[TRUTH]

Kash Patel confirmed!!! Everybody on Epstein's client list is weeping with fear; all his living victims are weeping for joy.

Sen. Chris Murphy, D-Connecticut, warns the Senate, "My prediction is if you vote for Kash Patel, more than any other

confirmation vote you make, you will come to regret this one to your grave.”<sup>1</sup>

Funny, he didn't tell us why. Why would this particular confirmation vote follow them to their graves? Was he warning them that Soros Antifa gang members have been tasked to target each Senator voting to confirm Kash? He can't expect the FBI to SWAT them. [Laughing squirrel!] He can't be expecting AG Bondi to launch an investigation. He can't possibly believe any of these Senators give a rip about attacks from the now-defunct “Mainstream Media.”

Let's see but I can think of some folks who are very likely to regret Kash's confirmation to their dying day!

Let's start with Schiff. No sooner was the vote to confirm announced, Schiff went to the steps of the FBI building to make his statement:

[INSERT 20.SCHIFF]

Why is Adam so nervous about Kash Patel heading the FBI?

[INSERT 30.PATEL] Schiff displayed symptoms of demoniac possession during the Russian-Collusion hoax.<sup>2</sup> Satan takes them captive at his will.<sup>3</sup> Some willingly cooperate with Satan.

Anyway, the left is screaming about an “enemies list”: MSN: Who Are The 60 People On Kash Patel’s ‘Enemies List’?<sup>5</sup> It’s taken from Appendix B in Patel’s book *Government Gangsters*.<sup>6</sup> When Patel published this book, the list was presented to identify members of the Deep State alternate government operating within the US government to undermine any President not controlled by the Globalists.

I won’t read them all here, but here is a link to the complete list.<sup>7</sup> Lloyd Austin, Biden Defense Secretary, remember James Baker? Yep, he’s on the list. Bill Barr — “Oh Yeah!” James Comey, John Brennan (Obama’s CIA director), Hillary Clinton, Merrick Garland, Biden’s AG, remember Jankowicz? — Biden’s Director, Disinformation Governance, General Milley, Obama-Biden Joint Chiefs of Staff, Strzok and Page, Wray, to name a dirty dozen of the 60.

You’ll notice that Schiff is not on the list, and perhaps some who are on Epstein’s client list are omitted on this one — it’s not a comprehensive list of all the criminals operating in our government

on behalf of Alt-America. That list identifies those Patel knew to be active members of the Deep State bureaucracy—unelected government employees who operated Alt-America under orders from — TBD.

I had placed what follows in a footnote, but as I was preparing it, I decided it should be made part of the body of these show notes:

I'm using "Alt-America" to identify the Deep State shadow government operating within the American government to undermine America as founded and destroy it from within. The Alt-America I envision is driven by a globalist agenda using Woke ideology to destroy Western civilization. But I did not originate the expression. I mean, I did, but I didn't. I conceived of the use of Alt in this way to label the Deep State, but I knew others had used that abbreviation for alternate, alt, in other connections, so checked to see if Alt-America had been used.

I found *Alt-America: The Rise of the Radical Right in the Age of Trump*, a publication released on October 17, 2017, just under a year after Trump was elected for his first term.<sup>8</sup> *Alt* is an abbreviation of alternative. The abbreviation is used in expressions like alt-right to identify a subgroup operating within the primary group with which it is identified that is usually at odds with the values and mission of the primary group.

The absurdly radical left is in the habit of vilifying their political opponents with such clever contrivances, used falsely, following Alinsky's method of ridicule to marginalize a group and undermine

their influence.<sup>9</sup> So the people who are in open defiance to common sense, raging against the Creator and His creation, in a constant argument with nature, and open hostility against Nature's GOD, refer to those who oppose their rebellion, who desire to preserve America as founded, as "Alt-America," when the exact opposite is true. To give their lie some respectability, they attach many extreme views to the group they vilify, but the fact is truth is stronger than their lies and finally rises to the surface and drowns the lies and the lying liars who tell them.<sup>10</sup>

In *Rules For Radicals*, Saul Alinsky, p. 126, in the chapter titled Tactics, rules five and thirteen explain: Ridicule is man's most potent weapon, p. 128, with the 13th rule: "Pick the target, freeze it, personalize it, and polarize it" p. 130. This is explained as follows: "It involves identifying a target, demonizing them, and then polarizing people's opinions on the matter to gain support or rally against the target. This quote is a reminder that in politics and social movements, personal attacks and polarization can be used as effective tools for gaining support and mobilizing people. However, it also highlights the danger of this approach as it can lead to division and increase polarization in society."<sup>11</sup>

It's time to redirect the misdirection used by evil radicals and call it like it is. Trump's followers are lovers of common sense and

objective reality, an orientation that corresponds to nature and nature's GOD. People who believe in the values and traditions that support our connection with "America as founded" (Rush Limbaugh).

