Brain Massage®: Show No. 1030

YES, THE ASTRONAUTS WERE STRANDED, HERE'S WHY /

IS THERE AN EPSTEIN-ROBERTS CONNECTION?

Original Air Date: 03.22.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

A big call out to patriots to join us Sunday night for a special 2 Chronicles 7:14 prayer meeting. A major enemy stronghold in our highest court has been exposed and we need to pull it down — you'll understand when I lay out the number one concern going forward in our effort to Drain the Swamp.

The great Trump-Musk duo comes through big time: our stranded astronauts are returned home, greeted by Dolphins and friendly American faces,¹ and the Taliban released an American hostage kept imprisoned for 2 years in Afghanistan.^{2 3} For the astronauts it was an 8 day assignment that turned into nine months, and for George Glezmann it was a planned 5 day tourist trip that turned into a two year nightmare!

A contrast in comedy: comparing conservative MAGA humor and progressive MAGA humor.

Satan is beating on the doors of the Kansas Capitol in Topeka. Next Friday, the openly anti-Christian “hate group,” which among other Luciferian doctrines holds that “only might is right and violence is the ultimate source of all authority” plan to enter the Kansas Capitol, “break crosses, destroy Bibles, and dedicate the Capitol building to the devil.”⁴ Apparently, these Satanists plan to conduct what is called a “Black Mass,”⁵ in which they create a mockery of the Catholic Mass. So, what do you think about that, Mr. Brain Masseur? Hehe

While the children of disobedience plan to claim the Kansas Capitol, his public school teachers in Indiana are corrupting the young: here is a teacher that forced students to participate in orgies and then attempted to keep them quiet about it by threatening to off herself if anyone told on her.⁶

I’ll probably give most of my time to the JUDAS in the Judiciary — this is very concerning, you need to be apprised of it now, and I invite you to a 2 Chronicles 7:14 prayer meeting this Sunday night, March 23, 5 PM at the LIGHTHOUSE. By the way, that’s 1310 W. Betteravia Road, Santa Maria, CA. Call 805.714.0786 for directions or for any other questions. 1310 W. Betteravia Road, Santa Maria, CA, 5 pm this Sunday evening.

Will Kash cash the check America gave him to run down the baddies and deliver them to Bondi to — well — surrender their bonds. Yeah! You're right; that was droll, not quite chucklesome, more waggish than witty! But like I tell my students, GET THE POINT, stay on point and you won't get lost in the weeds.

Who signed Biden's Pardons? Hint! It wasn't Biden! What does that do to their enforceability? That's a question very important to very many! 4.2 thousand many.⁷ Trump says this voids the pardons. That shaking you feel under your feet is the vibration caused by the trembling of criminals, including child predators, and murderers and political criminals who just got the news.

Even the guys who do daily reports and debriefs on the news agree it's impossible to keep up with all that is going on — and it's especially challenging for a single 28 minute radio show that airs weekends only. So, I provide a Brain Massage® LIVE podcast on Tuesday, Thursday, and Saturday on Rumble, X, Facebook, and LinkedIn — I usually go on sometime between 7-8 PM and the program lasts between 60-90 minutes. It's a more casual format, and provides some limited response to feedback.

If you want to be added to the notifications list with links to available platforms, go to brainmassage.net — that's brainmassage.net — the word massage has two ss. And remember it's a .net, not a .com. BRAINMASSAGE.NET — I'll need your email address, and permission to add you to the notifications list. Your text number is optional.

Okay, that's it! Let's get to your Brain Massage®.

⁷ 1030.11.1-Biden sets presidential record on pardons and clemency <https://www.axios.com/2025/01/17/biden-presidential-pardons-clemency-record>

A major enemy stronghold in our highest court has been exposed and we need to pull it down — you’ll understand when I lay out the number one concern going forward in our effort to Drain the Swamp. I’ll do that in the second segment because I want to leave that impressed on your mind after I sign off today.

