UFOs, EXTRATERRESTRIALS, AND THE BIBLE / THE EQUALITY ACT
& BIDEN RELEASES PEDOS

Original Air Date: 12.14.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

UFOs, Extraterrestrials, and the Bible! The Drone *thingy* is becoming increasingly concerning.

Wray is stepping down. Did he cop a deal? So, what's the deal?

What will the Deep State do to derail the Trump train this time?

Biden's pardons are all about Biden! You are going to be totally unsurprised about what this creeper is doing with pardons now.

My friends, it's time for your Brain Massage®:

UFOs, Extraterrestrials, and the Bible! The Drone *thingy* is becoming increasingly concerning.

By now, you have seen some of the Drone images — whoever is sending these up is intentionally drawing public attention. I've looked at a “plethora” of pictures of these things. Steve Skoj has collected a slew of them posted on his X-files.¹

Here is a summary of the facts as we know them at present:

1. They are large, commercial, industrial-sized drones, or what you would expect to be military-sized drones, described as car-sized, and some as large as a bus — and there are very many of them — described as “swarms,” appearing in multiple sets of what appears to be three moving in concert, or one larger one with multiple lights. One reported 12-30 following him while he

¹ <https://x.com/SteveSkojec/status/1867286811103338612/photo/1>

piloted a small boat. Too large and too many to be mere pranksters playing with their Drones.

2. As I pointed out, whoever is doing this wants to be seen.
3. Defense Secretary Austin III is navel-gazing. I don't know what else to call his response to this. Mute! Until pressure compelled him say something, do something! Here is what he did! He signed a paper: "A New Strategy for Countering Effects of Unmanned Systems."² Countering the "effects" of unmanned systems — really? What would those effects be? I guess we will find out if one of them delivers a tactical nuclear payload, or hits a target like a "Kamikazi" Drone — you know, the sort of "suicide drones" Russia is using right now in Ukraine.

This article tells us he has been concerned about this since 2021, and he just now got around to signing a piece of paper outlining "A New Strategy." [I am somewhat familiar with the standing protocols for addressing UFOs entering our airspace, especially when moving in and around the airspace of our military installations.

4. The Pentagon claims they are not our military or DoD Drones. They claim they do not know who is sending these into our airspace nor where they go when they've completed whatever mission they're on. They claim ignorance regarding any purpose they serve. One thing they "know" with certainty is that they are not Iranian, and there is no Iranian "mothership" just outside US Waters used as a base for these Drone missions. They "know" that. [There is NO WAY I believe for a moment these Swamp monsters of war don't know exactly what these drones are about.

- Really? They can satellite track a missile from space, but they can't lock onto any of these drones and follow them "home"?)
5. The DOJ and FBI are saying the same things we heard recently from the Pentagon—essentially, a shrug and a questioning look. But where are our Intelligence services, such as the CIA, NASA, or DNI? Mute! Not a word! We've heard NOTHING from Intelligence. So what's the White House saying? Essentially, what the Pentagon said — and then they began singing, "Don't worry! Be Happy!" And Biden toddles off to the nearest potty. One wonders: has Trump been briefed on this?
 6. We know this phenomenon is not limited to the US territory. Similar reports emerged in the UK — where drones were spotted over "at least four joint military bases in the United Kingdom."³
 7. We know the "excuse" we have heard explaining why our "government" has not responded to these Drones is bogus. For example, we can't just go up and shoot them down because 1. we don't know who is behind this or why (that is, it might be China, and we have to wait for permission from China-puppet-Biden before we engage them; or, we know it's China and Xi has told us to "stand down." I mean, while this is going on here, China is putting on massive and spectacular Drone shows in Sino Skies—Drones flying in formation with lights depicting 1000-foot men (soldiers?) running across the night sky? What message is?); 2. if they are equipped with explosives, we might trigger the explosives over populated areas if we engage them (foolishness: they are not occupying the skies 24/7, when they vacate, enter into and establish a presence in that airspace. When they appear and retreat, follow them and blow them to bits over the sea. As for escalation — I think that's no longer an issue. To send

menacing drones into our airspace without so much as a hello is not only rude — it's an act of WAR! China sent two spy drones over Taiwan only a few hours in advance of initiating military exercises around Taiwan. Are these drones an advance surveillance or a testing of their target — testing our defenses or will!

So, what do I make of this? Well, first, the whole interdimensional versus extraterrestrial thing should not concern you. The surprising thing is that we have more power over the will of Satan and his devils than we have over men. Truly, it's the children of disobedience under the influence of Satan that is our greatest concern.

So, briefly: a UFO, unidentified flying object, is any flying object you can't identify. Just because you can't identify it, or won't identify it, does not mean it crossed interstellar space to pay us a visit—either benign or malignant. As for extraterrestrial beings — that includes any sentient creature that is not indigenous to this planet.

