CAN TRUMP SAVE THE WORLD?

Original Air Date: 03.15.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

We say hello and goodbye to Bongino — we will miss his commentary and leadership of the Bongino Army, but we admire his willingness to step up to the call of duty, and we are glad to have him at the number two spot over the FBI.

PAY-DAY Someday! The Merchan family merchandising the court:

Kash asked the House Judiciary Committee to subpoena Judge Merchan's daughter, Loren Merchan, and Jordan answered—subpoenas are being served.

Hamas terrorist agents mass in Trump Tower to protest the arrest and deportation of Mahmoud Khalil. What's the difference between the Khalil protests at Columbia University and the mob that occupied Trump Tower?

Mike Lee, Senator representing Utah, has introduced a Bill to ban illegal immigrants receiving public benefits.¹ Years ago while discussing the illegal invasion problem—we are talking back in the Bush years—my wife said, rather off-handedly, take away all the benefits they get when they come to this country and they'll go home. Genius! Crazy, huh! When common sense stands out so starkly against the nonsense thinking that prevails among so many

today so that it rings with the BRILLIANCE of pure crystal. The nation is finally catching up with Jerry's Dove.

Talking about the return of common sense, here is a Bill proposed in Austin, Texas that will charge transgender people with "Gender Identity Fraud."²

Can Trump save NATO? Well, they made a first good move by appointing Mark Rutte, a Trump friend, to serve as Secretary General. How long will Britain survive in NATO — and will the larger NATO powers, such as Germany, and France, survive their own Muslim invasion and Islamization?

It's time for your Brain Massage®:

PAY-DAY Someday! The Merchan family merchandising the court:

Judge Juan Merchan, who presided over the unfounded "hush money case" against Trump that was unconditionally discharged, was merchandising the court on behalf of his daughter's company. Essentially, they used the case to milk donors. Do you think Federal judges should use a court case he knows is bogus, or any case before him, to raise money for his political party?

Kash asked the House Judiciary Committee to subpoena daughter Loren Merchan and Jordan answered—subpoenas are being served.

Loren Merchan is president of Authentic Campaigns: a progressive political consulting firm based in Chicago. One of their top clients is Adam Schiff, the lead persecutor in Trump's first impeachment trial. Her firm also represents the Democrat Senate Majority PAC, and she was using her Dad's case to raise money for Harris and other Democrats. This judge should have recused himself from the

case, but that would defeat the point of the case — because no one else would have sold his soul to the Democrat “cause” like he did. The idiocy of his case, the ridiculous instructions he gave the jury, the manipulation of the law to keep this case open — he is on his way out of a job and looking forward to retiring on his share of the 93 million his daughter raked in using his courtroom antics in campaign fund-raising for Democrat causes.

Hamas terrorist agents organize and carried out an “Occupation Trump Tower” to protest the arrest and deportation of Mahmoud Khalil. The NYPD during Biden was unwilling to bust up the Soros funded and Khalil led protests at Columbia University who is also likely behind the rent-a-mob that lately occupied Trump Tower?

The “Rent-a-Mob” that assaulted Trump Tower was broken up by New York Police with many arrested. Did New York Governor Hochul give this as an olive branch to Trump anticipating their meeting today (Friday, March 14, 2025) to discuss the Constitution Natural Pipeline³ and the Manhattan toll program—you know, the one that taxes you for driving certain hours of the day. It’s a Pigovian tax—something only pig-liberals would come up with. Read about it here.⁴

New York has held up completing that pipeline, one that would deliver natural gas from Pennsylvania to New York and dramatically reduce essential energy prices in the northeastern US by up to 70% — you read the same stories I have, of elderly people in the Northeast that die from cold because they can’t afford to heat their homes — Democrats are DEVILS! Not all of them —

remember, what might accurately describe a group does not always apply to everyone in that group: in this case RFK, and Tulsi, and many others would be excepted. But you know what I mean! That Party is the Party of Satan — every policy they champion and promote intentionally blasphemes God (LGBTQ, gender denying nonsense, as one example) and promotes theft, death, and destruction of lives, property, and peace.

Anyway, New York's finest were held back from breaking down the occupation of Columbia, but they were allowed to move in and bust up the occupation of Trump Tower. Why? What is different about this mob occupying the Trump Tower and the Hamas protest/riots at New York's Columbia University?⁵ The excuse New York used to justify the riot police action on the protestors at Trump Tower is that Trump Tower is a privately owned business, whereas Columbia University is a publicly funded institution. Okay! We'll take that for now!