The Trump-Musk duo comes through big time: our stranded astronauts splashed down, greeted by Dolphins and friendly American faces, and finally back into the embrace of their families.⁸

Musk offered to help get them home during Biden’s administration but he was turned down because he had come out for Trump! For petty political reasons, the Democrat usurper President left those astronauts cramped in the limited quarters of the International Space Station. They were supposed to return on a Boeing spacecraft but due to technical issues this never happened. Musk volunteered his SpaceX capsule to save the day.

The squawk about whether they were “stuck in space” is stupid. If there was not a major problem, the astronauts would have come home. Maybe there is a provision for an “abandon ship” scenario, but that’s hardly an excuse for dismissing the frustration, anxiety, of separation from family and living for extended periods in the cramped space of the Space Station.

Let me tell you what makes this a case of stranded astronauts: Biden was offered the same deal Musk made to Trump. Biden refused because in his estimation it was not politically advantageous—Musk had committed his vote to Trump. So, Biden’s narcissism left the astronauts stranded in space. Yep! Biden did that too!

Maybe I’ll have more for you on the Saturday night Brain Massage® LIVE podcast.

The Taliban released George Glezmann, an American hostage kept imprisoned for 2 years in Afghanistan.⁹ ¹⁰ For the astronauts it was an 8 day assignment that turned into nine months, and for George Glezmann it was a planned 5 day tourist trip that turned into a two year nightmare!

Biden pulled out our troops from Afghanistan in 2021 abandoning billions of dollars in munitions to the terrorists, and exposing hundreds of American lives to danger and abandonment. Trump fired Milly for this—Maybe Biden and Milly can share a cell together for their betrayal of America, our soldiers and the honor of all who died in that 20 years war (2001-2021). Add to their cell whoever was “auto-presiding” over Biden’s “Presidency.”

Haven’t you heard of the Auto-Pen? So you know what I mean by auto-presiding? Right? There is no machine that functions as the President? Well, laying aside the theories that Biden had a robot stand in — hehe — the Auto-Pen does stand in for the President, but, I know what you mean.

The “Auto-Prez” — yeah, it almost works, but I guess we should stick with “Puppet-Prez” — anyway, the first Manchurian President, Obama, should be thrown in there with Biden and Milly. After all, he’s the guy that funded the terrorists by financing Iran and created ISIS in the first place. Having Obama in there will also help with the DEI issue of having only white men in the cell, right! But then you’ll need a female, too, so, let’s see, O, I know, Dylan Mulvaney or Lea Thomas might do! But they did not commit any crimes, you say? Well, I’m done with this. Apparently my sense of humor is not making sense to you! The J6 protestors didn’t commit

¹⁰ 1030.4.2-George Glezmann finally released by Taliban after being held for over 2 years <https://nypost.com/2025/03/20/us-news/george-glezmann-finally-released-by-taliban-after-being-held-for-over-2-years/>

a crime either, I'm just sayin'. Oh, and neither did Trump! And neither did Stone, and neither did Flynn, and ... okay, okay, I withdraw the sentence — don't put Mulvaney or Thomas in there with them, after all it was only four adults living in a space the approximate size of a three bedroom house on the space station—stuck there for nine months.

Anyway, Biden abandoned Americans in Afghanistan in August of 2021, and this guy, George, went on a five day tourist trip into Afghanistan in December of 2022. During the aftermath of the disastrous withdrawal, a lot of vets went in on their own to pull Americans out who had been abandoned by Biden and Milly. As far as I can find, George Glezmman was not a vet, and was in the habit of making these sorts of trips, over 100, I understand,¹¹ simply decided he was interested in the culture and scenery of Afghanistan during a time when tensions were very high and American tourists would be very interesting to the Taliban. *Veddy Interestink!*

A contrast in comedy: comparing conservative MAGA humor and progressive MAGA humor. What's that? Oh, okay, conservative MAGA is Make America Great Again and progressive MAGA refers to the progressive Make America Godless Agenda.