As Elijah and Elisha were walking along, suddenly, a “chariot of fire” with “horses of fire” appeared and separated Elijah from Elisha. Elijah was carried off by a whirlwind into heaven (2 Kings 2:11). Later, Elisha and his servant were on a hill in Dothan when a host of the Syrian army surrounded them. The servant cried, “alas master, what shall we do” — this is in 2 Kings 6:15 and following. Elisha said “fear not: for they that be with us are more than they that be with them” (2 Kings 6:16). Elisha then prayed for the young man to have eyes to see what he saw. That's when the young man saw that the mountain was full of horses and chariots of fire protecting Elisha from the physical army.

Ezekiel saw what he described as a whirlwind, generating a cloud around it. Inside the cloud, he saw a fire infolding itself, bright lights swirling with the color of amber coming out of the midst of the fire (Ezekiel 1:4). As he continued observing this strange UFO,

he saw the appearance of wheels, decorated with ornamentation the color of beryl — and when this object moved it appeared as a wheel in the middle of a wheel (Ezekiel 1:16). He also described four living creatures associated with this craft, and they are clearly extraterrestrial — I spoke to this in my last Brain Massage LIVE where I have more time to develop stuff like this. The post date is 12-12-24.

I'll speak to this some more Sunday night, at 5 pm at the Lighthouse — 1310 W. Betteravia Road, in Santa Maria, CA.

I don't believe that's what we are dealing with here. But if we were, there would be less concern to be afraid. Our CAPTAIN, Jesus Christ, is the LORD over all powers — including the power of Satan, who is called the “prince of the power of the air.” The smallest saint can align him or herself under Christ's Authority, and in HIS NAME, resist Satan himself or any of his angels, and they will be compelled to FLEE (James 4:7). We have been given “power” over all the power of the enemy; we can crush them like scorpions or snakes — something to be done carefully, but may be done effectively if we war with the weapons he has given us — prayer and the declaration of His WORD.

I think, however, that these are physical phenomena! They are things, machines. The only reasons I can offer to explain how we are responding to this are as follows:

1. NASA, with the DoD, with the full knowledge of the Swamp Monsters of the Pentagon, are trying to set up a mass hysteria event. Trying to pull off an Orson Wells — drive enough of the population into a panic to justify declaring Martial Law and, perhaps, blocking the certification or, after that, the inauguration.
2. These jokers are trying to trigger WWIII to ignite now before Trump is inaugurated or soon after. This, they might hope, will keep him too busy to bother going after them. Seems plausible!

3. Current leaders of NASA, with the DoD, CIA, DNI, DOJ, and FBI, are staging for negotiation power with Trump to get “clemency” or “pardons” for crimes they have not even been charged with yet! In this case, it seems unlikely, but in this case perhaps these drones will be used against specific targets intended to cripple the US with the CCP poised to move in afterwards.
4. Or perhaps these are an enemy combatant — one thing that makes that unlikely is the fact that showing us their hand means they want to negotiate, and there would be no point in negotiating with Biden. Trump is not going to surrender America to them without a fight—so if they intend to fight, they would not show their hand.

Even so, we still have nothing to fear! Christ is also the LORD over all kings of the earth (Revelation 1:5; Ephesians 1:21, etc.). We are kings and priests unto God and ambassadors for Christ — these are official positions of rank under the KING, whose entry into the world we celebrate in a few days, and as this nation has come under the rule of an administration that acknowledges CHRIST is KING, and JESUS IS LORD, openly, and we as priests have access to His throne to petition His aid — we have every reason to hope He will have mercy, pity our shortcomings, hear our prayers and grant to us the protection of DIVINE PROVIDENCE.

The Bible tells us God has not given us the spirit of fear! That comes from Satan. If we respond to this with fear, we give ourselves to the power of our enemies. If we respond to this with FAITH, we overcome.

Okay, I need to take a break. I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the

enemy is on the march, an enemy that would steal from us our liberty.

Wray is stepping down as FBI Director. Did he cop a deal?

Let me say here that I pray GOD will give Trump wisdom and he will understand given these people any sort of “way out” of responsibility for their wicked treasonous actions would be a major injustice to the American People — not to speak of the effrontery it would be to GOD by whose grace he has been vindicated.

If not a deal, what’s the deal?

We know the Inspector General, Horror-wits, not trusted by conservatives, has now published his report on FBI involvement in the J6 “insurrection.” He stipulates that the FBI had 26 confidential human resources embedded among the protestors and that some of these went into the Capitol.⁴ We’ve known all along that some FBI resources dressed as MAGA protestors. But friend, remember, that every resource is assigned to an FBI agent. Horror-wits did not mention them. Deep State swamp-creatures always protect their own. And, hey, Wray, what about Ray!

