THE EVIL THAT GOD CREATES / I BEG YOUR PARDON!

Original Air Date: 01.18.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Our special day has been moved indoors. The forecast is 25 degrees for the 20th. Trump posted the announcement on Truth today: "It is my obligation to protect the People of our Country but, before we even begin, we have to think of the Inauguration itself. I don't want to see people hurt, or injured, in any way. It is dangerous conditions for the tens of thousands of Law Enforcement, First Responders, Police K9s and even horses, and hundreds of thousands of supporters that will be outside for many hours on the 20th. The various Dignitaries and Guests will be brought into the Capitol. This will be a very beautiful experience for all, and especially for the large TV audience."¹ [sic]

Other good news, Barack and Michelle, AOC, Pelosi, Kamala, and a host of others that reek of the stink of corruption have said they do not intend to attend. Like those corrupted bureaucrats threatening to "quit" as Trump's team moves in — saves us the trouble of having to assign a team to follow them around, spraying fragrance over them to counter the stench.

Let's see what we have for you today!

Okay, after I lay out the divine principles of evil and a biblical definition of wickedness—we'll dig into relevant news.

Biden “ratifies” the Equal Rights Amendment?² Really? The President has no role to play in Constitutional Amendments.

Greenland: The Danes have released Greenland to decide whether it will throw in with the US. The Prime Minister of Greenland, knowing the value of Greenland to the US, is stiffening—holding out for a better offer? Hmmmm!

The Tom Homan tank is rolling, and traffickers are in his sights.

This is cool! Trump has named Jon Voight, Mel Gibson, and Sylvester Stallone as “Special Ambassadors” to Hollywood.

I Beg Your Pardon: Biden went Pardon happy and put up a stink cloud over that honorable tradition. The latest from Biden is the release of 2,500 drug DEALERS. How much did Biden's staffer get for that list begging Presidential Pardon? And what kickbacks went to Biden? I mean, it's not like he has never “sold” influence and access before!

Will we get election integrity restored during the Trump Administration? I'm sick of these stolen election deniers — who NEVER ADDRESS THE EVIDENCE.

Okay, my friends! It's time for your Brain Massage®:

Did you know that the Bible says God “creates evil”? It’s in Isaiah 45:7: “I form the light, and create darkness: I make peace, and create evil: I the LORD do all these things.”

God creates evil, but He did not create sin — that is, He did not bring sin into His creation. Some aspects of God’s physical creation are not directly created by Him; time and space serve as examples. Nowhere in Genesis 1 or anywhere else in the Scriptures does the Bible state that God created time or space. These elements appear indirectly in connection with the creation of matter and motion.

Imagine nothing! Only God! God, as we all agree, is timeless and boundless — He inhabits eternity!³ When God CREATED the Heaven and the Earth, He placed into nothing something.⁴ Immediately, this brought into being both time and space. Time measures a sequence of things occurring within eternity, and it’s measured by the movement of objects through “space.” Space is the area between objects or between any two points on any object. And that’s all folks! It is used to define the area within and between objects. Neither time nor space has any objective existence independent of matter and motion.

Sin is also something that comes into being as a natural consequence of something else being created. In this case, it’s the creation of another person, a being with personality and free will, or volition.

GOD, by virtue of His being GOD, is the ultimate standard of perfection, and so anything contrary to that standard is necessarily a degradation. All creation was Created perfect, but if anything in creation deviates from its Created condition, it has been damaged — and downgraded.

³ Isaiah 57:15 For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with him also that is of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones.

⁴ Genesis 1:1 “In the beginning, God created the heaven and the earth.”

A perfect being, created by God, is described in Ezekiel 28. This being was the covering cherub; it covered the Throne of GOD.⁵ This being was “perfect in all [his] ways until iniquity was FOUND in [him]” (Ezekiel 28:15).

The iniquity was not “put” there; it was found there. It appeared when this being, and of course, by now you know it is Satan before his fall, which is described in Isaiah 14:12-15. GOD resists the proud, and Satan arrogantly proclaimed he would be “like the Most High.” God created darkness in that moment and cast Satan into that darkness.

The prophet explains that this happened when the covering cherub set his affections on his merchandise, which filled him with violence (Ezekiel 28:16), and the ultimate end of this being is prophesied in Ezekiel 28:17 and following, and in Revelation 12, and 20.⁶

So, in fact, the “love of money” is at the root of “all evil.”⁷ It’s easy to see the New Testament connection of money to “merchandise,” and to coveting. Covetousness is the sin of idolatry (Colossians 3:5). Whether the “idol” is yourself or some other object in Creation other than the CREATOR.