Columbia University is the school where Mahmoud Khalil led ignorant and impressionable young people agitated by Hamas agents working them up on campus and steered them into a demonstration of hate-filled threats of violence against Jews—praising the October 7 terrorist attack on Israel.^{6 7}

ICE arrested green card carrying immigrant Mahmoud Khalil and is processing him for deportation.

These Hamas-terrorist agents who come here on a green card to stir up support for antisemitism are not welcome in America. Don't come to America and attack our Jewish citizens with threats of violence by endorsing genocide. Playing on our sympathy with images of his pregnant wife crying about his deportation won't work here — that's stuff for England, or Germany, or France, not America! GO HOME! And take your wife with you.

Under Biden, abortion protestors were thrown into jail for the crime of “blocking access to [an] abortion clinic” and for committing alleged acts of vandalism.⁸ This action was taken against American citizens. Demoncrats did not cry the protection of “FREE SPEECH.”

Yet Demoncrats praise the action of Khalil, a GUEST here on a green card, leading protests that virtually blocked access of Jewish students to an American university through intimidation and committing acts of vandalism occupying the grounds of a publicly funded—taxpayer supported—University—and then these devils cry FREE SPEECH.

Green card immigrants get the protections of our Constitution which are denied to our own citizens. DONE! That's it! Get 'em outta here!

Those who planned the abortion protest got charged with conspiracy and face 11 years in prison and fines up to 250k, and participants face 1 year in prison and fines up to 10k — DEVILS SMILE. But the same Demons howl like their god, the “Howling one,” against Khalil being deported. DONE!

We get to choose who is invited here as a guest—and we choose to withdraw the invitation of this terrorist genocide sympathizer! And we are going to pay for his flight back to his country.

You tell me in which case justice is served. Washington Examiner reports: a 75 year old grandma who was arrested, and sentenced to be imprisoned for two years because she PRAYED IN FRONT OF A DC ABORTION mill.⁹ And went into the lobby and softly sang Christian hymns.

The wicked and unreasonable judge who dropped this sentence on Paulette Harlow chided those concerned this dear sickly elderly lady will die in prison by saying in her best snarky tone that she hoped Harlow would “make an effort to remain alive” in prison for two years for the crime of praying in front of a DC abortion center and singing a hymn in the abortion lobby.¹⁰

I ask you, “judge in yourselves” whether it is “comely”¹¹ for a woman to PRAY for innocent lives to be spared the slicing scalpel, or the scalding, burning of a baby with saline solution — making the womb of a baby’s mother a scene from Jack the Ripper or an Auschwitz murder oven — judge in yourselves all who have any humanity remaining, whether this is justice, or whether this is

¹¹ Taken from 1 Corinthians 11:13 “Judge in yourselves: is it comely that a woman pray unto God uncovered?”

Nazi-like blood thirst violating the inalienable RIGHT TO LIFE for a human baby created in the image and likeness of GOD.^{12 13}

What say you, America? Will you protect Khalil, who leads a band of foolish kids to mass angrily on the campus of a tax funded University to support and condone the slaughter of human lives in Israel, and protest him being sent back to his beloved terrorists, or will you protect Paulette Harlow who protests with PRAYER and Christian hymns to protect babies in the womb—

What do you call JUSTICE? Do you side with Khalil and cry FREE SPEECH protesting against the U.S. withdrawing his “invitation” to the Land of the free which he hates and forcing him to return to the land of the terrorists which he loves?

As for me, and my house, we say Khalil is getting much fairer treatment than Paulette Harlow, who occupied the waiting room of the DC Surgi-Center, an abortuary and sang hymns?¹⁴ Khalil did not lead a peaceful demonstration singing “Give Peace A Chance.” He is a pro-genocide Hamas terrorist sympathizer whose followers occupied the private business of a hotel owned by the President who pardoned Paulette? What irony!

Where is your humanity—you Demoncrats want to put a sickly old lady in prison because she sang hymns and prayed in the waiting

room of a tax payer funded baby murdering abortion center in DC, but get all torqued out because Americans want the anti-American, antisemite, anti human rights activist to be returned to live among the terrorists he represents?

You choose! I've made my choice. Khalil — GO HOME! Take your wife with you! And, by the way, let's be gracious and offer them three choices: Afghanistan, Syria, or Pakistan — Trump has issued a no entry ban on Muslims coming from those countries — that way Khalil wont be getting a round trip ticket. Thank you, Mr. President, for protecting us from London's fate!