Wray won't say who is Ray Epps; he stalled, hemmed, and hawed during interrogation like a slithering snake, avoiding the question of whether there were FBI agents or other FBI assets, such as confidential human resources (CHRs), embedded among the protestors.

This is one of the most guarded secrets of J6.

⁴ 1016.27.2-(19) Charlie Kirk on X/ "BREAKING/ An Inspector General Report confirms the FBI had 26 confidential human sources on the ground at J6 and that some of them went into the Capitol. Was this entrapment? Why did it take us four years to learn this? Criminal. <https://t.co/D1xSyifGdX>" / X <https://x.com/charliekirk11/status/1867273280224403694>

The IG report⁵ stipulates that three of these were “tasked by FBI field offices to report on specific terrorism case subjects.” The other 23 all decided to attend freelance?

Okay, names and faces. No more secrets about this. When you are using this event to charge J6 protestors for insurrection, you don't get to hide this information from the American people.

We don't trust you! You are a pack of liars. What's that? Oh, yeah, that's right. None of the J6 Protestors has been charged with Insurrection. ALMOST ALL OF THE 1700+ HELD IN PRISON RIGHT NOW ARE ROTTING IN THEIR CELLS THIS CHRISTMAS FOR TRESPASSING! FOR DISORDERLY CONDUCT! —WHAT ABOUT A PARDON FOR THESE, BIDEN? NO. BUT PEDOPHILES, NOW THAT'S DIFFERENT. I GET AHEAD OF MYSELF. CAN YOU FIGURE OUT WHY WE DESPISE YOU AND HAVE ZERO CONFIDENCE IN YOU OR IN YOUR WORD ABOUT ANYTHING?

Repeatedly, we were told there were no FBI assets at the Protest or in the Capitol. We've always known you were lying because of reports from the protestors who spotted some of you and outed you!

Like RAY EPPS. Remember him? Showed up on the FBI Most Wanted list, and then his face disappeared from the list when questions began to surface about his identity. They had to reveal his name because it was already published, but two others were mysteriously removed from that list whose names we don't have.

One wore an earpiece and was “filmed carrying what appeared to be a concealed handgun on his left hip.” [IBID] #GingerGun's face appeared on the list for over five months before it was removed

⁵ 1016.27.4-DOJ OIG Releases Report on the FBI's Handling of Its Confidential Human Sources and Intelligence Collection Efforts in the Lead Up to the January 6, 2021 Electoral Certification <https://oig.justice.gov/news/doj-oig-releases-report-fbis-handling-its-confidential-human-sources-and-intelligence>

“without explanation” — but it happened to be “the same day the New York Times reported that an FBI informant was at the Capitol on Jan. 6.” [IBID.]

How about this mystery, Mr. Wray: “A second unidentified man was filmed beating police officers with a baton during the riot. The FBI said the man was wanted for assaulting a federal law enforcement officer, but the agency removed the man from its most wanted list WITHOUT EXPLANATION in late February.” [IBID.] Online sleuths call this guy #HarleyJacketBatonMan.

But Epps, now this one is very intriguing, Mr. Wray. Epps was filmed “in the hours leading up to the riot urging Trump supporters to enter the Capitol to stop the certification.” And what’s really weird is that this guy has been fully outed, his whereabouts are known by the FBI, but he has not been arrested or charged for his actions. And it gets even weirder! It turns out that Epps was a “former head of the Arizona Oath Keepers militia group.” [IBID.] Excuse me?

Mr. Wray, you don’t arrest a former president of a group that has been on the FBI radar since Obama, the Oath Keepers, that your agency has associated with domestic terrorism, who was caught on film agitating J6 Protestors to enter the Capitol, who was with the first group of rioters to break through a police barrier on Capitol grounds?

But you put a grandmother in jail because she entered the Capitol to PRAY! The court sentenced her for “entering and remaining, and disorderly conduct, in a restricted building; and disorderly conduct and demonstrating in a Capitol building.”⁶ Her PERSECUTORS (prosecutors) wanted 10 months behind bars for the feisty granny.

⁶ This article absurdly denies that this lady prayed in the Capitol, explaining the charge does not stipulate “praying in the Capitol.” The article never answers the question of what was the “disorderly conduct” charge based upon. 1016.27.5-Was great-grandmother prosecuted for praying in Capitol Jan. 6? <https://wisconsinwatch.org/2024/04/capitol-assault-praying-great-grandmother-prosecuted-guilty/>

But the judge was under huge public pressure on this case and angrily reduced her sentence to 6 months house arrest, but only after berating her mercilessly from the Bench for exposing his ill temper to the world with her public statements.⁷

For other happy transition news: Sen. Lisa Murkowski, who confirmed all but one of Biden's picks, including Myorkas, Ketanji, et al, finally got our message. She has been under fire for her threats to oppose some of Trump's picks, and recently said, "The approach is going to be everybody line up. If you want to survive, you better be good. Don't get on Santa's naughty list here because we will primary you."⁸ The hubris of these RINOs is galling! Look, sweetie (is that demeaning enough for you?) no one is sending a list to Santa — we are sending a message to YOU!