So, where does “sin” come in? Any action contrary to the will or offensive to the nature of our Creator is sin. Evil is the necessary

⁵ Ezekiel 28:14

⁶ Ezekiel 28:17-19, “Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee. Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee. All they that know thee among the people shall be astonished at thee: thou shalt be a terror, and never shalt thou be any more.” See Revelation 12:3-4 and 20:1-3, 10.

⁷ 1 Timothy 6:10 “For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.”

response of a holy GOD to sin — since sin can be nothing else but degradation and so damage to His creation. Sin opens the door to evil.

All who sin invite EVIL in. It operates in some measure like other invisible laws of nature: gravity, for example. Leap from the pinnacle in a vain assumption of God's protection, and you will find that you will come to a very evil ending.

That's all I have time for on this for now, but the point is, people who tolerate sin accommodate EVIL in this world.

The CREATOR has said ANY MAN WHO WILL RULE OTHERS MUST RULE JUSTLY IN THE FEAR OF GOD. “The God of Israel said, the Rock of Israel spake to me, He that ruleth over men must be just, ruling in the fear of God.”⁸ Otherwise, these rulers will bring much EVIL into the world — as we have ample evidence over the last few decades.

Every person who tolerates sin accommodates evil, and this will, in time, turn them into an embodiment of evil. Biden is EVIL. Pelosi is EVIL. These people endorse sin against GOD, and so have become servants, or what the Bible describes as “evil doers.”

The job of the “minister of God” appointed to this work is to execute wrath against these evil-doers by applying the “sword of judgment” appointed by God for this purpose in order to serve JUSTICE. Trump is the “minister of God” to us for good to execute wrath upon these evildoers in order to restore justice to our land.

Pray neither he nor any of those appointed to manage the civil sword of judgment will be turned from their divine appointment. JUSTICE MUST BE RESTORED in America!

⁸ 2 Samuel 23:3

The sword of judgment is divinely appointed to His “minister of God” to execute divine wrath upon these evil doers.⁹

Got it?

Biden “ratifies” the Equal Rights Amendment?¹⁰ Yeah, this joker gets up, and all official, he announces the Equal Rights Amendment ratified! Really? First, the President has no role to play in Constitutional Amendments.¹¹ Second, the requirement for ratification is three-fourths of the States, and Congress set June 30, 1982, as the deadline. Hey, sleepy Joe, you are only 43 years late on that one! The accepted time limit for ratification is 7 years; the Bill was submitted to the States originally in 1972; that time limit expired in 1979. Congress reset the deadline to 1982, but five states voted to rescind their earlier approval.¹² Friend, that one has already sung its swan song.

So, by what rational are these Lefties asserting the Equal Rights Amendment is ratified? Here is yet another example of the Left’s contempt for Law. In 2020, Virginia finally got around to ratifying the 28th amendment, about 43 years after the deadline. So they dismiss the authority of Congress and declare the Bill passed.

What’s wrong with “Equal Rights.” Nothing. But there is plenty wrong with this Bill that guarantees special rights to special groups

—which, as you have heard me explain often, abridges the rights of others not aligned with those special groups—for example, the Queers.

It's a Bill that could be used to challenge religious conscience concerns and even compel Christian churches to ordain homosexuals,¹³ or to perform homosexual weddings, and opens the door to all sorts of other abuses of religious and personal freedom. It enshrines into law many of the Woke agenda items Americans find repugnant: removal of gender-restricted restrooms, removal of all restrictions on abortion, taxpayer funding of abortion the rights of minors to receive mutilation surgery without parental permission — if you want a concise rundown on why this Amendment is bad for women, and an affront on general liberties, take a look at Eagle Forum's "10 Reasons to oppose the Equal Rights Amendment." [IBID.]

So, what's Biden doing? He is only attempting to make trouble in America and excite seditions. Biden is seditious! A traitor to his country, to his oath, and to his promise to "restore unity."

I do not intend to allow Biden to hobble off the public stage without being held accountable for his many crimes.

Biden is evil!

Okay, must take a short break! Hold on, I'll be right back!