The Democrats, ever the lovers of violence against the righteous, expose themselves as being what they claim to hate—protectors of murderers of innocent life. You can't get that foul fiend of hell out of this country fast enough! Begone all of you that celebrate genocide, THANK YOU, PRESIDENT TRUMP, FOR HAVING COMPASSION ON A PRAYING GRANDMA AND SHOWING NONE FOR THE GENOCIDAL PROMOTING AGENT OF HAMAS — give us more praying Grandmas!

Meanwhile, Democrats give their answer. The Minnesota House voted on a Bill that would require doctors to give life saving medical care to babies born alive after a botched abortion.¹⁵ Every single Democrat voted against the Bill and killed it—they kill babies and any effort to save them.

Minnesota — they would not even offer an alternative to mothers with a crisis pregnancy — hear the reproof of the Spirit against you — Woe unto you Minnesota, you “pride” yourself for protecting the minority “rights” of Queers and leave a live infant on a cold steel table to die from injuries sustained in its heroic battle for life against your failed effort to kill him, or her in the womb.

¹⁵ 1029.1.4-Minnesota House fails to pass protection for born-alive infants, support for pregnant women <https://www.mccl.org/post/minnesota-house-fails-to-pass-protection-for-born-alive-infants-support-for-pregnant-women>

I would call on each of you to be required to stand and watch, first hand, the writhing baby fighting for its life and pronounce the sentence of death that you declared with your vote. LOOK AT THE BABY — AND GUARD THE TABLE AGAINST ANY EFFORT TO RENDER COMPASSIONATE, HUMAN LIFE AFFIRMING CARE — AND HOLD UP THE HAND YOU RAISED AGAINST ITS LIFE AND HEAR THIS —the reproof of the SPIRIT — “It were better for [you] that a millstone were hanged about [your] neck, and [you] be cast into the sea, than that [you] should offend one of these little ones.”¹⁶ And that goes for your too, Tampon Tim —

In fairness to Minnesotans, and my fellow Californians, you did shift right in November, and the “handwriting is on the wall” for Walz and Newsome¹⁷ for their service to the CCP. Pay Day someday! Your check is “in the mail.”

My friends, please, hold on through the break; I’ll be right back!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Let’s see, the latest on the Putin-Zelenskyy (with two ys) peace talks — looks like Trump feels we are seeing hopeful signs, but this situation is tough! We are dealing with an instigator and provocateur on one side in Zelenskyy (with two y’s) and an alligator on the other side of the table. Putin put up a wall of conditions he knows Zelenskyy (with two y’s) can’t accept, and Zelenskyy (with

two y's) keeps trying to pit Trump against Putin. I'll speak more to this Saturday night during the Brain Massage® LIVE podcast.

Here is a Bill proposed in Austin, Texas that will charge transgender people with "Gender Identity Fraud."¹⁸ This law will make it a felony to misgender yourself! You might need to think about that one for a few milli-seconds before it kicks in. This will be punishable with up to two years in jail and a fine up to 10K.

The war continues! Another tactic used by the enemies of our liberties is called SWATing. That's when someone makes a false report to trigger a SWAT response to your address. They come in just like Biden coming after you for protesting at an abortion clinic — guns at the ready, pounding on the door, THIS IS THE POLICE — and terrorizing you, only, in this case, it's not to arrest you for praying at an abortion mill, it's for breathing air while conservative. Alex Jones reports that as many as 15 of these bogus SWAT triggering reports occurred March 13 or 14 against Trump supporting MAGA patriots. The hope of these devils is that you will react in a way that triggers the SWAT team to shoot and kill you! That's the intention of those who call in these bogus reports.

Can Trump save NATO? NATO is being invaded by Islam and the countries most affected are those most corrupted by globalist humanism. I call it Nimrodianism. JD Vance spoke to NATO and asked them to think about what we are defending, many of our NATO friends have capitulated to the very evils we fought together against in WWII.

Britain is certainly not offering any hope for NATO's survival! Anyone paying attention to what's going on in Britain will cringe when they think about how close we came to a similar fate.

¹⁸ 1029.2.1*(6) James Pleickhardt on X/ "A proposed bill in Austin will charge transgender people with, "Gender Identity Fraud". In Britain it is an open argument between Islam and Christianity. Like what happened here, when the election became a referendum between a NATION that affirms JESUS CHRIST is KING and one that denies JESUS CHRIST IS KING.