The lunatic fringe on the Left has become the mainstream of Democrat politics, and they've created an alternate fantasy America that has no real existence except through those promoting the antichrist-woke ideology. They are the "Alt-America," a substitute America that "they" are trying to use to replace America as founded. Fulfilling Obama's dream to transform America, or, more accurately, to complete the transformation of America, begun circa 1913, from a clearly defined Christian Nation to an amorphous, antichrist, borderless amalgam of intentionally formed antichrist values aimed at Christians to marginalize them, then to "polarize" them as the very antithesis of American values—to position Christians so that to hold true to Christian beliefs and values would put them at odds with the "government" — the same trick twenty princes pulled to change the laws in order to make Daniel's faith illegal, and in this way have him killed. You know the story. They manipulated the law to make it illegal to pray, and so when Daniel prayed, they could accuse him and force the "government" to execute him.

But the same thing that happened to Daniel is what is happening right now against the "princes" — rulers — in America who manipulated the laws of our land to position Christians as lawbreakers, like what is going on right now in the UK, arresting Christians for praying, threatening, even, to arrest them for praying in their own homes if they happen to live within, what is it, 500 feet from an abortuary?

Now the Party that declares CHRIST IS KING has taken the place of the Party that refuses to acknowledge Christ as KING, and our rights as ENDOWED by our CREATOR, and denies our free

speech and free exercise — and the antichrist liars, thieves, and destroyers, who turned the civil sword of judgment against the righteous, and thought to, as it were, cast us into their “lion’s den,” are finding themselves facing Haman’s gallows, and Daniel’s Den.

We have a Christian AG and a director of the FBI who has a Hindu background but loves truth and justice and these will work together to turn the sword of civil judgment back to the task assigned to it by our Creator: to execute wrath against the EVIL DOERS and protect and reward the righteous.<sup>12</sup>

Here is an article you should read titled Five Things Christians Need to Know About Kash Patel.<sup>13</sup> We know he grew up in the Hindu faith and continues to practice that faith today. There is no evidence he has embraced Christianity. Neither is there any

evidence he is antichrist! He pledges allegiance to our flag, and I suppose when he declares “One nation, under God” he is intelligent enough to know he is not pledging to a nation under any one or combination of the more than 10,000 gods of Hindu. I read here that he chants the Jai Sri Krishna, Victory to Krishna, a major

<sup>12</sup> Romans 13:1 ¶ Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

Romans 13:2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation.

Romans 13:3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same:

Romans 13:4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.

Romans 13:5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake.

god among the thousands of Hindi gods (pictured above).<sup>14</sup>

I need to conclude this segment. The big news is that Kash Patel was confirmed as Trump's replacement for the wicked weasel Christopher Wray as Director of the FBI.

For any concerned about Kashyap Patel's Hindu faith, consider carefully and listen to my entire statement before jumping to crazy conclusions, like I think the Hindi are headed to heaven. This nation is founded upon Christ not Krishna.<sup>15</sup> I'll pick this up on the other side of the break.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

The big news is that Kash Patel was confirmed as Trump's replacement for the wicked weasel Christopher Wray as Director of the FBI.

For any of my fellow Christians who are concerned about Kashyap Patel's Hindu faith, consider carefully and listen to my entire statement before jumping to confusion, as an old friend Mike Metz would say!

Let's make one thing perfectly clear: America is a nation founded upon Christ, not Krishna.<sup>16</sup>

The Hindu concept of deity allows them to add any god they might like to their shelf.

<sup>14</sup> 1026.27.9-What Is FBI Director Kash Patel's Religion? <https://www.distractify.com/p/kash-patel-religion>

<sup>15</sup> Although some have attempted to draw comparisons, and there is a possibility that Krishna mythology

<sup>16</sup> Although some have attempted to draw comparisons, and there is a possibility that Krishna mythology

If Kash elevates Krishna above Christ, he will answer for that in the judgment. The Bible says we are to have no other gods before Him—and that Jesus Christ is prince over all rulers of the earth, and that He is set above “all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: and hath put all things under his feet, and gave him to be the head over all things to the church” (Ephesians 1:20-22).

However, when it comes to our relations with men in this world, you might be surprised to find out that Christ’s disposition is very different than you expected.

Here is a biblical perspective on non-Christian people serving in Romans 13 government described as “ministers of God.” And let’s start with the fact that a Gentile, idol-worshipping king, Nebuchadnezzar, was called God’s “servant.”

Our question: Is it consistent with biblical teaching for a non-Christian to hold office in a Christian nation? It’s not my first choice. Just like Nebuchadnezzar was not God’s “first choice” for Israel.

