SANDCASTLES / THE SLAVE MENTALITY! / THE PLANNED
INSURRECTION!

Original Air Date: 12.28.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Castles made of sand go out to sea, eventually! We are still counting the sandcastles that were dissolved into ocean floor by the Red Wave that made landfall on Nov. 5th. Jesus said something about the folly of building on sand; did He not, now?

Why does multiculturalism always exclude American-Christian culture? Why is racism bad, except when it is against whites? Why are bigotry and prejudice despised except when the bigotry is against white, Christian, or males? And the biggest mystery is why whites don't care. Let's talk about the "slave mentality."

Demented Dems continue their insurrection scheme! Uncovered: A plot to refuse confirmation of the electoral college vote and force-install Harris. Who is behind this, really?

Fanni update: Judge rules Fani must testify under oath about her alleged misconduct in pursuing Trump on RICO charges.² (This has hit all news outlets!)

Oops! Apparently, Biden was a bit careless in his Hunter pardon. It only includes crimes committed from 2014 through his presidency. Turns out we have photos of Joe and Hunter meeting with Chinese President Xi in 2013.³

Once again! It sounded ludicrous to me, Canada, the 51st State. Together with the purchase of Greenland! Great LOL posts! Right? Turns out Trump is serious! Oh, and repossessing the Panama Canal too! Amazing!

Canadian business tycoon, Kevin O’Leary, wants to kick it around with Trump at Mar-a-Lago.⁴ Apparently, well, it says here that O’Leary said, that “at least half of Canadians are interested.” [IBID].

Okay, my friends. It’s time for your Brain Massage®!

sand will fall, only what's built on THE ROCK — which is CHRIST — will endure.

SOLID ROCK TRUTH — like God made man, “male and female,” created He them (Genesis 1:26-27).

Sandcastle fantasy: men can be women, women can be men, men can have babies.

A small wave at high tide carried it away!

SOLID ROCK TRUTH: All men are created equal and endowed by their creator with certain inalienable rights —

Sandcastle political theory: rights are enjoyed at the pleasure of government rulers.

SOLID ROCK TRUTH: governments derive their just privilege to rule only by the CONSENT OF THE GOVERNED.

Sandcastle fantasy: there are no such things as natural or God-endowed rights — all rights are contractual and defined by governments.

SOLID ROCK TRUTH: “The God of Israel said, the Rock of Israel spake to me, He that ruleth over men must be just, ruling in the fear of God” (2 Samuel 23:3).

Sandcastle-vanity: whoever holds the power defines justice, and men rule by cowering subjects to serve them from fear.

From Open borders, to releasing criminals onto our streets, to stealing the voice and vote of the people, to — you get the idea! All of these are sandcastles — and they will all fall, they'll all move out to sea, they'll all slip into the sea, eventually!

So, MAGA, keep sending the waves of TRUTH pounding these sandcastles till they become nothing more than ocean floor.

All we have predicted is coming to pass — but we are not yet fully rid of these “castles” of the perverts of Belgium. That might be a bit “inside” for some of you.

We are still counting the sandcastles that were dissolved into ocean floor by the Red Wave that made landfall on Nov. 5th. Jesus said something about the folly of building on sand; did He not, now?

Why does multiculturalism always exclude American-Christian culture? Why is racism bad, except when it is against whites? Why are bigotry and prejudice despised except when aimed at whites, Christians, or males? And the biggest mystery is why whites don't care. Let's talk about the "slave mentality."

I was asked once by a black man, in a friendly conversation, why don't whites get angry when we call them "white crackers." I said, well, I never thought of it before! And he said, there's my answer. Honkey, white cracker, these don't bother most white folk I know. We use a lot of stereotypical language — I think we understand it. However, this is changing.

Many "whites" have bought in to racial guilt-tripping.

Mario Nawfal calls Indiana University (IU), WOKE UNIVERSITY.⁶ The university provides a course called "Understanding Diversity in a Pluralistic Society."⁷ ⁸ It divides society into two categories: dominant identity and subordinate identity. Sounds like the Muslim system, or the Hindu class system.

From a "Christian" perspective, there are no set class distinctions. The only people who think in these categories are the ones that become concerned about how they are perceived by others. Anytime your "self-perception" is controlled by what you think others think about you, you are exercising a SLAVE MENTALITY.

⁶ <https://x.com/MarioNawfal/status/1872129111776186739>

⁷ 1018.31.1-Indiana University course teaches people are inherently 'oppressors' because of their race, sex, religion <https://nypost.com/2024/12/26/us-news/indiana-university-course-teaches-people-are-inherently-oppressors-because-of-their-race-sex-religion/>

⁸ From the University Web site: <https://socialwork.iu.edu/academics/course-descriptions/details/1/>

“THEY” (Ephesians 2:1-2—the children of disobedience operating under the influence and often the control of the antichrist spirit — always trying to push us into a “category” of “servant” to the ELITE) are trying to push us into a slave mentality. This is what happens when “others define you.”