So, here is a sample of conservative MAGA humor: Trump Truths on Truth Social, commenting on the Tesla Terrorists: "I LOOK FORWARD TO WATCHING THE SICK TERRORIST THUGS GET 20-YEAR JAIL SENTENCES FOR WHAT THEY ARE DOING TO ELON MUSK AND TESLA. PERHAPS THEY COULD SERVE THEM IN THE PRISONS OF EL SALVADOR, WHICH HAVE BECOME SO RECENTLY FAMOUS FOR SUCH LOVELY CONDITIONS."

¹¹ 1030.0.1-Who is George Glezmman, the American freed by Taliban after two years? – Firstpost <https://www.firstpost.com/explainers/who-is-george-glezmman-american-taliban-detainee-released-afghanistan-13873275.html>

Now that is certain to have heads exploding on the shoulders of godless progressives all over the country: Headline: Trump Vows to Arrests Mostly Peaceful Tesla Protestors and Send them to El Salvador.

Then here is an example of the progressive Make America Godless Agenda in one of their falling stars, Jimmy Kimmel. He shows pictures of Tesla's exploding while reporting that Tesla's stock is plummeting to the uproarious applause of his audience while making a smirky sort of an aside comment: Don't Vandalize — with obvious sardonic undertones that the laughter and applause of his audience indicated made its mark upon the funny bone of his crowd.

It does not require commentary but, just to finish the point: see the contrast? MAGA conservatives mock criminals who vandalize the private property and other wise terrorize their neighbors — while we mock the criminals that vandalize private property of their neighbors. Once again, the Dems are seen to be on the side of the violent, and the conservatives are seen to be on the side of those who are against the violent.

The world got divided between the lovers of lies and violence and the lovers of truth and peace when John the Baptist began preaching the kingdom of GOD. Jesus said, "From the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force."¹² If you have ever wondered how the "Kingdom of heaven" could "suffer violence," or be "taken ... by force" you need to read God's War by, who wrote that, oh yeah, me! You can order it through Amazon, or just about any other place you buy books — go to godswar2020.com.

But I'm looking at my time and I'll need to take a short break. Hold on, the Brain Masseur will be right back!

¹² Matthew 11:12

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

We finished the first segment by pointing out the fact that when you look at what makes conservative MAGA laugh, and what make progressives laugh — the fundamental difference is this. Progressive laugh and mock when American's fail in their business or suffer under angry leftist vandals; we mock and poke fun at the vandals and sympathize with their victims whether or not we agree with their politics.

And I pointed out that the world got divided between the lovers of lies and violence and the lovers of truth and peace when John the Baptist began preaching the kingdom of GOD. Jesus said, "From the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force."¹³ If you have ever wondered how the "Kingdom of heaven" could "suffer violence," or be "taken ... by force" I invite you to get my book, *God's War!* You can order it through Amazon, or just about any other place you buy books — go to godswar2020.com. Or you can be one of the first five to call in today after the show and say I want the book — and give us your shipping address! You get the book free. And if your address is within the continental US, I'll cover the shipping also.

The spirit of the enemy of our liberties is the spirit of Satan, whom the Bible says is prince of the power of the air and the spirit that now works in the children of disobedience — that's every one who refuses to obey the gospel command to repent and believe on Jesus Christ. Satan can take them captive at his will.

¹³ Matthew 11:12

The children of obedience have repented of their sins, confessed Jesus is LORD, believe He died for their sins and arose from the dead, and they have called on His name to save them.

Children of disobedience are of the spirit of hate the truth, love darkness and most unwittingly, but all truly follow Satan who is the father of lies and approve hate-filled violence. Those who are genuine Christians are lovers of the truth, and seek peace.

Satan is beating on the doors of the Kansas Capitol in Topeka. Next Friday, the openly anti-christian “hate group,” which among other Luciferian doctrines holds that “only might is right and violence is the ultimate source of all authority” plan to enter the Kansas Capitol, “break crosses, destroy Bibles, and dedicate the Capitol building to the devil.”¹⁴ Apparently, these Satanists plan to conduct what is called a “Black Mass,”¹⁵ in which they create a mockery of the Catholic Mass. So, what do you think about that, Mr. Brain Masseur? Hehe

I believe in freedom of religion, but I do not believe it's appropriate for any government of a Christian nation to allow Satanist to use public buildings representing that Christian nation to blaspheme the Christian faith upon which this country was built and dedicate the Capitol of that State to Satan. Understand that these Satanists are not there to promote their “faith,” they are there to tear down Christianity—to replace Christianity! To dedicate the State of Kansas to Satan and claim it for him. Christians must rise up and declare JESUS CHRIST IS KING, and Satan is the Adversary.