The Apostle Paul said God will render to every man according to his deeds: “To them who by patient continuance in well doing seek for glory and honour and immortality, eternal life.”<sup>17</sup> This is Paul’s desire for such men. No one receives eternal life in this way. But it is Paul’s desire that such men will come to the truth regarding eternal life and be born again. That’s God’s desire also: “Who will have all men to be saved and to come to the knowledge of the truth” (1 Timothy 2:4).

You see, Paul understood what Jesus taught him while he was in the desert for three years before beginning his public ministry

---

<sup>17</sup> Romans 2:7 To them who by patient continuance in well doing seek for glory and honour and immortality, eternal life.

(Galatians 1:15-24). In John 3:17-21, after Jesus explained that one must be born again to see the kingdom of God, He explained that the people who refuse Him do so because they “love darkness” rather than light, and the reason they love darkness is that their “deeds were evil.”<sup>18</sup>

Jesus said those who do truth come to the light.<sup>19</sup> Jesus taught that people who “do truth” will come to the light. What finally gives evidence that they are indeed people who “do truth” is that they will, eventually, come to the light. Friend, there are hypocrites among the non-Christians just as there are hypocrites among professing Christians.

Anyway, here is what Paul said about the question before us. He cursed all men who are contentious and do not obey the truth: “Indignation and wrath, tribulation and anguish, upon every soul of man that doeth evil, of the Jew first, and also of the Gentile.” Today, it would be like saying he wished indignation and wrath upon “every soul of man that doeth evil,” and that it would come upon the Christian first and also upon the non-Christian.

Then he said, “Glory, honour, and peace,” no listen to this, “to every man that worketh good, to the Jew first, and also to the Gentile: for there is no respect of persons with God.”<sup>20</sup>

---

<sup>18</sup> John 3:19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

John 3:20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved.

<sup>19</sup> John 3:21 But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

<sup>20</sup> Romans 2:8 But unto them that are contentious, and do not obey the truth, but obey unrighteousness, indignation and wrath,  
Romans 2:9 Tribulation and anguish, upon every soul of man that doeth evil, of the Jew first, and also of the Gentile;

Romans 2:10 But glory, honour, and peace, to every man that worketh good, to the Jew first, and also to the Gentile:

Romans 2:11 For there is no respect of persons with God.

Think about this. A Christian does not get preferred treatment before the law. In fact, Jesus warned, that if one of His gets crosswise with the Law, he will “pay the uttermost farthing.”<sup>21</sup>

Paul is talking about “all men,” and he wishes good upon those who do good and ill upon those who do evil. He is not talking about his disposition toward the Christian in contrast with the non-Christian. We are called upon to “do good unto all men, especially unto them who are of the household of faith.”<sup>22</sup> But when it comes to wishing well upon some and ill upon others, there is “no respect of persons” with God.

I don’t know any Christian who does not regard Kash Patel as an honest and just man. The fact that he is a lover of good men, justice and judgment, truth, and equity is enough for me to wish him well and support him fully in his office as Director of the FBI. With Danica, I say, “Bring it on, Kash!”

He will be an executor of judgment upon the evil-doer as a faithful “minister of God” to us all “for good.”

I have a little time left. Let’s save comment on the realignment of America’s friends and foes—and the question will NATO survive for Saturday night’s Brain Massage® LIVE. It intersects with important end-time prophecies and I want to have time to develop that.

The PEDO Nimrodians operating under the cover of Deep State fraud also require more time than I have right now — but the good news on this is that Kash is lazer focused on these vile worms — but I do have a clip I want parents to see and I’ll show that to you Saturday night — about 7 PM, on Brain Massage® LIVE.

<sup>21</sup> Matthew 5:26 Verily I say unto thee, Thou shalt by no means come out thence, till thou hast paid the uttermost farthing.

<sup>22</sup> Galatians 6:10 As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.

But let's take a moment to let you know what RFK lays out for his agenda.

RFK has laid out his agenda for the first six months as Secretary of Health and Human Services:

1. Ban mRNA vaccines.
2. Ban glyphosate (that's a herbicide used as a weed killer that has been connected to some serious diseases) RFK will ban glyphosate and pesticides from our food.
3. Ban harmful food additives that are banned in other countries.
4. Ban fluoride from our water.
5. Ban chemtrails: okay, so he has evidence this really is a thing. Not surprised!
6. Make Ivermectin available over the counter.

I hope he will require all meat producers to disclose if they use any mRNA vaccine material in their meat, or use any vaccines in their stock.

I hope RFK will “revoke FDA approval of the COVID shots” and investigate the changes made, like changing the definition of vaccine, and the process for approving shots that was tampered with when COVID shots got approved. Emails show that scientists were uncomfortable with the approval allowing Pfizer, et al, to release the shots with zero accountability and the government mandating these without assuming liability.<sup>23</sup>

During Black History month celebration, Trump recognized the CEO of Pfizer and the people BOOED. Trump's response was interesting — let's see where this goes. Pray Trump will not be compromised by his personal and political investment in the