Many whites are being beaten down into this slave mentality. But they are having a difficult time with Christians because their identity is founded upon the SOLID ROCK OF CHRIST’S LOVE — we identify in a “class” of people who are LOVED BY THE ONE TRUE AND LIVING GOD, and commanded by Him to love others also.

How has Black, or, to a lesser extent, Brown culture developed this “slave mentality”? First, not all have. If you engage with genuine Christians of any ethnicity, they don’t have, or they soon grow out of, that sort of slave mentality syndrome. The more they identify themselves as IN CHRIST, and CHRIST IN THEM, the more FREE THEY BECOME — that’s what the TRUTH DOES. It makes us increasingly desensitized to stereotypes and racial slurs. Christianity has that effect on all of us.

A whole lot of the current racial nonsense we are seeing on the LEFT is agitated by lies spat from hell into the hearts of these wicked people saying the reason for slave mentality is that long ago, some of our ancestors were kept as slaves, and so the slave mentality has been passed down. So they think the way to fix this is to artificially prop up those who have accepted the idea that they are lower, making them believe they are now the dominant identity and the former dominant identity group is now the subordinate identity group.

The Indiana University course requires whites to self-identify as oppressors. No kidding, white students in this class are required to “confess they are oppressors” — they are being forced to accept an identity imposed on them as oppressors entirely on the basis of the

color of their skin. There is zero reference to any behavior at all — you see, here's the thing.

We do not identify with people who kept slaves; we don't get our identity from anyone else. No one should allow anyone else to define them! You define yourself, and you don't do that by skin color—you do it by character.

What inspired me about King's statement was the Christian TRUTH OF IT! "I have a dream that my four children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character." I was twelve years old when I heard King give this speech and I can remember it like it was yesterday. The force of this statement had a huge impact on me, the justice of it, the simple, elegant TRUTH of the statement. I remember thinking, "that's right! No one should be judged by the color of their skin but by the content of their character."

It was and is a CHRISTIAN SENTIMENT. You won't find it in ANY OTHER CULTURE — I should say, you will not find it to be indigenous to any other culture. Sorry, it's just not there.

Do I think such a culture is superior? Yeah! And so does everyone else, even those who come up with stupid classes like this one at Indiana University. They believe it too! And yet they are hypocrites because they are framing all their judgments on the color of one's skin. Friends, what we are seeing here is NOT KING'S DREAM! It's the exact opposite.

The idea seems to be if we can just get the whites and the Christians and those who have worked through obstacles to achieve success in life to accept an identity created in the minds of people — sandcastle assumptions — then we can release people from the bondage to a subordinate identity. It will never work because one of the fundamental principles of Christian culture is that our identity is shaped by our faith in GOD, and His Son, Jesus CHRIST.

Okay, my friends; hold on through the break. I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

I trust you enjoyed a wonderful Christmas. Are you looking forward to a "happy New Year?"

I am too. Remember, however, the price of liberty is eternal vigilance.

"They" continue their insurrection scheme! In the Brain Massage® lexicon, the word "they" refers to the children of disobedience unless context reveals otherwise — it's a reference to the Psalm 2 "ragers" who rail against GOD and against His anointed—who reject Jesus Christ as LORD and see themselves as lords (See Jeremiah 2:31—and understand this is an affliction of mind that infects many who call themselves "Believers.")

Uncovered: A plot to refuse certification of the electoral college vote and force-install Harris.

The Leadership of the Demoncratic Party openly announces a plan to block the inauguration of Trump on J20 by refusing to certify the Electoral College vote on J6.

Now, that's actually OLD NEWS, but increasingly relevant as the day approaches. As late as yesterday (December 26, 2024), THE HILL published an article prepared by English Broadcaster, BBC Evan Davis and James Perse Enterprises President, David Schulte, both reputed as legal experts, outlining a "legal" path for Congress to refuse certification of Trump's overwhelming victory in both the popular vote and the Electoral College, thereby blocking his

inauguration⁹ and many want to allow the Congress to force-install what's her name — Ka'mala, Kama'la, COMMIE LAH LAH head— anyway. What do you think of that? Not my playful and teasing rendering of her name—the idea that the Democrat leadership is actually openly planning an insurrection against the vote of the American people. Besides the fact that they will surely muddy the waters with allegations that we did this too — a reason that we must get to the bottom of the J6 Fedsurrection! But setting that aside for only a moment!