We are done with Globalist Democrats masquerading as conservative Republicans. I'm glad you finally read the memo we've been sending you repeatedly for years. You, Collins, Ernst, and Romney are the RINO guard of the GOP. You voted with Collins for Rachel Levine, and you went merrily along with all but one of Biden's picks: you had the good sense to break from Collins on Becerra, but Ketanji "what's a woman" Jackson—really? So, yeah, I'd say the stars are aligned in favor of sense and sanity, and you are out of formation for the march of this ARMY.

We don't need to be talked down to by someone who foolishly put herself under the shoes of the MARCHING MAGA AMERICANS. That's on you! No more middle-of-the-road on the road of freedom. Choose a side, or be set aside!

So, Lisa, you don't need to concern yourself about receiving a box of coals and switches from Santee Clause — but you might be getting a pink-slip from the American people come next term. A little late to be waking up to the fact that the people you serve expect you to serve them and their interests, not you and yours. Mess around with our FREEDOM and find out!

What will the resistance do to derail the Trump train this time?

Obstruct and plant as many political roadblocks as possible. Biden has authorized the selling off of all border wall material at enticing prices to interfere with Trump's plan to complete the Wall. This guy is beyond petty! Daily, he proves my thesis regarding him as and angry, bitter, contemptible, disgusting...filling the definition of vanity. But the good governor of Texas is going to buy up the material and then donate it back to Trump to finish the wall!!!⁹

But most concerning is the Equality Act! Do all you can to send the message loud and clear to all our Representatives in the House and Senate to BLOCK EVERY ATTEMPT TO PASS THE EQUALITY ACT.¹⁰ This vile Act will

1. Forces the LGBT & Q agenda on every person and in every place, including in churches and religious schools, day cares, and shelters.
2. Embraces all 549 sexual paraphilias, as the “Q” — standing for “Queer” — includes pedophilia.
3. Forces churches, schools, and Christian institutions to hire, retain, and promote any of those “Q” perversions.
4. Requires schools, businesses, and churches to allow men in women's showers, locker rooms, dormitories, overnight stays, and sports.

5. Forces health care providers and hospitals to perform abortions from conception to birth, including dispensing chemical abortion drugs.
6. Requires public funding of abortion, hormones, and mutilating surgeries while mandating that private insurance and religious organizations pay for such procedures.
7. Revokes the Religious Freedom Restoration Act of 1993, thus stripping people of faith and religious organizations of a religious freedom defense to LGBT & Q and abortion.
8. Applies even to online spaces such as websites, social media, web hosting, and emails.
9. And much more ...

And the consequences for noncompliance will include the following:

1. Revoke tax-exempt status of churches and religious schools.
2. Revoke accreditation of colleges and universities, which will collapse most faith-honoring schools by ending student loans, hurting students who move on to graduate school, and shutting the door for law students to take the bar exam.
3. Result in massive, bankrupting lawsuits by the U.S. Department of Justice, the Equal Employment Opportunity Commission, and private individuals. [IBID. - Email Reference]

Biden's pardons are all about Biden! You are going to be totally unsurprised about what this creeper is doing with pardons now. No one has abused the power of the pardon like Biden.

He pardoned Hunter with language so broad it includes anything anyone MIGHT learn about in the future that Hunter did in service to his dad—to keep him quiet about his involvement in their pay-to-play influence peddling scheme — he has to protect his 23 million dollars in profits gained from the CCP, the Ukraine, and

who knows what S. Africa kicked back to him. But now he is using his power to release pedophiles. But not just any Pedo!

Are you ready for this? Biden, acting as President of the U.S., granted clemency to Shanlin Jin, “a convicted pedophile, who possessed a horrifying collection of 47,000 child pornography images, including videos depicting the brutal abuse of infants and toddlers by adult men.”¹¹ Shanlin, a “Doctoral student connected to [the] Chinese Communist Party” was sentenced to 8 years for child porn. [IBID.] (Here is a link to Biden’s White House statement on his use of clemency and pardons.¹²)

I need to wrap up the show today. Listen, in order to restore justice, judgment must be meted out to all who committed crimes against humanity, and crimes against the public LIBERTIES.

Proverbs 11:10 ¶ When it goeth well with the righteous, the city **rejoiceth**: and when the **wicked** perish, *there is* shouting.
