Russians who, in what Putin called a "geopolitical catastrophe," "found themselves living outside Russia in newly independent states when the Soviet Union collapsed in 1991" [IBID.]. Putin asserts Russia's right to claim the countries from the Baltic to Central Asia as within its legitimate sphere of influence [IBID.]. Vladimir wants to increase cooperation

¹⁸ 1011.6.3-A defiant Putin closes global summit aimed at reshaping global order / NPR <https://www.npr.org/2024/10/24/nx-s1-5164502/putin-russia-china-north-korea-ukraine-brics>

with Slavic nations, with China, with India, and strengthen its ties with the Middle East, Latin America, and Africa [IBID.]. Well, let's see! Apparently, Putin wants Russia to be cozy with Latin America and our enemies in the Middle East but does not want Ukraine to enter NATO. Hmmm! It seems to me that Putin's multi-polar geopolitical alignment is a return to a world divided between multiple poles. Obviously, Russia would be one of those poles around which certain nations would revolve, and America would be assumed to be one of those poles, perhaps China — economically, BRICS would solidify as an economic block to compete with America and the West—Putin's vision of a New World Order does not appear to be in line with the Bush vision of an American Hegemony, however, though not stipulated, it's hard to believe Russia is not aiming toward a Russian one. He sees Trump as uninterested in ruling the world, or bringing the world under the American dominion, and sees the election as a turn away from American Imperialism. He is right!

You know that Israel never launched a series of wars to pound every nation in the world into Israeli dominance. But GOD elevated her to that status under Solomon. Solomon blew it, and so Israel lost it. The irony is that Trump is an America First nationalist who respects the sovereign integrity of other nations and fully expects each nation to serve its own interests — so long as doing so does not compromise the legitimate interests of the US. I don't think Putin has that in mind! It's hard for me to believe Putin is not committed to Russian dominance over the entire world. But, we'll see!]