Doesn't this show that they were the J6 insurrectionists all along? Here they are planning to do in 2025 what they falsely accused MAGA and Trump of doing in 2021. What a fitting conclusion to their coup!

They will use Section 3 of the 14th — claiming Trump committed “the crime of insurrection.”

How do they see this working? It's hard to take these nuts seriously, but seriously, watch out for the nut-jobs! Crazy people are dangerous! Especially those Mr. Bongino calls the smart dumb people.

Get a load of this crazy chic: Lillian Marie posted: “KILL DONALD TRUMP. KILL HIS VP, VANCE. KILL HIS CABINET PICKS. That is the only way to save the United States of America. That is the only way to save this nation. I lose if I stand by quietly. There is no victory condition for me if I stay quiet. I support the assassination of Trump.”¹⁰

⁹ 1018.27.4-Congress does not have to accept Trump's electoral votes <https://thehill.com/opinion/congress-blog/5055171-constitution-insurrection-trump-disqualification/>

¹⁰ <https://x.com/DefiantLs/status/1872385229207560517>

Sounds like a “manifesto”? Remember Squeaky Fromm—that crazy Manson family chic that tried to assassinate Gerald Ford in 1975.¹¹

So, that’s plan A. Alex says plan B is to unleash their mobs (Antifa, BLM, the militant Chinese, La Raza, criminal immigrants, the Muslim Jihadists—and launch what Raskin envisioned MAGA would do and create mayhem and “blood in the streets.”

These people are openly declaring and calling for Civil War.

What is concerning is the number of people who are taking this seriously. Like THE HILL: “Congress has the power to block Trump from taking office, but lawmakers must act now.” What do they have to do? Actually, that part seemed a bit fuzzy to me. I did read through the article pretty fast.

Essentially, the plot is premised on the same argument Democrat Representative Raskin used: “The Constitution provides that an oath-breaking insurrectionist is ineligible to be president.” [IBID]

It does not matter that Trump has not even been justly convicted for this crime. They continue to wrest the Sword of Romans 13 justice and attempt to use it to advance an agenda that is AGAINST THE AMERICAN PEOPLE. The Democrats consistently rule contrary to the PEOPLE — they are so full of hypocrisy it’s stunning! These are the same people who howled about Americans refusing to accept the results of an election! Well, that was vindicated by their vote on November 5, 2024.

Thank you GOD, for undressing these hypocrites and exposing their hypocrisy butt naked to the world!

[FOR BRAIN MASSAGE® LIVE: SAT. NIGHT, ABOUT 7 PM. The proof of his offense is the “fact” that he was impeached. Their argument, apparently, is that even though the House failed to get

¹¹ 1018.31.2-Charles Manson follower Lynette ‘Squeaky’ Fromme living life as a ‘very friendly’ neighbor in rural New York | Fox News <https://www.foxnews.com/us/charles-manson-follower-lynette-squeaky-fromme-living-life-as-a-very-friendly-neighbor-in-rural-new-york>

the 3/4 majority needed for removal from office, the fact that seven wicked Republicans sided with all the wicked Democrats to impeach is sufficient for impeachment but this is not criminal conviction — it's purely a POLITICAL action, not a JUDICIAL ONE — the Congress cannot “convict” it must refer their findings to the DOJ for criminal charges — In any event, the Constitution requires 3/4 for removal from office and they failed! The only way to pull this off is to commit TREASON against the Constitution and allow Congress to usurp the role of the Judiciary. So, they got a corrupt Colorado Judge to affirm their charge that Trump committed “insurrection according to the meaning of that term in the 14th amendment,” but SCOTUS reversed it. SCOTUS reversed it then, so what makes them think they will uphold such a ruling now? So this is what THE HILL considers “overwhelming” “evidence”: if SCOTUS overruled their effort to use this argument to keep Trump off the Ballot, how do they think SCOTUS will suddenly have a change of heart after Americans have overwhelmingly voiced their support for Trump? The same people who twisted the law into nonsensical pretzels in order to try Trump on a RICO charge are working on the legal language of the 14th to weave a spider-web argument to say Congress can use an argument SCOTUS rejected without interference by that curt on J6 because “counting the Electoral College votes is a matter uniquely assigned to Congress by the Constitution.” The argument is that “rejection of the vote on constitutionally specified grounds is a nonreviewable political question.” [IBID.]

Do you realize that the ONLY allegations of voter fraud in the 2024 election are on the Democrat side, and yet they LOST, and they LOST HUGELY.

To throw out the vote of the American people would be a blatant DISMISSAL of the CONSENT OF THE GOVERNED principle!