¹³ The say there would be accommodations for religious conscience, however, the language of the amendment on this point is vague, leaving the door open to challenge religious organizations on questions of whether they "qualify" as a religious organization, and other issues that will be open to "interpretation" and at the mercy of the "courts." Here is an AI-generated analysis of this amendment: "Yes, the Equal Rights Amendment does allow for certain exceptions for religious organizations, particularly under the religious exemption found in Title VII of the Civil Rights Act, which permits qualifying religious entities to make employment decisions based on adherence to their religious beliefs. However, the specifics can vary based on legal interpretations and court rulings." [15.HOLD ON, I’M COMING]

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Greenland: The Danes have released Greenland to decide whether it will throw in with the US. The Prime Minister of Greenland, knowing the value of Greenland to the US, is stiffening—holding out for a better offer? Hmmmm!

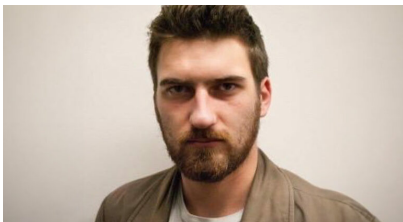

The Danish Kingdom includes Greenland as one of its three territories, plus the Faroe Islands and, of course, Denmark, with its Capitol in Copenhagen! In 2009, Denmark loosened its governing control of Denmark, “expanding its independence from Copenhagen.”¹⁴ The 2009 Bill “recognized Greenlandic people as a nation under international law and gave them the right to autonomous rule,” including the “right to choose to become fully independent at any time.” [IBID.] So, the Danes have influence but no direct control over the decision. An election is upcoming; the join-the-US question will likely be a significant election issue—Trump will watch the election with interest! We will watch with him.

The Tom Homan tank is rolling, and traffickers are in his sights.

From the Trump War Room: Incoming Border Czar Tom Homan under the Trump Administration reported: “We did DNA testing. In El Paso, we found that almost 1/3 of the ‘families’ weren’t even families. The children were victims of trafficking. This administration [the BIDEN team, Myorkas, et al] lost over 340,000

¹⁴ 1021.6.1-EXPLAINER/ Why is Greenland a part of the Danish Kingdom? <https://www.thelocal.dk/20250108/explainer-why-is-greenland-a-part-of-the-danish-kingdom>

children.”¹⁵ Lara Logan calls Homan “one of the bravest men in America.” She warns that “they” will “come for him with a vengeance.” [IBID.] Let’s turn the VENGEANCE back on them. Romans 13:1-6 I spoke of this in the first segment— Come on, Christian soldier, stand up to these bullies and save these children. You know what Jesus said about these people, right? What! You don’t know. You must be new to this show. Jesus said, “It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones” (Luke 17:2). Jesus gave us authority to cast entire nations into the Sea, the DEEP, the DARKNESS, the ABYSS — and I can’t think of a better reason to exercise that authority than when a “nation” turns its powers to the protection of child traffickers and against the children enslaved by these “evil beasts”: “One of themselves, even a prophet of their own, said, The Cretians are always liars, evil beasts, slow bellies” (Titus 1:12). These modern “Cretans” must be dealt with.

Canadian journalist, Ian Vandalelle (Van’-Deh-Lell), promoted vaccine passports, and mandates, advocated firing those who refused to receive the death jabs, and infamously called for the unvaccinated to be confined to concentration camps — died at 33 years of age on December 5, 2023.¹⁶ This guy just looks mean; I’m talking about an arrogant kind of “I hate you” mean! Yikes! I guess his story resurfaced when Plandemic 2.0 was spotted rising

above the Horizon. Listen to what Trump has to say about any effort to revive that awful devil:

[INSERT 34.TRUMP — WE WILL NOT COMPLY!]

This is cool! Trump has named Jon Voight, Mel Gibson, and Sylvester Stallone as “Special Ambassadors” to Hollywood. We’ve all heard and applauded Voight’s patriotism and love and support for Trump. Both Mel Gibson and Sylvester Stallone have come out swinging against human trafficking “run by corrupt government officials and the mob.” Hollywood is under the assault of the righteous. They tried to kill the Sound of Freedom; Trump just cranked up the volume to full power! Hey, Pedos, you’ve hidden in the darkness long enough — the LIGHTS ARE ON!

Some in my new audience don’t know how this works. You are supposed to call in and say LIGHTS ON if you agree with what I’m saying and LIGHTS OFF if you don’t. Well, what is it? Lights on or Lights off. Call 805.314.2114. It takes all of what, less than a minute—you dial the number, you get connected, you say LIGHTS ON and hang up. When you call, you can receive my book, God’s War, free, shipping covered by me for any addresses within the continental US — supplies are limited, leave your name and shipping address, a PO box is fine. You’ll get your book in about one week. CALL 805.314.2114 — LIGHTS ON OR LIGHTS OFF.