A Christian activist group calling themselves Briton First carried large crosses through the English town of Luton in 2016, Muslims became angry and confronted them and arguments about whether Britain is a Christian nation or a Muslim nation broke out. The Muslim chided the Brits: “It’s our country.” The British “Christian” answered, “It’s your country, is it, yeah?” The Muslim replied: “Yeah, mate, it’s our country.” A British woman declared, “It’s a Christian country.” The British man was too weak to make that assertion. It took a woman to speak up.

The Muslim man, no doubt a friend of Obama, responded to this brave woman Brit, and rebuffed her: “It’s not a Christian country.” Then the Muslim followed up, saying “you are jealous that we’re taking over.” And added, “The Muslims will take over. Watch!”¹⁹

That was back in 2016. Take a look at what is happening today. Britain allowed these immigrants into their country, supported them, gave them full access to their socialized benefits system, and allowed them to vote. They are taking over the urban centers, driving the Brits into the rural areas because the “Muslims are taking over.” They are taking over the Parliament, and they’ve totally taken over London. It appears they’ve also taken over Windsor Castle and king Charles.

Muslims are allowed to display their religious beliefs in public, blocking traffic to pray toward Mecca, plastering their Islamic symbolism all over the city, march in the streets in their religious attire and cry Allah Akbar — the citizens are subjected to their

“calls to prayer,” and so forth — but if a Christian preacher preaches repentance and remission of sins in the name of Jesus Christ, he is arrested.²⁰ Christian tolerance is rewarded by persecution! Islamic intolerance is rewarded with government protection. What does this tell you about the government of Britain?

Romans 13:1-6 tells you it is under the power of antichrist—it is NOT OF GOD! It uses the sword of civil justice unjustly — it punishes the righteous and rewards the wicked. When you look at London, really all of Britain today, you are looking at Obama’s America as he set about to transform it.

That’s what Obama wanted for America! And he got pretty close.

How is this happening? Hedonism has compromised the Christian pillars that once supported British culture. Their wicked and perverted king Charles welcomed Islam with open arms, participating in their call to prayer in Windsor Castle (Shades of Obama—begin to get the picture? These Globalists all push the same antichrist agenda)—King Charles also invited London Buddhist Vihara to the “prayer meeting.” Sort of a modern day Jezebel “O Baal, hear us,” conclave.

The London Mayor is Muslim, and the king of England has Islamed —the Muslims are taking over Britain. The Brits made a weak show of resistance back during the first Trump term.²¹ Today, it appears they are all running away into the rural outskirts to hide from their “Muslim masters.” I told you that as a mistake!

No, I’m serious. That’s how it works! When they finally gain power, the infidels will be given three choices: to Islam (convert to Islam),

²⁰ 1029.6.3-(7) Dr. Maalouf on X/ "British Christians are arrested for preaching the Bible or publicly praying in the streets. But Muslims are allowed to do this. Why the double standards? <https://t.co/1Czjk8UjzF>" / X <https://x.com/realMaalouf/status/1900319525741990088>

²¹ 1029.6.2-Violence erupts at anti-Muslim rally - YouTube <https://www.youtube.com/watch?v=2BTNKum8zrg#ddg-play>

take your place in submission to your Muslim lords and pay the jizyaa tax, and you'll be allowed to live among them so long as you know and keep your place, and the third choice is to die. And they will gladly oblige your choice.

It's going to boil over into an open and very ugly conflict if their king, Charlie Islam, and Prime Minister Keir Starmer, don't stop "sidelining" Christianity in order to "promote Islam" and quit placating the Muslims while provoking the Christians — Britain is going to fall into a new Dark Ages —

Rather than return to their Christian roots, as America is at present, Britain is falling into the hands of Islam—the religion that ended science in the Arab world and did to Arabs what pagan Catholicism did to Europeans in the Middle Ages.

It took the Protestant Reformation to break the Catholic oppressors off our necks, and the Baptists to teach this continent the principles of soul liberty, freedom of conscience, and the doctrine of inalienable rights endowed by GOD to every human life — which begins when life begins and that's at conception. Anyway, unless Britain recovers its Christian heritage and returns to Cromwell's cry: NO KING BUT CHRIST! She is gone!

It remains to be seen whether Trump's revival of American exceptionalism, and effort to revive at least some semblance of the Christian consciousness of our forebears, will inspire the Christians in Britain, and what few remain in France and Germany, to step forward and reclaim their land from the wicked and unreasonable usurpers that have taken them hostage, and are feeding them to the Muslim appetite for world domination.