The Satanist can believe what they choose to believe, but they should not be encouraged to think they can take over our centers of political power. I warned that one day this would happen and this question would be raised—well, here we are.

Read God's War — it will help you sort through all this.

I want to talk to you about the Judas Judiciary!

Curious revelations about Chief Justice Roberts have surfaced that answer question that have mystified us. — He seemed to have suddenly flipped during the Obama Care debate. He had made statements indicating he was going to strike down the blatantly unconstitutional law, but changed his mind suddenly and swung the court behind it!

We notice lately that Roberts rebukes Trump who called for the impeachment of Judge James Boasberg¹⁶—the Obama appointed judge who, it turns out, had a hand in writing the FISA warrant creating spy-gate, and lately has attempted to usurp the Executive Branch and take the Constitutional Power of the Presidency from the duly elected President—a violation of the Constitution.

Turns out that James Boasberg is president of a private club for Jurists, where they relax and talk about cases, and stuff — and make deals — it's one of the American Inns of Court (Inn, like a tavern)¹⁷ — a private club for jurists¹⁸ — with Ketanji Brown as the vice president of this particular Inn of Court, and the secretary is Judge Amit Mehta who provides her court room for some of the meetings, well, turns out that Judge Roberts attends these meetings,

and is named an “honorary Bencher” — a bit of Judge jargon identifying one who presides over a court, or holds a “bench.”¹⁹

If he is a member, his membership is kept secret, but, Alex says, “He’s known to go there.” [IBID] So you have Chief Justice Roberts hobnobbing with these radical judges.

Then we discover that Roberts had his hands in creating the FISA warrants used to spy on Donald Trump and undermine his first term. Here is an article titled Chief Justice John Roberts, the Hidden Hand Behind the Surveillance State.²⁰

And we find out that Judge Roberts was the Justice “responsible” for all 11 FISA court Judges who allowed illegal spy ring on Trump.²¹ Another connection between Roberts and spy-gate.

So, Roberts gets testy when Trump suggests one of his “comrades in robes,” a “fellow of the Inn,” should be impeached! And the Judge Trump called out had his hands in writing the FISA warrants to spy on Trump, and we learn that Roberts was consulted and up to his neck in it too. And that Roberts fraternizes with this guy, this judge friend that Trump “picked on.”

So then we learn that Judge Roberts adopted two children out of Ireland and got a little help in fudging the rules that require one year residency in Ireland to adopt, but what is really concerning is that it turns out that Epstein assisted Roberts

John (the whistleblower) testifies that Epstein facilitated the adoption of Roberts’ two children.²³

Who would involve Epstein in a matter of adopting children?

And all of this begins to make sense of why Roberts would write the decision in Gore versus Bush in the election controversy that involved chads, and all that, remember? Well, we who were there sure do remember—and Roberts wrote the decision that allowed standing and ruled in favor of Bush on “Equal Protection” — but in 2020 he refused to hear an election tampering case and dismissed the plaintiffs on the ground they had “no standing” which contradicted his position in the Bush election case.

You heard me speak to my concerns about Amy — and so you see why we need to pray, big time about the upcoming battle to drain the swamp.

I’ve been thinking about the Epstein files and how critical I believe they are to breaking up the Deep State. This guy, whistleblower John, also testifies that Roberts participated in “entrapment schemes set up to blackmail prominent officials using the network of alleged child sex trafficker Jefferey Epstein.”²⁴

I’m only reporting what a whistleblower said, but I’m wondering right now, if this explains a whole lot—and I’m wondering what