They have no qualms about overruling the vote of the American people. This truly is a battle for where the center of power lies in America. Is it with lawyers, today's "scribes" and the politicians, today's "Pharisees," or is it with the PEOPLE?

This is a question that will be decided by THE PEOPLE. Fortunately, at present, it appears SCOTUS is of a mind to support the will of the PEOPLE.

Although THE PEOPLE have very weak representation in the PEOPLE'S HOUSE — they considered it "Trespassing" for the PEOPLE to enter the House on J6, AND NOW THEY ARE GOING TO ARGUE THAT THE PEOPLE TRESPASSED INTO THEIR POWER BY ELECTING SOMEONE THEY DO NOT LIKE. I looked out over the horizon and saw a huge wave building "outside," and I'm calling it right now, OUTSIDE, OUTSIDE — 2026 is coming! We have not yet got their attention. They need another Clobbering. IT'S Clobbering Time!

I'll pick up the rest of this on Saturday night and in my pulpit this Sunday. [GO TO END if at 14 minutes.

IF THIS HITS AT ABOUT 14 minutes, close it down here.

accused of using his influence to push the Pharmaceutical companies to fast-track the vaccine causing them to release an entirely experimental, unproven drug on the populace under full immunity — the only saving grace for him is that he never approved of vaccine or mask mandates. This has never stopped the wicked lunatic left from pressing an allegation before, and it won't stop them this time, either. Get a load of this, “The cov19 jab is now CONFIRMED by the Nation's highest health agency to have killed people.” Attached is a report from a FOX news anchor saying “The CDC is now saying there have been enough cases of people who have had the vaccine, received the vaccine, and then suffered a stroke” so they will now open an investigation to query any relationship between the vaccine and strokes.¹⁴ Class, you can't just leap from an X-post to a conclusion! Be responsible! Listen, I get it. I recently confused Hanukkah with Purim! Haha! It did not compromise the point being made! This is a bit different because the CDC has not “confirmed” this, they only have decided to investigate. They've not yet “confirmed” anything.

The noose is tightening on child and sex trafficking!

[While we are looking at X-files that trigger a jump to conclusions, here is another one.¹⁵ But this one is a bit hazy! John Eisenman lost his daughter to sex trafficking and took matters into his own hands, tracked her down, and rescued her. After she was safe at home, Mr. Eisenman and Brenda Kross killed the man they believed had sold their daughter into sex slavery—her 19-year-old boyfriend. The article is clearly written to support the prosecutor's case against Eisenman and Kross, who were convicted of first and second-degree murder, respectively. I say this because nowhere does the

article explain why Eisenman believed his daughter's boyfriend sold her for \$1000. Where did they get this information? That's a huge and obvious question that this reporter ignored. Why? Playing a bit of Holmes — it would seem likely he got this information from his daughter.

Eisenman and Kross could not produce convincing evidence that the boyfriend sold his girlfriend into sex slavery, but the reduced sentence plea deal seems to suggest they had reason to think this provide justification to mitigate the sentencing — why didn't Eisenman report this kid to the police and press charges? Wouldn't his daughter's testimony provide ample basis for a trial? So, you see what happens? You read this, and at first, you think it's another Daniel Penny story, and you want to pin a medal on this guy. Look a little deeper, and you realize the picture is not nearly so clear as it appeared. Was this a Daddy whose daughter lied to him to cover her own dalliance? Did she know her father's predilection for violence? I mean, there are a lot of questions left unanswered by this journalist or purposely left out — and, by the way, that can happen because of word length restrictions, so this one is inconclusive.

[359,000 children on the FBI's missing children list since 2022. I'm going to summarize an interview on TruthJustice with Anneke Lucas, who testifies to having lived as a child sex slave to David Rockefeller. She was "inducted" into this world at about 9 years of age and kept for about five years. Honestly, I'm not sure how to corroborate this testimony, partly because she is so reluctant to name names. She works with abused children, and her philosophy is to focus on healing the victim rather than exposing the criminals to justice. This often comes from a delusion regarding justice, confusing it with personal vengeance. Justice is not about satisfying a desire for personal vindication; it's about administering the "evil" that counters "sin." A couple of resources to check out if

you want to look more deeply into the work of Satan among some of the most perverse people on this planet.¹⁶

Why you must take care when speaking of what these people do in secret.¹⁷ Quite a few biblical warnings to consider. Here are a few.

Ecclesiastes 12:14 For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil. And 1 Corinthians 4:5 Therefore judge nothing before the time, until the Lord come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts: and then shall every man have praise of God. And Matthew 10:26 Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known. And Luke 8:17 For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.]