Hey, have you seen the trailer for Stallone’s new movie, A Working Man? When you watch it, remember what Jesus said and you’ll likely think like I did, yeah, it would be way better for these pedos to face the judgment He prescribed than to face the WRATH OF THE WORKING MAN when he gets sick and tired of government punks and pimps abusing our children! They’ll watch that movie and line up for the millstone!

By the way, by the rule I outlined in my opening segment, The New York Times Op-Ed contributor is an accomplice to evil. Check out this article by Margo Kaplan, October 5, 2014, “Pedophilia: A

Disorder, Not a Crime.” You can buy the article, but all you need is the title. I verified it.¹⁷ Well, now they call them “minor-attracted persons.”¹⁸ We’ve already watched this movie: next, they will call this a protected class — and let this continue, and you’ll have the “men of the city” coming to your door demanding you give them your guests, or girlfriends to them to abuse in the street — maybe we’ll read a headline like the news the circulated in ancient Sodom Genesis 18, or that ran through Israel after the incident recorded in Judges 19 regarding the Levite’s concubine: BREAKING: the men of Sodom gathered at the house of Lot and demanded he give them his guests to sexually abuse; or the Levite: BREAKING: the men of the city of Gibeah surrounded the house where I was a guest and took my paramour and sexually abused her. She died! Investigation to follow. Updates as available. — Just another day in Sodom, just another bizarre story coming out of Gibeah! Oh well, Lot should not have attempted to “push” his view of morality on the Sodomites. And, after all, the Levite should not have brought his paramour into their town if he was not willing to “share” her. Oh, but wait, in that case, he was willing to “share” her. But, you know how it is, the “boys” got carried away.

Anyway, both stories did have a follow-up. The Sodom story ended with that city and surrounding complicit cities burning to the ground under a rain of fire and brimstone. As for Gibeah, that turned into a full-blown CIVIL WAR in which tens of thousands of lives were lost before justice prevailed.¹⁹

Let’s hope Trump and his team of warriors will address these evils before GOD has to step in. Listen, there is a lot of work to do. The

Secretary General of Guatemala testified that the Biden Administration actively blocked an investigation into a pedophile ring involving many high-level politicians and businessmen. He said over 500 million dollars was poured into Guatemala to a list of persons whose names are “redacted” from the report. Before the Secretary General of Guatemala gave the interview, he was warned by the Biden Administration that he is “playing with fire if he takes part.”²⁰

Oh, and guess what? 70% of all “unaccompanied minors that cross into the US come from either Guatemala or Honduras. Bill Gates and George Soros are big donors to the organization used as a front for this activity called Save the Children. The Secretary-General “admitted the US is harboring illegal alien pedophiles and murderers.” [IBID.] (By the way, this article was almost impossible to find. dealers, tax offenses—crimes chargeable against Hunter. See for yourself.²¹

Trump will not shrink from using it honorably and has promised to begin the process of pardoning our J6 political “hostages” (Trump’s term, by the way) on day one! Mr. President, take a look at the Chauvin case!

I’m going to send him a message to consider Derek Chauvin, serving a 22.5-year sentence for his involvement in the death of meth head and repeat offender George Floyd.²² I think this one should be a commutation of his sentence for time served. Thank you, caller for bringing this up—I could not make out your name from the recording. But thanks!

[OMITTED FROM RADIO SHOW FOR TIME—That was a race-hatred-driven sentence and was way excessive! Look at the facts! And then I want every one of those in the DOJ, including Pelosi, Biden, and Harris, to be held accountable for the abuse of the civil liberties of every J6 prisoner deprived of due process and excessive fines and imprisonment. I do take the violation of civil liberties very seriously. So, Bondi, I trust you will get serious about the abuse of any American’s liberties regardless of race or creed—and regardless of which side of the “Aisle” they’re on.]

Will we get election integrity restored during the Trump Administration? I’m sick of these stolen election deniers — who NEVER ADDRESS THE EVIDENCE, which is overwhelming. May

I offer some counsel to counsel? Don't dodge the question, respond by asking, have you examined the evidence? And then, would you like me to walk you through the evidence supporting our concern about the 2020 election? I'd like to do that here, now under oath, with America watching. Shall we begin?
